DI TRENTO**

**Call for Doctoral positions on the**

PhD Programme in

**Biomolecular Sciences**

**36<sup>th</sup> Cycle**

Academic Year 2020/2021

**N.B. Please note that only the Italian version of the present call issued with Rector's Decree no. 357 of 19.05.2020 is legally binding; the English version is provided for information only**

**Art. 1 – SUBJECT OF THE CALL**

The University of Trento opens the call for positions for the 36<sup>th</sup> Cycle (Academic Year 2020/2021) of the PhD Programme in Biomolecular Sciences as follows:

Positions: no. **16**

Scholarships: no. **14** (of which 8 on reserved topics)

Positions without scholarship: no. **2**

Supernumerary positions: no. 2 (see art. 7)

Scholarships are funded as follows:

<b>Financer</b>	<b>No. of scholarships</b>	<b>Reserved topic</b>	<b>Principal investigator</b>
University of Trento	6	<b>Please note:</b> The winner of each scholarship will choose the laboratory where he/she will carry out his/her research activity, after a short Lab Rotation, from the list available in <b>Annex 1</b> .	
CIBIO	6	<b>A</b> - Transcriptional and genomic characterization of extracellular vesicles (EVs) isolated from prostate cancer patients' plasma	Francesca Demichelis
		<b>B</b> - Molecular characterization of extracellular vesicles (EVs) isolated from prostate cancer patients' plasma	Francesca Demichelis
		<b>C</b> - Epigenetic reprogramming during breast cancer progression	Alessio Zippo
		<b>D</b> - The role of TERRA and its targeting in zebrafish cancer model	Emilio Cusanelli
		<b>E</b> - Light induced learning in in-vitro neuronal networks	Marco Canossa
		<b>F</b> - Statistical and computational methods for large-scale metagenomic data analysis	Nicola Segata
COSBI - The Microsoft Research - University of Trento Centre for Computational and Systems Biology	1	<b>G</b> - Development of a single cell-centric systems biology framework for the identification of therapeutic targets in complex diseases	Enrico Domenici
Pezcoller Foundation	1	<b>H</b> – One scholarship funded by the prestigious Pezcoller Foundation for a cancer research project. The winner will choose the host laboratory from a list approved by the scientific committee of the Foundation, and after a short Lab Rotation.	

The scholarships dedicated to specific research topics (reserved scholarships) may be assigned only to those candidates who specifically apply for them; during the oral examination the specific eligibility of the applicants will be evaluated. For these scholarships specific skills may be required. Applicants interested in one or more reserved scholarships must therefore carefully check the topic and the required skills indicated on the [selection website](#).

The positions with scholarships or other financial support may be increased after the publication of this call till the day before the assessment of qualifications. All the new positions available will be posted solely on the [selection website](#).

Moreover, candidates selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 36<sup>th</sup> Cycle in additional positions.

**N.B.**

- a. The dates of the selection and all selection results (interim and final), the possible exclusion from the selection due to an incomplete application (art. 3), the exclusion for foreign qualification not recognized as suitable (art. 2), and any notices related to the call will be published only on the call webpage; the candidates will be identified through the **application ID therefore it is recommended to keep it safe**. The publication on the website is to all intents and purposes valid as official notification.
- b. Without exception, all possible communication from the University of Trento to applicants will be managed via e-mail to the email address specified in the online application. Candidates are advised to check their mail box regularly and keep the Doctorate Office S&T ([phd.office-st@unitn.it](mailto:phd.office-st@unitn.it)) promptly informed of any changes in their email address.

**Art. 2 – ADMISSION REQUIREMENTS**

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
  - a. an Italian “Laurea Magistrale” or “Laurea Specialistica”, according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004, or
  - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica e Musicale)), or
  - c. an equivalent foreign degree (*Master’s degree*) obtained at an officially recognized academic institution, valid for admission to PhD studies in the Country it has been issued (except for substantial differences) and similar (duration and level) to the Italian degree, recognized as eligible<sup>1</sup> by the Selection Committee for the sole purpose of accessing this specific PhD Programme<sup>2</sup>.
2. Applications are also accepted from students expected to obtain the necessary degree **by October 31, 2020**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via email to: [phd.office-st@unitn.it](mailto:phd.office-st@unitn.it)) **by November 6, 2020**, on penalty of exclusion, the certificate awarded or a self-declaration (using Annex A).

<sup>1</sup> The eligibility of foreign academic degrees is assessed by the Selection Committee, following the rules in force or the international treaties or recognition of academic qualifications.

<sup>2</sup> Details at: <http://www.cimea.it/en/servizi/il-sistema-italiano-di-istruzione-superiore/qualifiche-del-sistema-universitario.aspx>.

