ART. 1 Objectives, object and terms

The overall objective of the project **University Corridors for Refugees - UNICORE 5.0** (Kenya, Mozambique, Niger, Nigeria, South Africa, Uganda, Tanzania, Zambia and Zimbabwe) is to promote the right to higher education for refugees through the establishment of university corridors from Kenya, Mozambique, Niger, Nigeria, South Africa, Uganda, Tanzania, Zambia and Zimbabwe to Italy.

The project is promoted by a consortium of partners:
- United Nations High Commissioner for Refugees (UNHCR)
- Caritas Italy
- Gandhi Charity
- Waldensian Diaconia
- Centro Astalli
- Ministry of Foreign Affairs and International Cooperation (MAECI);
- the Italian universities that signed the National Memorandum of Understanding, thus adhering to the UNICORE project;
- Università per gli stranieri di Perugia;
- Università per gli stranieri di Siena.

The beneficiaries of the Project are holders of international protection residing in Kenya, Mozambique, Niger, Nigeria, South Africa, Uganda, Tanzania, Zambia and Zimbabwe and pre-admitted in one of the degree courses listed in Article 3.1.

The benefits will be awarded for the academic years 2024-2025 and 2025-2026. The merit requirements for confirming and renewing the scholarship are specified in Article 6.

1.1 Local partners

The following local partners support the University of Trento in the Project:
- Centro Astalli Trento- Jesuit Refugee Service;
- Caritas diocesana di Trento;
- Opera Universitaria;
- Gr.I.S. Trentino ODV;
- Local associations.

1.2 Benefits

The selected candidate will be entitled to receive the following benefits:
- full coverage of visa and academic documentation costs (Caritas Italiana);
- full coverage of travel costs (UniTrento);
- fee waiver for the enrolment in a Master’s Degree (UniTrento);
- fee waiver at the University’s Language Centre (CLA) for Italian language courses up to level B2, and English language courses up to the level required by the Master’s Degree study plan (UniTrento);
- accommodation for the entire duration of the project (Centro Astalli Trento);
- two free meals per day in university canteens (Opera Universitaria di Trento);
● a monthly grant of 150.00 euros, paid every two months, to cover small personal expenses and the purchase of books (UniTrento);
● access to dedicated orientation/career guidance services (UniTrento);
● assignment of an academic tutor for support and guidance during the university course (UniTrento);
● psychological support (UniTrento and Centro Astalli Trento);
● legal assistance (Centro Astalli Trento);
● access to sports activities organized by UniTrento Sport (UniTrento);
● access to part-time collaboration activities paid by the University of Trento (UniTrento);
● free annual circulation pass for in-town and out-of-town public transport in the Province of Trento (UniTrento);
● free loan of a laptop computer for the duration of the studies (UniTrento);
● administrative assistance for the application and collection of stay permits and for registering with the Provincial Health Service (UniTrento and local associations and bodies);
● expenditure coverage of the registration fee to the National Health Service (local associations and bodies);
● accompaniment service to national health facilities (Gr.I.S. Trentino ODV);
● reception and inclusion activities on the territory (UniTrento and local associations);
● SIM card and first monthly subscription fee (Caritas Diocesana).

ART. 2 Incompatibility
The UNICORE 5.0 scholarship is incompatible with:
● any type of scholarship or study award, on the basis of merit or income, promoted by the University of Trento;
● scholarships offered by the Ministry of Foreign Affairs and International Cooperation (MAECI);
● scholarships offered by the Conference of Italian University Rectors - CRUI in favor of international protection holders.

ART. 3 Master courses offered in this call and admission requirements
3.1 Degree courses offered
Applications may be submitted for one of the following International Master's Degree Courses at the University of Trento:

● Behavioural and Applied Economics
● International Management
● Sociology and Social Research
● Data Science
● European and International Studies
● Physics
● Computer Science
● Artificial Intelligence Systems
3.2 Admission requirements
The call is open exclusively to candidates that meet the following requirements:
1. are residing in Kenya, Mozambique, Niger, Nigeria, South Africa, Uganda, Tanzania, Zambia and Zimbabwe and have been recognized refugee status in these countries in collaboration with UNHCR;
2. holding a valid qualification for admission to the chosen Master’s Degree;
3. the qualification must have been awarded, no earlier than 2019, in a higher education institution accredited with the Ministry of Education of the Country that issued the qualification and must allow access to a Master's degree course in that Country;
4. have a Grade Point Average (GPA) of at least 3.0 or higher. The conversion from the foreign tertiary education grading system to the Italian system will be done using the appropriate ministerial formula (Annex 2);
5. meet the specific admission requirements of the chosen Master's Degree course (Annex 1);
6. have never been enrolled in a degree program at the University of Trento or any other partner University of the Project.

