In the heart of the Alps

The University of Trento is located in one of the most beautiful areas in Italy, the region of the **Dolomites**, a chain of mountains **recognized by UNESCO** as a **World Heritage Site**.

An ideal place to live, enjoy yourself and play sports.
The town of Trento

Trento is able to surprise as it is a small, versatile city, as it constantly changes features, yet always maintaining close links to tradition. It was chosen in 2014 as one of the 10 «smart cities» of the world. It is a safe place to live and one of the cities with the highest quality of life in Italy.
University structures

Master’s Courses entirely taught in English

- European Master in Business Studies – EMBS
- Cellular and Molecular Biotechnology
- Cognitive Science
- Computer Science
- Economics - MEC
- Energy Engineering
- European and International Studies - MEIS
- Human-Computer Interaction
- Information and Communication Engineering
- Innovation Management - MAIN
- International Management - MIM
- International Security Studies - MISS
- Materials and Production Engineering
- Mathematics
- Mechatronics Engineering
- Physics
- Quantitative and Computational Biology
- Sociology and Social Research
Bachelor entirely taught in English (starting from a.y. 2017-18)

- Comparative, European and International Legal Studies
Science and technology
- Biomolecular Sciences
- Civil, Environmental and Mechanical Engineering
- Information and Communication Technology
- Materials, Mechatronic and Systems Engineering
- Mathematics
- Physics

Humanities
- Development Economics and Local Systems – DELoS
- Economics and Management
- International Studies
- Sociology and Social Research

Cognitive sciences
- Cognitive and Brain Sciences
Research

22 ERC projects
47 projects financed from EU HORIZON 2020
16 startup created since 2007

The University of Trento ranks 1st in Italy for the quality of research and for scientific production in the ANVUR Report 2017.

(Italian National Agency for the Evaluation of the University System)
Research - ERC projects

Proof of Concept Grants
Knowledge Transfer

The University of Trento supports the creation of start-ups. Since 2007 6 spin-ups have concluded their recognition period, while the remaining 10 are still active.

«Knowtransfer» is the university magazine dedicated to knowledge transfer: http://knowtransfer.unitn.it
The University of Trento has signed agreements with universities from all over the world to grant students the possibility to further enrich their academic career by spending a study period abroad. The ECTS system allows the reciprocal recognition of exams taken abroad.
International Programmes

110 Bilateral agreements
34 Double degree programmes
1 Joint master degree programme
41 Erasmus+ International Credit Mobility partners in 20 extra-UE countries
2 Erasmus Mundus Joint Master’s programmes

1 Master Joint Mobility Project EU-Australia
2 Erasmus Mundus Joint PhD’s programmes
300 Erasmus+ agreements in all EU countries
International Programmes

3
Erasmus Mundus Action 2 projects in South and South-East Asia, Belarus, Ukraine, Moldova, Armenia, Georgia, Japan and Republic of Korea

ITPAR
India-Trento programme for advancement of research

The university library system is organised in 4 different locations. The services are not just limited to accessing items and book borrowing, but also include: referrals, internet access, assistance, photocopying service, new books, acquisition proposals, facilities for sight-disabled users. The central library is open until 11.45 pm during the week.
Language Centre

The Language Centre – CLA organises English, German, French, Spanish, Portuguese, Russian and Chinese courses, as well as courses in Italian as a second language. The courses are held by qualified, native-speaker teachers. Courses are divided into three kinds: extensive and evening courses; extensive blended courses; intensive courses.
Rewarding excellence: Collegio «Bernardo Clesio»

The hall of residence «Bernardo Clesio» was founded in 2010 in the historical centre of Trento. Selected candidates who gain admission to the Collegio are granted free accommodation for the entire study period, if they continue to meet the required merit criteria. The Collegio offers a dynamic university environment, rich in relations and cultural initiatives.
Leisure time

Trentino offers the ideal natural framework for sports lovers who enjoy the great outdoors: mountaineering, trekking, sailing, as well as skiing in winter. The land is a treasure-trove of arts, history, culture and traditions represented by its monuments, exhibitions and museums (MART and MUSE).
Practising sports at University is not just considered a way to feel good and have fun, but it is also an opportunity to learn and develop research activities. **Uni.Sport**, the University of Trento sports network, organises over 30 courses in fitness, wellness, individual and team sports, with competitions and events all year round.
UNI.Sport - TOPSport programme

The TOPSport programme is a project started in 2011 for professional athletes, who wish to pursue both a sport and a university career. The programme offers students the appropriate support and a degree of flexibility in their study plans, thus representing an ideal solution designed for students who devote part of their lives to sports.
