

**CORSO DI DOTTORATO DI RICERCA IN FISICA – Ciclo 39  
SECONDO CONCORSO DI AMMISSIONE**

**PhD PROGRAMME IN PHYSICS  
2nd CALL of the 39<sup>th</sup> CYCLE  
ORAL EXAMINATION PROCEDURES**

**CONVOCAZIONI PROVA ORALE / SCHEDULE OF INTERVIEWS**

I colloqui si terranno con modalità a distanza attraverso l'utilizzo di piattaforma zoom con attivazione del video.

I partecipanti verranno identificati attraverso confronto con il documento di identità allegato alla domanda che dovranno comunque mostrare all'atto del riconoscimento.

Il link alla piattaforma verrà comunicato a tutti i partecipanti preliminarmente in modo da garantire la pubblicità della seduta

I candidati che intendono ritirarsi, sono pregati di avvisare tempestivamente la segreteria del dottorato ([phd.physics@unitn.it](mailto:phd.physics@unitn.it)) via email.

I/Le candidati/e che per giustificati motivi non potessero collegarsi nel giorno e orario stabilito sono invitati/e a contattare al più presto la segreteria del dottorato (email: [phd.physics@unitn.it](mailto:phd.physics@unitn.it)) per chiedere un eventuale spostamento.

The interviews will be held remotely through the use of a zoom platform with video audio-activation. Participants will be identified through the comparison with the identity document attached to the application. The same identity document must be also shown by the candidate at the beginning of the interview.

The link to the platform will be communicated to all participants in advance in order to guarantee the publicity of the oral examination session.

Candidates who intend to withdraw are kindly requested to inform the secretariat via email ([phd.physics@unitn.it](mailto:phd.physics@unitn.it)).

Candidates not able to be part in the interview for justifiable reasons at the scheduled date and time are invited to contact the PhD Secretariat (email: [phd.physics@unitn.it](mailto:phd.physics@unitn.it)) at their earliest convenience in order to reschedule it.

## GUIDELINES FOR THE INTERVIEW

### The interview

The interview aims to assess the candidate's scientific qualification and his/her attitude to scientific research, considering research and professional experiences and examining declared accomplishments.

The level of knowledge of English will also be assessed. The candidate must provide a valid ID/passport with photo to be allowed to the interview.

The candidate will have **10 minutes** to present his/her finished or ongoing Master's Thesis work: the presentation shall be comprehensible to non-specialists, including a short introduction on the research subject, and highlighting the candidate's contribution. A brief discussion on possible outlooks or suitable PhD project is also welcome. Questions/discussion will follow.

The Committee will consider changing the schedule for well justified reasons, if communicated with adequate advance notice.

### Presentation

The presentation must be prepared in PDF format, in English, not exceeding 10MB. All candidates must send the presentation via email **by 20 September 2023** to [phd.physics@unitn.it](mailto:phd.physics@unitn.it).

### Reserved Scholarships

The present selection does not include any free scholarships and candidates are strongly invited to get informed about the topics of the scholarships. Please note that two scholarships were added to the call after its publication. The updated list is on the selection website <https://www.unitn.it/en/ateneo/108113/announcement-of-selection-second-call>.

At the beginning of the interview, each applicant has to confirm his/her interest in one or more scholarships. The qualification for the selected scholarship/s will be assessed during the interview.