ART. 4 Selection criteria and application documents
4.1 Requirements of merit
The student is selected on the basis of academic merit. The first evaluation (phase 1) will be carried out by the Admission committee of the Master's degree program selected by the applicant. The top 4 candidates according to the ranking (see Article 5 below) will be shortlisted for an oral interview with a panel of experts appointed by the UniTrento Rector (phase 2).

4.2 Application documents
Candidates are required to submit the following documents using the online application available at this link:
https://universitycorridors.unhcr.it/

1. a copy of a valid Proof of Registration (PoR) Card issued by national authorities in collaboration with the UNHCR;
2. certificate attesting that the qualification required for admission to the Master’s Degree course has been obtained;
3. a list of passed exams with marks (Transcript of Records);
4. certification of English language proficiency when required by the chosen course (see Annex 1);
5. curriculum vitae or motivational letter detailing all experiences that can be useful to evaluate the candidate’s competences.

At this stage, English translations of documents written in languages different than English, French, Spanish, German or Italian may be done directly by the candidate.

4.3 Deadlines and how to apply
Applications must be submitted through the online application link available at paragraph 4.2 from March 1st, 2024 to April 15th, 2024 at 12:00 (noon, UTC+2). If there are any difficulties in completing the application, the candidate can write to refugees@unitn.it with the subject line “CALL UNICORE 6.0.” Each case will be decided individually.

Incomplete applications or incorrectly completed applications will not be considered. Applicants may select only one Master's degree course at the University of Trento and submit applications to a maximum of 2 universities participating in the UNICORE 6.0 project.

ART. 5 Selection process
The selection process is divided into two phases:
- Phase 1: assessment of documentation
- Phase 2: online interview

5.1 Phase 1: assessment of documentation
The Admission committee will assess the documentation received using the following criteria:
- Academic background and GPA (score: 0-20)
- Curriculum Vitae: professional experience and personal skills (score: 0-10)
- Consistency between study path and the degree course chosen (score: 0-10)

At the end of the first assessment a provisional ranking of all applications received ranking candidates from higher to lower score will be used to shortlist the first 4 candidates which will be eligible for the second phase. Candidates receiving a score of less than 25 will not be admitted to phase 2 of the selection process. In the event of a tied score, the youngest candidate takes precedence. Applicants admitted to phase 2 will be notified by e-mail by May 6th 2024. The provisional ranking will also be published at the link https://www.unitn.it/en/equitadiversita/unicore on the page dedicated to the initiative.

5.2 Phase 2: on-line interview
All applicants admitted to the second phase will be interviewed by a board of examiners appointed by the Rector of the University of Trento. The following competences will be assessed in the on-line interview:
- technical skills and knowledge of the subject (0-20);
- English language level (0-10);
- motivation/logical-argumentative skills (0-10).

Candidates receiving a score of less than 25 in phase 2 will not be considered eligible.
The interviews will take place in May 2024 remotely via an online platform, to be announced.

The day and time of the interview will be notified by e-mail directly to the candidates, as well as published on https://www.unitn.it/en/equitadiversita/unicore on the page dedicated to the initiative. During the online interview, candidates are requested to bring the Ration Card Number or the PoR card used during the online application. A third party must be present to identify the candidate. Interviews will be graded on a scale of 40 points.

5.3 Formulation and approval of the final ranking list
The final ranking will be drawn up by the Admission committee, and will represent the sum of the results obtained in the two selection Phases. Candidates scoring less than 50/80 total at the end of the second phase will not be considered eligible. Candidates will be ranked from higher to lower score. In the event of a tied score, the youngest candidate takes precedence.

The final ranking list will be approved by Rectoral Decree. The selected student will be notified by e-mail by June 3rd 2024, and the final ranking will be published at https://www.unitn.it/en/equitadiversita/unicore on the page dedicated to the initiative and on www.universitycorridors.unhcr.it.

