

ISEE a.y. 2017/2018

Starting from academic year 2017/2018 for all EU citizens there is a **new contribution system** for calculating tuition fees and students benefits. The new system is based **on “ISEE università”**, that is to say the Equivalent Economic Condition Indicator, referred to university. The fee amounts you will have to pay depends on this indicator, which is expressed **in euros on a declaration** (“Dichiarazione Sostitutiva Unica per l’ISEE università”) issued by any Fiscal Assistance Centre (“CAAF”) **in Italy**.

On this page you can see what is ISEE, when and how to have it calculated.
