

UNIVERSITY
OF TRENTO - Italy

Call for Doctoral positions at the

PhD Programme in

Biomolecular Sciences

35th Cycle

ACADEMIC YEAR 2019/2020

N.B. Please note that only the Italian version of the present call issued with Rector's Decree no. 389 of 30.05.2019 is legally binding; the English version is provided for information only

Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for the 35th Cycle (Academic Year 2019/2020) Doctoral positions within the PhD Programme in Biomolecular Sciences.

Positions: no. 15

Scholarships: no. 13 (of which 7 on reserved topics)

Positions without scholarship: no. 2

Supernumerary positions: no. 2 (see art. 7)

Scholarships are funded as follows:

Financer	No. of scholarships	Reserved topic	Principal investigator
University of Trento	6	----	
CIBIO	6	A - Development of metagenomic tools for the study of the tumor-associated microbiome for the ONCOBIOME project	Nicola Segata
		B - Artificial Cell Replication Cycle	Martin M. Hanczyc
		C - Re-invented p53: non-canonical functions in response to cell division errors	Luca Fava
		D - Photonics for brain circuit physiology	Marco Canossa-Lorenzo Pavesi
		E - Identification of modulators of extracellular vesicles' secretion and biological content in the presence of alterations at RNA-binding proteins level	Vito Giuseppe D'Agostino
		F - Turning inactive CRISPR/Cas systems into effective and precise tools to edit the mammalian genome	Anna Cereseto
EURAC + CIBIO	1	G - The CHRIS Salivary Microbiome	Christian Fuchsberger Nicola Segata

The scholarships on reserved topics may be assigned only to those candidates who make a specific request; during the oral examination the specific suitability by the applicants will be evaluated. For these scholarships specific skills may be required. Those interested in one or more reserved scholarships must therefore carefully check the topic and the required skills indicated on the selection website.

Any candidate selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 35th Cycle on additional positions.

The positions with scholarships or other financial support may be increased after the publication of this call till the day before the assessment of qualifications. All the new available positions will be posted solely on the selection website.

Important

- a. The dates of the selection and all selection results (interim and final), the possible exclusion from the selection for incomplete application (art. 3 point 5), the exclusion for foreign qualification not recognized as suitable (art. 2 point 3), and any general advices will be published only on the selection webpage; the candidates will be identified through the **application ID therefore it is recommended to keep track of it**. The publication on the website is to all intents and purposes valid as official notification.
- b. Without exception, all possible communication from the University of Trento to applicants will be managed via e-mail to the email address specified in the application online. Candidates are advised to check their mail box regularly and keep the Doctorate Office S&T (phd.office-st@unitn.it) promptly informed of any change of their email account.

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
 - a. an Italian “Laurea Magistrale”, according to the Ministerial Decree no. 270 of 22.10.2004 and subsequent amendments, or
 - b. an equivalent Italian university degree (previous regulations in force, “specialistica”, AFAM), or
 - c. an equivalent foreign degree (*Master’s degree*) obtained at an officially acknowledged academic institution, valid for admission to PhD studies in the Country of issue (except for substantial differences) and similar (duration and level) to the Italian degree, recognized as equivalent by the Admissions Committee for the sole purpose of access to the present Phd Programme¹.
2. Applications are also accepted from students expecting to obtain the necessary degree **by October 31, 2019**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **by November 6, 2019**, on penalty of exclusion, awarding certificate or a self-declaration (by using Annex A).
3. Applicants with a foreign qualification that has not been officially recognised as equivalent² to an Italian degree (*Laurea Magistrale/Specialistica/vecchio ordinamento*) will be considered as requesting equivalence in their application, attaching the necessary supporting documents. The eligibility of foreign academic degrees is assessed by the Admissions Committee, following the rules in force or the international treaties on recognition of academic qualifications. The Admissions Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the suitability.
4. Applicants who have already obtained the PhD degree will be admitted to attend a second PhD Programme, after passing the selection, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctorate degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new PhD Programme.

