PhD Theses Institutional Archive Unitn-eprints PhD

Upload, mandatory deposit and copyright issues at Unitn

Highlights

PART ONE – Intellectual property

- a. PhD Theses and authors' rights
- b. Open Access and authors' rights
- c. PhD Theses and mandatory deposit through OA

Part 1 – Main concepts & keywords

- Moral rights (among which: propriety; alteration)
- Economic rights (among which: reproduction; adaptation)
- Related rights (images, photos, music, films, multimedia, ...)
- How to search for contents, their licence/policy and how to cite them
- Public domain
- Creative Commons Licenses (how to interpret them; how to attribute them)
- Contracts, agreements (with publishers, libraries, archives, ...)
- PhD theses: can we make a self-collage?
- Sensitive data
- Industrial propriety, third parties funds, patents
- Is all this compatible with Open Access?
- Mandatory deposit

PART TWO – Open Access

- a. What is Open Access
- b. OA aims and advantages
- c. OA resources

Part 2 – Main concepts & keywords

- Open Access: retained rights, faster dissemination, increased visibility, higher impact
- Open Access: no economic, technological, legal barriers (vs. «apparently» web-based commercial databases)
- Open Access: you pay ONCE, not 4 times (salary, research funds, publication, subscription/purchase) nor 5 (red road)
- Open Access: peer-review
- Open Access: ethical issues and social utility (Open Data, Ilaria Capua, PubMed)
- Why Open Access in Unitn ? (Above all: policy, OA website, MOOC course, PhD)
- Where and how to find OA contents (also starting from a DOI...)
- How to find legal contents on the web

PARTE THREE – The Archive

- a. How to deposit a new PhD thesis in the archive
- b. How to upload the file: bibliographic data
- c. How to describe the file: metadata
- d. Disclaimer

Part 3 – Main concepts & keywords

- **NEWS ON THE DISCLAIMER !!!!**
- Login and possible problems of access
- The format of the document
- Embargo: why, when and how
- **VISIBLE TO**
- Mandatory Fields
- Contact email address
- Subjects, abstract, keywords

Thanks !
