

YOUR DINNER MAKES A DIFFERENCE!

Another step towards a sustainable international mobility

Make your mobility period in Trento more environmentally-friendly!

UniTrento is promoting a series of activities addressed to international incoming students in order to raise **awareness** among participants on the importance of adopting **sustainable behaviours** to reduce impact on the host city.

To show your commitment to this cause, come join us to the

Civic Museum of Rovereto

with a guided visit to the section of the Museum dedicated to climate change and the laboratory "Your dinner matters!" in which you will learn, through a practical activity, how the food you eat influences the environment.

Saturday, april 2th - from 11:00 to 13:00

Programme of the day:

- 11:00 – 13:00 – activities in the Museum.

Be as much green as you can: take the train to reach Rovereto, we will be waiting for you at the Museum entrance (be there 10 minutes in advance)!

Costs:

The **ticket for the Museum is free.**