Art. 3 – APPLICATION PROCEDURE

1. The application³ must be **completed and submitted by July 24, 2019, at 4:00 p.m. Italian time (GMT +2), exclusively through the online system:** <https://www.unitn.it/en/apply/dott>. Candidates who do not

² For further information see at <http://www.cimea.it/en/servizi/procedure-di-riconoscimento-dei-titoli/procedure-di-riconoscimento-accademico-dei-titoli.aspx>

³ The candidate can choose either Italian or English to fill in the application online.

have an account at the University of Trento must register⁴ in advance at: <https://webapps.unitn.it/Registration/en/Home>.

2. To finalize the application a non-refundable payment of € 15 (fifteen) is required which can be paid exclusively by credit card. The application online can be saved and modified several times until the final submission. However, after the final submission it can no longer be modified.
3. It is the sole responsibility of the applicant to verify the final submission of the application through receipt notification received by e-mail. The University refuses any liability for all applications not properly submitted by candidates. The online application is considered to be a self-declaration of personal data and qualifications with full legal effect.
4. When filling in the application online it is mandatory to indicate the preference for at least one of the curricula that characterize the doctoral programme. If a candidate indicates preference for both curricula, it is mandatory to specify the order of preference (that is not binding for admission to the doctoral programme) and to explain the reasons for the choice in the attached motivation letter (see next point F in this article).
5. **MANDATORY ATTACHMENTS** (failure to upload one or more mandatory attachments results in automatic exclusion from the selection)
 - A. **Identifying document (ID):**

A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting his/her photograph, personal data, number, place and date of issue, expiry date and signature;
 - B. **Academic degree for admission to the doctoral programme:**
 - a. **Italian qualification:**
 - i) already obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possession of a degree (art.2 of this Call), "*Classe di Laurea*", award date, issuing University, final grade, examinations taken, grades and credits obtained (by using Annex A); graduates from the University of Trento may only declare the place and the date of award as the other information can be collected ex officio;
 - ii) to be obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possible award date, issuing University, "*Classe di Laurea*", examinations taken, grades and credits obtained (by using Annex A); future graduate of the University of Trento may only declare the place and the foreseen date of award as the other information can be collected ex officio;
 - b. **foreign qualification⁵:**
 - iii) already obtained: copy of the academic certificate accompanied by a list of exams with their credits and grades and, if available, the Diploma Supplement⁶ / transcript of records or Declaration of value⁷ or Rector's Decree of equivalence⁸;
 - iv) to be obtained:
 - a certificate of enrolment with a list of the examinations successfully passed and marks and credits obtained in each examination; if this document is not in English, the applicant must provide, in the same file, a translation of the same duly undersigned;
 - a statement declaring that the student will complete his/her degree by October 31, 2019, with the Institution and the official length of the programme.

NOTICE: if the university studies carried out are divided into first and second level, the Bachelor's degree and the list of exams taken for the achievement of the relative degree (academic transcript of records of Bachelor's) should also be attached;

⁴ Candidates are advised to register well in advance of the deadline because the issue of the username and password (sent via email), necessary to enter UNITN's online services, may require up to 2 working days.

⁵ It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable to the Italian one.

⁶ The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that issued the qualification. Further information at <http://www.cimea.it/en/servizi/il-sistema-italiano-di-istruzione-superiore/diploma-supplement.aspx>

⁷ Further information about DoV and equivalence: <http://www.cimea.it/en/servizi/procedure-di-riconoscimento-dei-titoli/glossario.aspx>

⁸ Delivery of the Diploma Supplement, Declaration of value or decree of equivalence, optional at the application stage, will be mandatory for the winners at the time of actual enrolment.

