GOING ABROAD...

What?

- STUDY
- RESEARCH
- INTERNSHIP

Where?

- EU COUNTRIES
- NON-EU COUNTRIES

How long?

- 2-12 Months depending on the programme (up to 24 months for some DD programmes)

Why?

- Friends all over the world
- Academic offer
- Improve Language skills
- Open you future to new or more career opportunities

REMEMBER: ALL THE ACADEMIC ACTIVITIES WILL BE RECOGNISED !!!!
A specific level of language knowledge is requested by the deadline of the call. First of all CHECK the language and level required for the host institution that is in your interest.

Applicants may satisfy this requirement by:
- uploading an internationally recognized certificate (please refer to CLA WEBSITE)
- being a native speaker
- having passed the language exam within the study program at the University of Trento or in the frame of another mobility selection calls;
- possessing a high School diploma or University degree achieved in a country where the official language is the same requested by the host institution;
- ONLY for English: being enrolled in a master’s or PhD course held in English with a language admission requirement of the same or higher level requested.
IF you do not fulfill the language requirement, you can take a written and oral exam organized by the CLA before the call deadline. Candidates have to apply for the language test by October 25\textsuperscript{th}, 2016 at noon through the application available at the page: www.unitn.it/outgoing-bandit-attivi

CHECK VERY CAREFULLY THE CALENDAR OF THE TESTS!!! IT WILL BE PUBLISHED WITH A NOTICE OF AT LEAST 3 DAYS BEFORE THE TEST.

NEXT STEPS/SUGGESTIONS:

- CHECK THE CALL/APPLICATION DEADLINE: see «bandi attivi» WEB.UNITN.IT/OUTGOING

- Contact the office in order to know how to plan your «studies abroad»

- Check partners universities websites for requirements, academic offer/courses, opportunities, services

- Apply to more than one call if you are very motivated to go abroad as the positions available for each programme are limited (specially for most popular destination)
Study the language !!!!!!!! No last minute preparation!!!! Do not wait the departure to improve your language level or to gain the level required by the host university.

Remember: between one test and the other must pass at least 2 months.

The linguistic centre (CLA) offers several free courses.

The language and levels most requested by the hosting institution are:
- English B1/B2 ... C1
- all the other languages at level B1 in order to be able to attend classes.