3. If the foreign academic qualification has already been recognized as **equivalent<sup>3</sup>** to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached in the appropriate section of the online application. If the qualification has not already been officially recognised as equivalent, the specific documentation required in the application form must be attached.
4. Applicants with a foreign qualification that has not been officially recognised as equivalent<sup>4</sup> to an Italian degree (*Laurea Magistrale/Specialistica/vecchio ordinamento*) will be considered as requesting equivalence in their application, by attaching the necessary supporting documents.  
It is in the applicant's interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one. The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility.
5. Applicants who have already obtained the PhD degree will be admitted to attend a second PhD Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctorate degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new PhD Programme.

### Art. 3 – APPLICATION PROCEDURE

1. The application<sup>5</sup> must be **completed and submitted by hrs. 04.00 p.m. Italian time (GMT +2) of July 23rd 2020, exclusively through the online system: <https://www.unitn.it/en/apply/dott>**. Applicants who do not have an account at the University of Trento must register<sup>6</sup> in advance at: <https://webapps.unitn.it/Registration/en/Home>
2. To finalize the application a non-refundable application fee of € 15 (fifteen) is required and it can only be paid by credit card<sup>7</sup> according to the instructions given in the appropriate section of the online application. **The application online can be saved and modified several times until the final submission. Thereafter it can no longer be changed.**
3. It is the sole responsibility of the applicant to make sure that the online application has been successfully submitted (and an email notification has been received). There will be no liability with the University in the event that an application is not submitted correctly. The online application is considered to be a self-declaration of personal data and qualifications with full legal effect.
4. When filling in the online application it is mandatory to indicate the preference for at least one of the two curricula that characterize the doctoral programme. If a candidate indicates preference for both curricula, it is mandatory to specify the order of preference (that, however, is not binding for admission to the doctoral programme) and to explain the reasons for the choice in the motivation letter (see point F in this article below).
5. **MANDATORY ATTACHMENTS** (failure to upload one or more mandatory attachments will result in automatic exclusion from the selection)
  - A. **Identifying document (ID):**  
A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting his/her photograph, personal data, number, place and date of issue, expiry date and signature;
  - B. **Academic degree for admission to PhD:**
    - a. **Italian qualification:**
      - i) already obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possession of a degree (art. 2 of this Call), "*Classe di Laurea*", award date, issuing University, final grade, examinations taken, grades and credits obtained (by using Annex A); graduates from the University of Trento may

<sup>4</sup> For further information see at <http://www.cimea.it/en/servizi/procedure-di-riconoscimento-dei-titoli/procedure-di-riconoscimento-accademico-dei-titoli.aspx>

<sup>5</sup> The candidate can choose either Italian or English to fill in the application online.

<sup>6</sup> Candidates are advised to register well in advance of the deadline because the issue of the username and password (sent via email), necessary to enter UNITN's online services, may require up to 2 working days.

<sup>7</sup> The accepted payment circuits are: Visa (e.g. Nexi/Cartasi, Postepay), V-pay, Maestro, MasterCard, NexiPay, MasterPass Wallet.

only declare the place and the date of award as the other information can be collected ex officio;

- ii) to be obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possible award date, issuing University, "*Classe di Laurea*", examinations taken, grades and credits obtained (by using Annex A); future graduate of the University of Trento may only declare the place and the foreseen date of award as the other information can be collected ex officio;

**b. foreign qualification<sup>8</sup>:**

- iii) already obtained:

- a certificate attesting to the possession of a second level university qualification (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date it was awarded and the relative grade;
- a list of exams taken to obtain the qualification to access the Doctorate programme (*academic transcript of records of the Master's degree*) with relative credits (if provided for in the university system of the country that awarded the qualification), marks, and rating scale.  
If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken to obtain that degree (*academic transcript of records of the Bachelor's degree*) should also be attached.

- iv) to be obtained:

- a certificate of enrolment in a course of study that allows admission to Doctorate programmes (see art. 2 paragraph 1 letter c), with a list of the examinations successfully passed, marks, credits obtained in each examination and rating scale.  
If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken to obtain that degree (*academic transcript of records of the Bachelor's degree*) should also be attached.