- C. **Curriculum vitae et studiorum** (in Italian or English language) preferably on the basis of the [Europass template](#). Candidates are requested to indicate on the CV their education experience before the Master's Degree or Laurea Magistrale, e.g. Bachelor Degree or Laurea Triennale. All academic degrees held and any university enrollments in progress must be specified in detail;
- D. **Summary of the Master's degree thesis** written in English explaining the reasons for the choice of the subject, the research methodology and the results obtained (max 3,000 characters spaces included);
- E. **English language certification establishing a minimum level of B1** according to CEFR⁹. The following exceptions are accepted:
- if the candidate is a native English speaker or attended a Bachelor's or Master's level course taught entirely in English, a self-declaration is sufficient.
 - if the candidate studied or carried out research abroad for 6 -months minimum in a country where the knowledge of English is required, a certification by the institution where the candidate carried out the activity, stating the level of English obtained, is sufficient (EU citizens may deliver a self-declaration, according to art. 46 of Presidential Decree n. 445 of 28.12.2000 and subsequent amendments, only for activities that have been carried out at a public institution of the member countries of the European Union);
 - if the candidate passed one or more English language exams at level B1 during Bachelor or Master's degree, a certificate by the university stating the level of English obtained is sufficient (EU citizens may deliver a self-declaration, according to art. 46 of Presidential Decree n. 445 of 28.12.2000 and subsequent amendments, only for activities that have been carried out at a public institution of the member countries of the European Union);
- F. **letter of motivation** written in English describing the applicant's motivations for pursuing the PhD programme in Biomolecular Sciences at the University of Trento (max 3,000 characters spaces included). In case the candidate indicates preference for both the curricula, he/she has to give detailed reasons for the choice;
- G. **a brief research project** written in English that will be used solely for evaluation purposes and will not be binding on the research activities carried out by the candidate during the doctoral programme. The project may focus on a topic of interest of the candidate, possibly related to the core disciplines of the PhD Programme in Biomolecular Sciences. The project will have to be no longer than two pages (about 4,000 characters spaces included), divided into the following sections: "Background and Rationale" and "Objectives" of the project;
- H. **Only for those interested in the admission to the Transdisciplinary programme in Computational Biology** (see the Programme on <https://www.unitn.it/drbs/19/transdisciplinary-program-computational-biology>): an **additional letter of motivation** in English where the reasons for undertaking the secondary programme in Computational Biology are specified. The letter should also list the informatics skills with specific reference to scripting/coding abilities. Provision of relevant documentations is recommended. The Admissions Committee will avail itself of an expert to evaluate specific skills.

6. **OPTIONAL ATTACHMENTS:**

- List of publications;
- Any additional qualifications, such as international examinations (GRE or equivalent);
- Copy of the first level academic degree (Bachelor's degree) and transcript;
- Any additional qualifications useful for assessing the applicant's attitude towards research;
- Up to two names of referees working at universities or national and international research institutions, with details of their e-mail addresses. The system will automatically ask the referees to upload a reference letter for the candidate.
- Applicants who already obtained the Master's degree may attach copy of the thesis frontispiece that includes title and name of the supervisor. Applicants who haven't obtained the degree yet may submit a declaration (Annex B) that includes contact details of the thesis supervisor.

⁹CEFR (Common European Framework of Reference for Languages). Info at: https://en.wikipedia.org/wiki/Common_European_Framework_of_Reference_for_Languages#Selfevaluated_equivalences_to_CEFR_levels

7. The University will accept any additional documents to the submitted application if sent by email to ateneo@unitn.it (**Subject:** "Application ID number- candidate's Surname and Name - PhD in Biomolecular Sciences – 35th cycle - Supplement to application") **by July 24, 2019 at 4:00 p.m. Italian time.** Additional documents submitted by other means will be disregarded.
8. Only documents in English and Italian will be taken into consideration for the selection by the Admissions Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the candidate. The mandatory attachments required at points D, F, G (and H) must be submitted in English by all applicants.
9. All applicants are admitted to the selection procedure conditionally upon ascertainment that they fulfill the admission requirements. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of candidates lacking the requirements specified in the present call.

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluations for enrolment in the PhD Programme is made by an Admissions Committee appointed by the Rector upon advice of the Doctoral Committee, in accordance with the University doctoral regulations. The Admissions Committee sets the evaluation criteria during a meeting preliminary to the selection.
2. The selection procedure is designed to ensure, comparatively, the knowledge and aptitude of the candidates to carry out research in areas related to the PhD Programme and the chosen curriculum. The selection is made on the basis of the assessment of:
 - the applicant's qualifications (listed in previous art. 3), and
 - an interview, in English.
 The interview will assess the candidate's basic knowledge about the Doctorate scientific areas, the previous research and professional experiences, and qualifications declared in the application. In order to be allowed to oral examination the candidate must provide a valid ID/passport with photo. Applicants residing or domiciled abroad, or otherwise unable for proven reasons to take the interview in person, may be authorized – upon request – to conduct the oral examination in another seat by video-conference. Applicants must send the request via e-mail to: phd.bioscie@unitn.it within 5 days after the publication of the oral examination shortlist, in order to organize the interview. The Admissions Committee will guarantee that all the regularity requirements are fulfilled during the examination (verifying the candidate's identity and the accuracy of the interview).
3. Applicants also interested in one or more reserved scholarships must make an explicit request to the Admissions Committee and specify the order of preference when filling in the Application on-line; they will be also required to confirm their interest within two days after publication of the evaluation results by sending an email to: phd.bioscie@unitn.it. Regarding additional reserved scholarships published after the present Call, candidates will be required to confirm their interest before the oral interview. During the interview the suitability of the candidates for the additional reserved scholarship/s will be specifically evaluated.