5.4 Acceptance
The selected student must accept the scholarship by replying to the University's notification by e-mail, writing to refugees@unitn.it. Failure to reply within 7 days from the notification e-mail will be considered as an official withdrawal from the programme and the scholarship. By accepting the grant, the applicant approves without reservation the benefits offered by the UNICORE 6.0 Project under the conditions indicated in this call and declares under their own responsibility that they do not fall under any of the incompatibility conditions listed in article 2 of this call for applications.

5.5 Transfer preparation
In view of the transfer to Italy, it will be the responsibility of the scholarship holder to maintain contact with the project referents on site and with the University. They will also be required to attend an introduction course to the Italian language and other activities inductive to the arrival in Italy and their integration into the Italian University system, on pain of revocation of the scholarship.

5.6 Assignment of available places
If the successful candidate withdraws from the programme by June 10th 2024, the University will award the scholarship to the next eligible candidate by June 17th 2024.

In case of vacancies at the end of the process, the University of Trento reserves the right to look for a suitable candidate within the ranking lists of the Partner Universities of UNICORE 6.0. The identified candidate must meet the specific requirements of the degree courses at the University of Trento.

ART. 6 Requirements for confirming the scholarship
In order to obtain the confirmation of the scholarship for the second academic year,
students must achieve at least 30 credits (CFU) by **5th August 2025**.
In order to continue receiving the benefits, students will have to achieve at least 60 university credits (CFUs) by **5th August 2026**.
Students must graduate within the last available session of their cohort, i.e. March 2027.

**ART. 7 Withdrawal**
Selected students that withdraw from the degree programme during their studies will automatically lose all benefits of the scholarship and their stay permit for study purposes.

**ART. 8 Treatment of personal data**

1. Il Regolamento UE 2016/679 “Regolamento Generale sulla protezione dei dati personali” (d’ora in avanti “GDPR”) sancisce il diritto di ogni persona alla protezione dei dati di carattere personale che la riguardano. Ai sensi dell’art. 13 del Regolamento UE 2016/679 “Regolamento Generale sulla protezione dei dati personali” (GDPR) l’Università tratterà i Suoi dati personali nell’ambito delle proprie finalità istituzionali esclusivamente per lo svolgimento della presente procedura di selezione nonché per l’adempimento di obblighi di legge (art. 6, paragrafo 1, lett. e), c) del GDPR). Il trattamento dei dati particolari è effettuato sulla base dell’art. 9 par. 2 lett. g) GDPR nonché dell’art 2 sexies co. 2 lett. e) e bb) del Dlgs. n. 196/2003.
2. Il Titolare del trattamento è l’Università degli Studi di Trento, via Calepina n. 14, 38122 Trento (TN), email: ateneo@unitn.it; pec: ateneo@pec.unitn.it. Il Responsabile della protezione dati (c.d. Data Protection Officer) può essere contattato al seguente indirizzo email: rpd@unitn.it.
3. Il trattamento dei dati personali sarà effettuato con modalità cartacea e/o informatizzata esclusivamente da parte di personale autorizzato al trattamento dei dati in relazione ai compiti e alle mansioni assegnate e nel rispetto dei principi di liceità, correttezza, trasparenza, adeguatezza, pertinenza e necessità.
4. I dati saranno comunicati al personale delle strutture di Ateneo appositamente autorizzato al trattamento e ad eventuali soggetti esterni nominati responsabili del trattamento ai sensi dell’art. 28 del GDPR. Al di fuori di questi casi, i dati personali potranno essere comunicati a soggetti terzi solo in caso di adempimento di un obbligo di legge e/o di un provvedimento dell’Autorità giudiziaria. I dati non saranno oggetto di trasferimento in Paesi extra Ue.
5. Il conferimento dei dati personali è indispensabile per lo svolgimento della presente procedura e il mancato conferimento preclude la partecipazione alla procedura stessa.
6. I dati saranno conservati per il periodo necessario allo svolgimento della procedura e all’espletamento di tutti gli adempimenti di legge.
7. In ogni momento potranno essere esercitati nei confronti del Titolare i diritti di cui agli artt. 15 e ss. del GDPR e, in particolare, l’accesso ai
propri dati personali, la rettifica, l'integrazione, la cancellazione, la
limitazione nonché il diritto di opporsi al trattamento. Resta salvo il diritto
di proporre reclamo al Garante per la protezione dei dati personali
ai sensi dell’art. 77 del GDPR o di adire le opportune sedi giudiziarie.