**If the aforementioned documents are not in English, they must be accompanied by a translation in Italian or in English made provisionally by the applicant who takes responsibility for the accuracy of the translation and its compliance with the original text.**

- C. **curriculum vitae et studiorum** in Italian or English, preferably according to the [Europass model](#); all academic degrees held and any university enrolments in progress must be specified in detail (please specify also the High School diploma details);
- D. **summary of the Master's degree thesis** written in English explaining the reasons for the choice of the subject, the research methodology and the results obtained (max 3,000 characters spaces included);
- E. **English language certification establishing a minimum level of B1** according to CEFR<sup>9</sup>. The following exceptions are accepted:
- if the candidate is a native English speaker or attended a Bachelor's or Master's level course taught entirely in English, a self-declaration is sufficient.
  - if the candidate studied or carried out research abroad for 6 -months minimum in a country where English proficiency is required, a certification by the institution where the candidate carried out the activity, stating the level of English obtained, is sufficient (EU citizens may deliver a self-declaration, according to art. 46 of Presidential Decree n. 445 of 28.12.2000 and subsequent amendments, only for activities that have been carried out at a public institution of the member countries of the European Union);
  - if the candidate passed one or more English language exams at level B1 during Bachelor or Master's degree, a certificate by the university stating the level of English obtained is sufficient (EU citizens may deliver a self-declaration, according to art. 46 of Presidential Decree n. 445 of 28.12.2000 and subsequent amendments, only for activities that have been carried out at a public institution of the member countries of the European Union);
- F. **motivation letter** written in English describing the applicant's reasons for pursuing the PhD programme in Biomolecular Sciences at the University of Trento (max 3,000 characters spaces included). In case the candidate indicates preference for both curricula, he/she has to give detailed reasons for their choice. Candidates who select the scholarship funded by the prestigious Pezcoller Foundation are required to specify in detail the reasons for their choice;

<sup>8</sup> It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable to the Italian one.

<sup>9</sup> CEFR (Common European Framework of Reference for Languages). Info at: <https://www.coe.int/en/web/common-european-framework-reference-languages/>

- G. **a brief research project** written in English that will be used solely for evaluation purposes and will not be binding for the purposes of the research activities carried out by the candidate during the doctoral programme. The project may focus on a topic of interest of the candidate, possibly related to the core disciplines of the PhD Programme in Biomolecular Sciences. The project should not exceed two pages (about 4,000 characters, spaces included), divided into the following sections: "Background and Rationale" and "Objectives";
- H. **Only for those interested in the admission to the Transdisciplinary programme in Computational Biology** (see the Programme on <https://www.unitn.it/drbs/19/transdisciplinary-program-computational-biology>): an **additional motivation letter** in English where the reasons for applying to the secondary programme in Computational Biology are specified. The letter should also list the computer skills with specific reference to scripting/coding abilities. The submission of relevant documentation attesting to such skills is recommended. The Selection Committee will avail itself of an expert who will evaluate specific skills.

## 6. **OPTIONAL ATTACHMENTS:**

- List of publications;
- any additional qualifications, such as international examinations (GRE or equivalent);
- copy of the first-level academic degree (Bachelor's degree) and transcript;
- any additional qualifications useful for assessing the applicant's attitude towards research;
- up to two (2) names of referees working at universities or national and international research institutions, complete with their e-mail addresses. The system will automatically ask the referees to upload a reference letter for the candidate.
- applicants who already obtained the Master's degree may attach copy of the thesis front page that includes title and name of the supervisor. Applicants who haven't obtained the degree yet may submit a declaration (Annex B) that includes contact details of the thesis supervisor.

### Applicants with a **foreign qualification:**

- academic diploma of the Master degree (Master of Science/Arts or equivalent), in its original language
- *Diploma Supplement (DS)*<sup>10</sup> (drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES);  
alternatively
- *Declaration of value*<sup>11</sup> which certifies that the educational qualification is valid in the country of issue for admission to a Doctoral programme (third level of higher education according to the Bologna Process - European Higher Education Area; EQF level 8);  
alternatively
- *Statement of comparability of foreign university qualification*<sup>12</sup> issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

7. The University will accept additional documents to be included in the application submitted if sent by email to [ateneo@unitn.it](mailto:ateneo@unitn.it) (**Subject:** "Application ID number- candidate's Surname and Name - PhD in Biomolecular Sciences – 36<sup>th</sup> cycle - Supplement to application") **by July 23rd 2020 at 4:00 p.m. Italian time.** Additional documents submitted by other means will be disregarded.
8. Only documents (originals or copies) in English and Italian will be taken into consideration for the selection by the Selection Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant. The mandatory attachments required at points D, F, G (and H) must be submitted in English by all applicants.
9. All applicants are admitted to the selection procedure conditionally upon ascertainment that they fulfill the admission requirements. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of candidates lacking the requirements specified in the present call.