IMPORTANT NOTICE: the candidate's choice to compete also for the reserved scholarships implies a preference on his/her part for the allocation of that specific scholarship with respect to the others.
4. For applicants who indicate an interest in applying for the transdisciplinary programme in Computational Biology, the oral examination will include an assessment of their competences on the specific subject of that programme.
5. The Admissions Committee can assign each candidate a total score of 200 as follows:
 - 0 – 110 points: assessment of qualification;
 - 0 – 90 points: oral examination.
6. Candidates obtaining a minimum score of 75/110 for the assessment of qualifications will be admitted to the oral examination. The interview is successfully passed with a minimum score of 60/90; applicants obtaining an overall score of 135/200 will be short-listed.
7. At least 20 days before the date of the oral examinations, time and location of the examinations will be published on the selection website.

Art. 5 – RANKING

1. At the end of the selection procedure the Admissions Committee draws up one ranking.
2. Positions with or without scholarship are assigned to short-listed applicants according to:
 - a) the position in the ranking list;
 - b) for reserved scholarships, applicant's suitability for that specific scholarship.In case of equal score see following art. 6.
3. The non-allocation of scholarships on reserved topics will result in the reduction of the available positions.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE POSITION

1. Short-listed applicants are admitted to the PhD Programme according to their place in the final ranking until all available places have been filled. All applicants compete for the scholarships funded by the University of Trento; however, the applicant who has been awarded a scholarship on a specific reserved topic must accept it. The renunciation of the reserved scholarship implies the applicant's exclusion from enrolment in the PhD Programme.
2. Should two candidates obtain the same score, regarding the awarding of the scholarship, the candidates' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As regards positions without scholarships, the younger of the two candidates will be selected.
3. Admitted applicants must accept the position following the instructions at <http://www.unitn.it/en/ateneo/1928/enrollment-1-2-3-year>:
 - **within 8 days** starting from the day following publication of the final rankings on the Selections website for **positions with scholarships**;
 - **within 14 days** starting from the day following publication of the final rankings on the Selections website for **positions without scholarships**.

IMPORTANT NOTICE! Admitted applicants with a foreign qualification must deliver the Diploma Supplement (qualifications obtained in countries of the European Research Area) or the Declaration of Value together with the copy of the final Diploma with a complete transcript of records, translated and authenticated by the Italian diplomatic representatives in the country of issue; the Declaration of Value may be replaced by a certificate issued by [ENIC-NARIC](#) centers containing all the information necessary for the assessment of the qualification. If these documents are not available at the time of the acceptance of the position, they must be delivered by **November 6, 2019**. Their non-delivery may result in exclusion from the Doctorate.

4. Note that the acceptance of the position must include the payment of stamp duty and, where applicable, the payment of the "provincial tax for the right to higher education" - TDS¹⁰. At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not accept the position by the above-mentioned deadlines will lose their right to enrol, and their position will be offered to the next applicants on the ranking list.
6. If a successful applicant withdraws before the beginning of the PhD Programme (November 1, 2019), the next applicant on the reference ranking list will be offered the place. The latter must submit his/her acceptance of the position **within 4 days** starting from the day after the day in which the communication from the Doctorate Office S&T is sent.
7. If a successful applicant withdraws or is excluded during the first quarter of the first year (three months), the Doctoral Committee may decide to fill the vacancy with the next applicant on the reference list.

