

## **Curriculum vitae**

Albrecht Haase          nato 26/06/1974 a Berlino

## **Formazione**

2005          PhD in Physics, University of Heidelberg, Germany

2000          Diploma in Physics, Freie Universität Berlin, Germany

1999 - 2000 External Diploma thesis in the group of Jörg Schmiedmayer/Anton Zeilinger, University of Innsbruck, Austria

## **Carriera accademica**

since 2017 Assistant Professor (RTDb), Department of Physics, University of Trento

since 2013 Member of the Center of Mind/Brain sciences (CIMEC), Responsible of the Laboratory for Neurophysics

2012 – 2017 Assistant Professor (RTDa), Biophysics and Biosignals group, Dept. of Physics, University of Trento

2008 – 2012 PostDoc, Biophysics and Biosignals group of Renzo Antolini, BIOTech, University of Trento

2005 – 2008 PostDoc, Quantum Optics group of Jürgen Eschner at ICFO, Barcelona, Spain

2005          PostDoc, Quantum Optics group of Jörg Schmiedmayer, University of Heidelberg, Germany

## **Pubblicazioni scientifici**

<https://webapps.unitn.it/du/en/Persona/PER0053445/Pubblicazioni>

## **Appartenenza a società**

German Physical Society (DPG)

Italian Physical Society (SIF)

Italian Society of Neuroscience (SINS)

European Chemoreception Research Organization (ECRO)

Federation of European Neuroscience Societies (FENS)

## **Premi e riconoscimenti**

2016          Habilitation in Experimental Physics (FIS/01)

2018          Habilitation in Applied Physics (FIS/07)