<sup>10</sup> The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and a promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that issued the qualification. #### Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by a Selection Committee appointed by the Rector upon advice from the Doctoral School Committee, in accordance with the University doctoral regulations. The Selection Committee sets the evaluation criteria during a preliminary meeting.
2. The selection procedure is designed to rank, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the PhD Programme and the chosen curriculum.  
The selection is made on the basis of the assessment of:
  - All the mandatory applicant's qualifications listed in previous art. 3 (degree, research project, English level, motivation letter), and
  - an interview, in English.The interview will assess the candidate's basic knowledge about the Doctorate scientific areas, the previous research and professional experience, and qualifications declared in the application.  
In order to be admitted to the oral exam the candidate must provide a valid photo ID/passport.  
Applicants residing or domiciled abroad, or otherwise unable for proven reasons to take the interview in person, may be authorized – upon request – to conduct the oral exam in another seat by video-conference. Applicants must send the request via e-mail to: [phd.bioscie@unitn.it](mailto:phd.bioscie@unitn.it) within 5 days after the publication of the oral examination shortlist.  
The Selection Committee will guarantee that the oral exam will comply with all regulations and will verify the candidate's identity.
3. Applicants interested in applying also for one or more reserved scholarships must make an explicit request to the Selection Committee and specify the order of preference when filling in the online application; they will be also required to confirm their interest within two days after publication of the selection results by sending an email to: [phd.bioscie@unitn.it](mailto:phd.bioscie@unitn.it). Regarding additional reserved scholarships added after the publication of this Call, candidates will be required to confirm their interest before the oral interview. During the interview, candidate eligibility for the additional reserved scholarship/s will be specifically evaluated.

**IMPORTANT NOTICE:** the candidate's choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarship over the others.

4. For applicants interested in applying to the transdisciplinary programme in Computational Biology, the oral exam will include an assessment of their competences on the specific subject of that programme.
5. The Admissions Committee will award a maximum of 200 points, of which:  
0-110 points: assessment of qualifications;  
0-90 points: oral exam.
6. Candidates obtaining a minimum score of 75/110 for the assessment of qualifications will be admitted to the oral exam which will be passed with a minimum score of 60/90; applicants obtaining an overall score of 135/200, will thus be short-listed.

The date of the assessment of qualifications (and the location and time of the oral exam) will be published on the selection website at least 20 days in advance.

The candidates not showing up at the oral exam will be considered as renouncing their participation to the selection procedure, whatever the reason.

#### Art. 5 – RANKINGS

1. At the end of the selection procedure, the Selection Committee draws up one general ranking.
2. Positions with or without scholarship are assigned to short-listed applicants according to:
  - a) the position in the ranking;
  - b) for reserved scholarships, the applicant's eligibility for that specific scholarship.In case of equal score see following art. 6.
3. Non-allocated scholarships on reserved topics will result in the reduction of the number of positions available.

## Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE POSITION

1. Short-listed applicants are admitted to the PhD Programme based on the final ranking until all available positions have been filled. All applicants compete for the award of the scholarships funded by the University of Trento; however, applicants who have been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the PhD Programme.
2. Should two candidates obtain the same score, regarding the award of the scholarship, the candidates' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As for positions without scholarship, the younger of the two candidates will be selected.
3. Admitted applicants must send the acceptance of position following the instructions at <https://www.unitn.it/en/node/1928>:
  - **within 8 days** starting from the day following publication of the final ranking lists on the Selection website for **positions with scholarships or other form of financial support**;
  - **within 14 days** starting from the day following publication of the final ranking lists on the Selection website for **positions without scholarships or other form of financial support**.

**N.B.!** Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase ex art. 3 – “*Application procedure*”) the Doctorate Office S&T (email: [phd.office-st@unitn.it](mailto:phd.office-st@unitn.it)) **by November 6, 2020**:

- academic diploma of the Master degree (Master of Science/Arts or equivalent), in its original language (or certified copy) together with academic transcript of records, official translations included<sup>13</sup>, legalized<sup>14</sup> by the Italian diplomatic or consular representations of the country of origin of the reference system for the institution that issued it, accompanied by
  - *Diploma Supplement* alternatively
  - *Declaration of Value*<sup>15</sup> alternatively
  - *Statement of comparability of foreign university qualifications* issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for assessment of the qualification.

Their non-delivery may result in exclusion from the Doctorate.