¹⁰ Note that the total amount of the TDS + stamp duty must be paid only by credit card following the instructions. Page <https://www.unitn.it/en/ateneo/1931/education-tax-tds-and-stamp-duty> provides information on exemption from the TDS.

Art. 7 – SUPERNUMERARY POSITIONS

1. According to art. 20, par. 3 of the University Regulations for Doctoral Programmes, no more than **2** supernumerary applicants may be admitted without scholarships paid by the University, after passing the selection procedure, if they fall within one of the following categories:
 - a) shortlisted foreign candidates who are granted scholarships by other entities;
 - b) shortlisted candidates from countries with which a specific inter-governmental agreement has been signed, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;
 - c) research fellows (*Assegnisti di ricerca*) whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the PhD Programme; such relevance has to be determined by the Doctoral Programme Committee;
 - d) Italian civil servants or under Italian public law regime. Admission is subject to placement on leave under Art. 2 of the Law of 13.08.1984 no. 476 and subsequent amendments.
2. Short-listed applicants who wish to assert their requirements for supernumerary positions shall request for such admission by submitting appropriate documentation proving their status via e-mail to phd.office-st@unitn.it, **within 8 days** from the next day of the publication of ranking lists. Supernumerary admission is disposed within the limit of the number of supernumerary positions listed in at point 1 of this article.
3. After verification of the documents referred to point 2 of this article, applicants admitted to supernumerary positions will receive an email notification from the Doctorate Office S&T (phd.office-st@unitn.it) and must deliver their acceptance within the deadline specified in the email text itself.
4. Any candidate selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted in addition to the number of supernumerary positions specified at point 1 of this article.

Art. 8 – ENROLMENT ON THE PHD PROGRAMME

1. According to Ministerial Decree no. 45 of 08.02.2013, the PhD programme can only be activated upon accreditation or its confirmation by the Ministry of Education. Therefore enrolment on the PhD Programme, only for admitted candidates who have accepted the position as mentioned above, will be automatically formalized as soon as the aforementioned accreditation has been received or its confirmation has been approved. If accreditation is not confirmed, candidates who have accepted a place will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.

Art. 9 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or other institutions involved.

Art. 10 – PROCESSING OF PERSONAL DATA

1. Pursuant to art. 13 of Regulation (EU) 2016/679 (General Data Protection Regulation), applicants are advised that the University will process their personal data in the public interest only for purposes related to the present PhD selection procedure.
2. The **controller** of the data processing is the University of Trento (hereinafter “University”), legal headquarters in via Calepina, 14, 38122 Trento (Italy), emails: ateneo@pec.unitn.it; ateneo@unitn.it. The data subjects may contact the **Data Protection Officer** (DPO or RPD) writing to: via Verdi n. 8, 38122 Trento, email: rpdp@unitn.it.
3. The processing of personal data will be carried out, wholly or in part also by automated means, in compliance with the principles of lawfulness, fairness, transparency, adequacy, relevance and necessity.

The personal data provision is a mandatory requirement for participation in the selection procedure. The provision of data related to health and disabilities is not mandatory, but failure in providing entails the impossibility for the University to grant the access to services and to the requested support.

4. At any time, the rights as per art. 15 and seq. of DGPR (access, rectification, erasure, restriction, objection) can be obtained by the controller, without prejudice to lodge a complaint with the supervisory authority.
5. The complete GDPR Privacy notice is available at: <https://www.unitn.it/en/node/79953>.

Art. 11 – REFERRAL RULES

1. For matters not explicitly mentioned in the present call, refer to Law no. 398 of 30.11.1989, art. 4 of Law no. 210 of 3.07.1998 as amended by art.19, par. 1, of the Law no. 240 of 30.12.2010, to Ministerial Decree no. 45 of 08.02.2013 and to the University Regulations for Doctoral Programmes issued by Rector's Decree no. 742 of 28.10.2016, to the Code of Ethics of the University of Trento, to the Internal Regulations in force of the PhD Programme in Biomolecular Sciences, and to the other relevant provisions contained in the current legislation.
2. This call, accompanied by its translation into English, is published on the University website, on the website of the Italian Ministry of Education and on Euraxess. Any changes or additions to the call will be made available only on the selection website specified in art. 1.
