The University of Trento is located in one of the most beautiful areas in Italy, the region of the **Dolomites**, a chain of mountains recognized by UNESCO as a **World Heritage Site**.

An ideal place to live, enjoy yourself and play sports.
Trento is able to surprise as it is a small, versatile city, as it constantly changes features, yet always maintaining close links to tradition. It was chosen in 2014 as one of the 10 «smart cities» of the world. It is a safe place to live and one of the cities with the highest quality of life in Italy.
The University of Trento currently holds outstanding positions both in national and in international rankings.

NATIONAL RANKINGS

- **ANVUR 2016**: 1st for scientific production among the medium-sized Italian universities. The report was drawn up by the Italian National Agency for the Evaluation of the University System and Research.

- **IL SOLE 24ORE**: 2nd for both research and teaching.

- **CENSIS 2018**: 3rd among the medium-sized Italian universities. The elements evaluated were: services for students, scholarships, internationalization, university buildings, communication.
INTERNATIONAL RANKINGS

- **QS World University Rankings** 2018: 441-450
  10th among the 30 Italian Universities

- **THE World University Rankings** 2018: 251-300
  5th among the 39 Italian universities

- **THE European Teaching Rankings** 2018: 36
  1st Italian university in the ranking, leading the 25 Italian universities included in the survey.

The survey is based on 4 parameters which measure:
- the student engagement
- the adequacy of universities’ human resources and facilities
- their ability to meet student expectations
- the inclusivity of the teaching and learning environment

Knowledge Transfer

The University of Trento supports the creation of spin-offs and start-ups.
(Since 2007 10 spin-offs have concluded their recognition period, while the remaining 6 are still active)

«Knowtransfer» is the university magazine dedicated to knowledge transfer:
http://knowtransfer.unitn.it
The University of Trento has signed agreements with universities from all over the world to grant students the possibility to further enrich their academic career by spending a study period abroad.

Over 1,000 outgoing students and almost 500 incoming students every year.
International Programmes

150
Bilateral agreements

32

The university library system is organised in 4 different locations. The services are not just limited to accessing items and book borrowing, but also include: referrals, internet access, assistance, photocopying service, new books, acquisition proposals, facilities for sight-disabled users. The central library is open until 11.45 pm during the week.
The Language Centre – CLA organises English, German, French, Spanish, Portuguese, Russian and Chinese courses, as well as courses in Italian as a second language. The courses are held by qualified, native-speaker teachers. Courses are divided into three kinds: extensive and evening courses; extensive blended courses; intensive courses.
The University of Trento is Test Centre for the following international tests:

ECDL European Computer Driving Licence
GMAT Graduate Management Admission Test
TOEFL Test of English as a Foreign Language

and is going to be accredited also for:

IELTS International English Language Testing System
DFP Diplômes de français professionnel
TEF Test d’évaluation de français
GRE Graduate Record Examinations
CELI Certificazione Italiano Generale dell’Università Stranieri di Perugia
Rewarding excellence:
Collegio «Bernardo Clesio»

The hall of residence «Bernardo Clesio» was founded in 2010 in the historical centre of Trento. Selected candidates who gain admission to the Collegio are granted free accommodation for the entire study period, if they continue to meet the required merit criteria. The Collegio offers a dynamic university environment, rich in relations and cultural initiatives.
Leisure time

Trentino offers the ideal natural framework for sports lovers who enjoy the great outdoors: mountaineering, trekking, sailing, as well as skiing in winter. The land is a treasure-trove of arts, history, culture and traditions represented by its monuments, exhibitions and museums (MART and MUSE).
Practising sports at University is not just considered a way to feel good and have fun, but it is also an opportunity to learn and develop research activities. **Uni.Sport**, the University of Trento sports network, organises over **30 courses** in fitness, wellness, individual and team sports, with **competitions** and **events** all year round.
The TOPSport programme is a project started in 2011 for professional athletes, who wish to pursue both a sport and a university career. The programme offers students the appropriate support and a degree of flexibility in their study plans, thus representing an ideal solution designed for students who devote part of their lives to sports.