4. Note that the acceptance of a position must include the payment of stamp duty and, where applicable, the payment of the "provincial tax for the right to higher education" - TDS<sup>16</sup>. At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not accept the position by the above-mentioned deadlines will lose their right to registration, and their places will be offered to the next applicants on the ranking.
6. If a successful applicant withdraws **before the beginning of the PhD Programme** (November 1, 2020), the next applicant on the ranking will be offered the position, if entitled to it based on the eligibility assessment for reserved scholarships. The latter must submit his/her acceptance of the position **within 4 days** starting from the day after the day on which the communication from the Doctorate Office S&T is sent.
7. If a successful applicant withdraws or is excluded after the beginning of the PhD Programme and during the first quarter of the first year (three months), the Doctoral Committee may decide to fill the vacancy with the next applicant on the ranking, taking into account the acquired eligibility for reserved scholarships.

## Art. 7 – SUPERNUMERARY POSITIONS

1. According to art. 20, par. 3 of the University Regulations for Doctoral Programmes, no more than **2**

<sup>13</sup> See: <https://www.esteri.it/mae/en/servizi/italiani-all-estero/traduzione-e-legalizzazione-documenti.html>;

<sup>14</sup> See: <https://www.studiare-in-italia.it/studying/info-13.html>

<sup>15</sup> Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available

<sup>16</sup> Note that the total amount of the TDS + stamp duty must be paid only by credit card following the instructions. Page <https://www.unitn.it/en/ateneo/1931/education-tax-tds-and-stamp-duty> provides information on exemption from the TDS.

supernumerary applicants may be admitted without a scholarship paid by the University, after passing the selection procedure, if they fall within one of the following categories:

- a) shortlisted foreign candidates who are granted scholarships by other entities;
  - b) shortlisted candidates from countries with which a specific inter-governmental agreement has been signed, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;
  - c) research fellows (*Assegnisti di ricerca*) whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the PhD Programme; such relevance has to be determined by the Doctoral Programme Committee;
  - d) Italian civil servants or under Italian public law regime. Admission is subject to placement on leave under Art. 2 of the Law of 13.08.1984 no. 476 and subsequent amendments.
2. Short-listed applicants who wish to assert their requirements for supernumerary positions shall request for such admission by submitting appropriate documentation proving their status via e-mail to [phd.office-st@unitn.it](mailto:phd.office-st@unitn.it), **within 8 days** from the next day of the publication of ranking lists. Supernumerary admission is determined by the number of supernumerary positions listed in at point 1 of this article.
3. After verification of the documents referred to in paragraph 2 of this article, applicants admitted to supernumerary positions will receive an email notification from the Doctorate Office S&T ([phd.office-st@unitn.it](mailto:phd.office-st@unitn.it)) and must deliver their acceptance within the deadline specified in the email text itself.
4. Any candidate selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to positions additional with respect to the quota specified at point 1 of this article.

#### **Art. 8 – ENROLMENT ON THE PHD PROGRAMME**

1. According to Ministerial Decree no. 45 of 08.02.2013, the PhD programme can only be activated upon accreditation or its confirmation by the Ministry of Education. Therefore, enrolment on the PhD Programme, only for admitted candidates who have accepted the position as mentioned above, will be automatically formalized as soon as the aforementioned accreditation has been received or its confirmation has been approved. If accreditation is not confirmed, candidates who have accepted a place will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.

#### **Art. 9 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS**

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or other institutions involved.

#### **Art. 10 - PROCESSING OF PERSONAL DATA**

1. Pursuant to art. 13 of Regulation (EU) 2016/679 (General Data Protection Regulation), applicants, acting as data subjects, are advised that the University will process their personal data in the public interest only for purposes related to the present PhD selection procedure and to comply with law obligations.
2. The data controller is the University of Trento, via Calepina 14, 38122 Trento (Italy), email: [ateneo@pec.unitn.it](mailto:ateneo@pec.unitn.it); [ateneo@unitn.it](mailto:ateneo@unitn.it).
3. The controller processes personal data for reasons of substantial public interest (according to art. 6, comma 1, letter e) and art. 9, paragraph 2, letter G of the GDPR).
4. The provision of personal data is mandatory to participate in the selection procedures and failure to provide them results in the impossibility to take part in the call.
5. Personal data are processed wholly or partly in paper forms and/or by automated means by the controller's personnel, who is authorized to data treatment according to their tasks and in respect of confidentiality obligations.

6. Personal data can be disclosed to third parties (public and private, e.g. MUR, ANVUR) in order to correctly fulfil the above-mentioned purposes, within academic relationships, in performance of law, regulations and contract obligations, or in compliance with a provision of the Authority of Public Security and/or the Judicial Authorities.  
Data can be disclosed also to public and private funding bodies, in relation to financed scholarships.
7. Personal data will be stored as long as necessary to fulfil the above-mentioned procedure and anyway for all the time required to comply with legal obligations and/or regulations on the matter.
8.