ART. 9 Final provisions
For information on how to enter the selection, the procedure, deadlines, submission
of applications and publication of the rankings, please contact refugees@unitn.it.

</tbody>
</table>
certificatory entity or a university institute;
- self-declaration stating that the Bachelor's or Master's degree was achieved, proving the degree had been officially taught in English;
- self-declaration to be a citizen of an English-speaking country;
- self-declaration to have passed an English Language test, at least B2 level, during the Bachelor's degree.

Applicants who can't attest the requested knowledge of English language by the application deadline, can apply providing that they'll obtain the level by 31 October 2023 (credits can be acquired through exams, certificates or one of the tests organized by UniTrento Language Centre).

Students who do not fulfill the language requirement, can also sit an English language test offered by the University of Trento.

### Academic requisites

A three or four years Bachelor's degree obtained **before 30th June 2023**.

### Master's Degree in European and international studies (MEIS) - LM52

[https://international.unitn.it/meis](https://international.unitn.it/meis)

### Language requisites

To participate in the selection procedure it is necessary to have one of the following international language certificates:

- IELTS: overall score of 6.0 (no skill lower than 6.0);
- IELTS: overall score of 6.5 (maximum one skill between 5.5 and 6.0);
- TOEFL internet-based (or equivalent TOEFL paper based and computer based): minimum total score of 88 (no skill lower than 22);
- TOEFL internet-based (or equivalent TOEFL paper based and computer based): minimum total score of 90 (maximum one skill between 20 and 22);
- Cambridge C1 Advanced (CAE): minimum total score of 180 (no skill under 176);
- Cambridge C2 Proficiency (CPE).
### Academic requisites

- **A Bachelor's or higher degree** from an internationally recognized institution at university level include the equivalent of at least 60 credits from at least two of the following disciplinary areas: History and Philosophy, Economics, Law, Political Science, Sociology or Foreign Languages;
- A personal background with suitable professional vocational and academic experience appropriate to the interdisciplinary nature of the degree course.

### Master's Degree in Physics - LM17

[https://international.unitn.it/master-physics](https://international.unitn.it/master-physics)

### Language requisites

Have a **minimum intermediate level of English (Level B2)**, that can be attested through:
- according to the Common European Framework of Reference for Languages (CEFR), proved by one of the English language certifications (please check the [CLA website](https://international.unitn.it/master-physics));
- Applicants who graduated with a Bachelor's degree awarded by any internationally recognized university whose official teaching language is English have to submit a written statement issued by their university stating that English is the official teaching language;
- **Citizens from an English-speaking country** and/or who have graduated in an English-speaking country do not have to submit any English language certificates, but only a declaration of their status in the application on line.

### Academic requisites

Have a **Bachelor's degree in Physics or in any Physics-related field** awarded by any internationally recognized university, along with a corresponding study plan as indicated in the Didactic Regulation, obtained before **30th June 2023**.

### Master’s Degree in Computer science - LM18

[https://international.unitn.it/ict-mcs](https://international.unitn.it/ict-mcs)

### Language requisites

Good knowledge of the English language, at least **B2 level** of the Common European Framework of Reference for Languages attested as follows:
- International Certifications;
- having passed the B2 English language exam or higher in another University;
- Bachelor Degree entirely run in English (to be certified);
- Holding the citizenship of a country whose official language is English.

### Academic requisites

A bachelor's or higher degree obtained before 30th June 2023 recognised as equivalent to an Italian one by the selection committee according to the master regulations. The selection is subordinated to the evaluation of the study plan from their Bachelor’s Degree, which should be associable to the specific thematic areas considered necessary to be admitted to the Master’s Degree in Computer Science.

### Artificial intelligence systems - LM32

[https://international.unitn.it/ict/master-in-artificial-intelligence-systems](https://international.unitn.it/ict/master-in-artificial-intelligence-systems)

### Language requisites

Have a minimum intermediate level of English (Level B2), according to the Common European Framework of Reference for Languages (CEFR), attested as follows:
- proved by one of the English language certifications or registered in the study plan of the bachelor programme;
- Applicants who graduated with a Bachelor’s degree awarded by any internationally recognized university whose official teaching language is English have to submit a written statement issued by their university stating that English is the official teaching language;
- Citizens from an English-speaking country do not have to submit any English language certificates, but only a self-declaration of their status.

