

RCEM 2017 – Back to Italy

10th symposium on River, Coastal and Estuarine Morphodynamics

18-21 September 2017, Padova, Italy

An aerial photograph of a river delta system, showing a main river channel that branches out into several smaller, winding channels. The surrounding land is covered in green vegetation, with some brownish patches. A white rectangular box with a reflection effect is centered over the image, containing the text 'SPONSORSHIP PROPOSAL' in large, bold, green capital letters.

INVITATION FROM THE CONFERENCE CONVENORS

The Local Organizing Committee for the 10th Symposium on River, Coastal and Estuarine Morphodynamics would like to invite you to attend the Conference as a **sponsor**, where you will have unique access to promote your company and market your brand to influential stakeholders in the River and Coastal Sciences.

The Conference is being hosted by the University of Padova, Italy, over 18-21 September 2017.

This conference will bring together over 200 delegates from around the world, who represent all levels of government, universities, research and so on.

The theme of the Conference are the processes driving the morphological evolution of rivers, coasts and estuaries.

The program will include plenary speaker presentations as well as special and contributed sessions, poster displays, and field trip in the Venice lagoon.

This Proposal outlines the involvement and we encourage you to explore the benefits of participating as a sponsor. If there are other ways in which you would like to participate, the Local Organizing Committee would be happy to discuss these with you (rcem2017@unitn.it).

We look forward to see you in Padova in September 2017.
