1. Object and candidates

The University of Trento is selecting **five** students for the academic year 2022-2023 willing to be admitted to the project FUTURA (Formazione Universitaria per Rifugiati/e e Richiedenti Asilo).

Applications to the selection process are accepted from:

- A. candidates with a stay permit for humanitarian reasons or asylum seekers;
- B. candidates regularly living in Italy;
- C. candidates who hold a high school diploma awarded after 12 years of education (in order to access a Bachelor course);
- D. candidates with a Bachelor's or equivalent study qualification (in order to access a Master's course).

2. Training path

The offered training path is divided in the following phases:

- *Foundation year* starting with the academic year 2022-2023 during which:
 - ❖ candidates will attend Italian language courses and language courses required by the study plan of their academic area of interest offered by Centro Linguistico di Ateneo (University Language Centre);
 - ❖ candidates will attend courses aimed at acquiring digital and IT skills;
 - ❖ candidates will attend preparatory courses in the academic area of interest, if provided by the study plan (such as crash courses);
 - ❖ candidates will attend single courses and take/undertake exams in the study area they are interested in, which will be recognized in the study plan upon enrollment.

Foundation year aims at providing the necessary language, informatic and cultural skills, competences and/or expertise needed in order to pass the compulsory admission test (spring and summer session) for candidates who want to be admitted to a Bachelor's degree course or an Integrated Master's degree course.¹

The acquired skills will in any case be necessary in order to continue the studies for those candidates willing to start the selection process to the Master's degree.

- Three² study years for the Bachelor's degrees or five/six years for the Integrated Master's degree; two study years for the Master's degree; one year for first or second level Professional Masters.³
- An additional year in order to complete the study career.

3. Scholarship and further benefits

The selected students will:

- be fee waived for the attendance of single courses, for the Italian courses attendance (until level B2), for English courses up to the level required by the study plan, as well as for attendance of Degree courses, Integrated Master's degree course, or a Master's Degree course.
- have free board and lodging for the whole project duration⁴.
- receive a scholarship from the University of Trento equal to 1.200 Euro per year, paid out every two months for small personal expenses and the purchase of books.

4. Enrolment renewal

Students can enroll in the next year of the project with consequent renewal of the scholarship only upon earning 35 university training credits (CFU) by the **5th of August** of the academic year in which they are enrolled.

If scholarship can't be renewed because of failure in achieving the required merit, students will in any case be totally exempted from the enrollment fee and university contributions

¹ In case candidates do not pass the entry test it will not be possible to continue with the project nor to enroll at the University of Trento.

² For the admission conditions you will have to refer to the call of the academic year 2023-2024.

³ Kindly be aware that the didactic offer for professional Master changes every academic year.

⁴ If the board and accommodation cost cannot be granted, the University of Trento will provide a scholarship for a maximum annual amount of 3.800 Euro for each student admitted to the project.

only for the following academic year.

5. Additional support measures

For the whole study period the selected candidates:
