UNIVERSITY OF TRENTO - Italy

Department of Physics

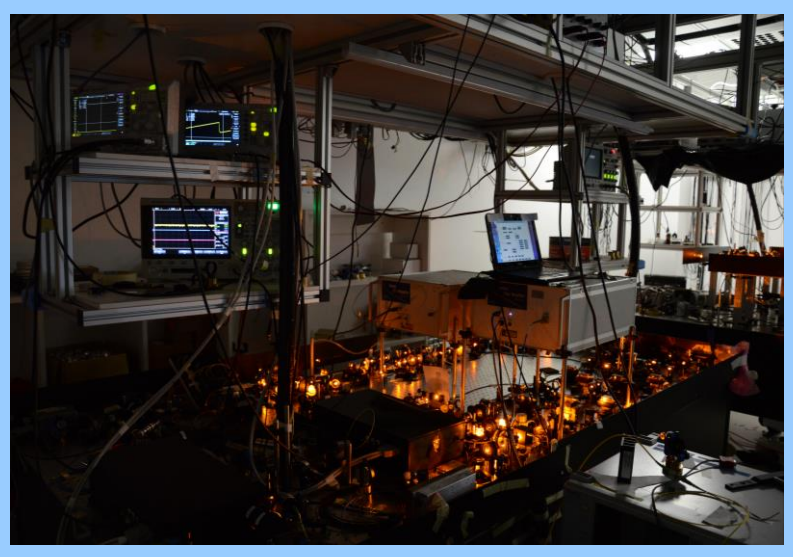
CALL FOR APPLICATIONS 2018

PhD in Physics 34th Cycle

DEADLINE: August 30, 2018

POSITIONS

We offer **20 positions** starting November 1st 2018. At present, **18 positions are covered by three-year scholarships**:
4 scholarships cover open research topics among those of interest to the Department of Physics;
14 scholarships are conditional to predetermined research subjects;
Additional scholarships may be provided.
Doctoral grants are funded by the University of Trento, INFN, FBK, CNR-INO and University of Innsbruck.



PhD PROGRAMME

The PhD Programme is organized by the Physics Department, University of Trento, in close partnership with INFN - Istituto Nazionale di Fisica Nucleare.

The following local research institutions cooperate by making available their research infrastructures and know how: **FBK** (CMM, ECT*, LISC); **CNR** (IBF, IFN, IMEM, INO-BEC); **IIT** (CNCS), **INFN** (TIFPA). In addition there are research collaborations with an extended network of international institutions.
