Two new paragraphs in the disclaimer

under my responsibility according to the art. 47 D.P.R. 445/2000:

- to be aware that the University of Trento has to provide the legal deposit of the copy of my doctoral thesis in a on-line archive/catalogue providing its preservation and access;

- to be aware that, on the basis of the given data, the University of Trento is in charge of the legal deposit procedures of my thesis in .pdf format; that it archives and preserves my doctoral thesis in an institutional archive, to allow the open access to, and the dissemination of, the bibliographic description of my thesis and its .pdf file, except when a temporary embargo is requested (see below);
- to be aware that the University of Trento only uses the data and the information in the Institutional Disclaimer for a correct cataloguing process of the PhD theses and archives them for mere documentary reasons;

- that there is perfect correspondence between the content of the electronic copy of the thesis now submitted to the Doctorate Office in charge of my own Doctoral Area by this self-archiving procedure, and the one defended during the final examination;
- that the University does not answer for any eventual mistakes, inaccuracies or involuntary omissions in the content of the thesis;
- that the content and outline of my thesis are original and written by myself; furthermore the thesis violates neither third persons' rights nor the laws regulating protection of privacy and personal data;