### Academic requisites

Have a Bachelor's degree in one of these related disciplines: Information Engineering L-8 (9), Industrial Engineering - L-9 (10), Computer Science L-31 (26) and to have completed in the their first-level degree at least 12 credits in the sectors informatic or informatic engineering. Or to hold a first-level university degree in other classes of related disciplines which includes a minimum level of CFU in specific scientific sectors that will be checked on the the basis of the contents of each single course.

### Materials Engineering - LM22

[https://international.unitn.it/mastermat](https://international.unitn.it/mastermat)
### Language requisites

Have a **minimum intermediate level of English (Level B2)**, according to the Common European Framework of Reference for Languages (CEFR), proved by one of the English language certifications. Applicants who graduated with a Bachelor's degree awarded by **any internationally recognized university** whose official teaching language is English have to submit a written statement issued by their university stating that English is the official teaching language. **Citizens from an English-speaking country** and/or who have graduated in an English-speaking country do not have to submit any English language certificates, but only a self-declaration of their status.

### Academic requisites

Have a **Bachelor's degree** in any discipline of Industrial Engineering (e.g. Materials, Chemical, Mechanical, Electric Engineering) or in any Industrial Engineering-related field awarded by any internationally recognized university, along with a corresponding study plan which proves acquired basic knowledge and competencies in Mathematics, Physics, Chemistry and Industrial Engineering. The degree must be obtained **before 30th June 2023**.

### Mechatronics engineering - LM33

[https://international.unitn.it/mastermech](https://international.unitn.it/mastermech)

---

### Language requisites

Have a **minimum intermediate level of English (Level B2)**, according to the Common European Framework of Reference for Languages (CEFR), proved by one of the English language certifications. Applicants who graduated with a Bachelor's degree awarded by **any internationally recognized university** whose official teaching language is English have to submit a written statement issued by their university stating that English is the official teaching language. **Citizens from an English-speaking country** and/or who have graduated in an English-speaking country do not have to submit any English language certificates, but only a self-declaration of their status.

### Academic requisites

Have a **Bachelor's degree in any discipline of Industrial Engineering** (e.g. Mechanical, Mechatronics, Chemical, Materials Engineering), or Electronic Engineering (e.g. Electronic, Control, Automation Engineering), or in any Industrial Engineering-related field awarded by any internationally recognized university, along with a corresponding study plan which proves acquired basic knowledge and competencies in Mathematics and Physics.

#### Language requisites

Have a **minimum intermediate level of English (Level B2 - reading, listening, writing and speaking)**, according to the Common European Framework of Reference for Languages (CEFR), attested as follows:

- Proved by an the **English language certifications** or registered in the study plan of the bachelor programme (level must be specified in the study plan and 4 skills must be tested);
- Applicants who graduated with a Bachelor's degree
### Academic requisites

To have a **Bachelor’s degree** study plan and/or a curriculum studiorum including knowledge and competences in informatics, mathematics, physics, chemistry and biology. The degree must be obtained **before 30th June 2023**.

### Language requisites

Have a minimum intermediate level of English (**Level B2**), attested as follows:

- Provide an **official English language certificate** (please check the recognized certificates at [this page](https://international.unitn.it/mhci));
- English is your mother tongue (please submit a self-declaration along with your application);
- The course of your previous/current degree has been entirely held in English and awarded in one of the following countries: USA, UK, Australia, New Zealand, Ireland, South Africa and Canada;
- You have passed a **University exam** or test for the English Language at least at B2 level (please attach a certificate or University transcript).

### Cognitive science - LM55

[https://international.unitn.it/mcs](https://international.unitn.it/mcs)

### Academic requisites

A **Bachelor’s degree** (at least three years) awarded by an internationally recognized university-level institution is the minimum requirement in order to apply. The degree must be obtained **before 30th June 2023**.

In addition, you are required to inform us about the single courses you passed in your previous and/or actual degree, providing a list with the title and grade of each exam, and final mark (i.e. **University transcripts**).

### Language requisites

Have a minimum intermediate level of English (**Level B2**), attested as follows:

- Upload an **official certification**. Please read carefully the guidelines set out by the Language Centre of the
**Academic requisites**

A Bachelor’s degree (at least three years) awarded by an internationally recognized university-level institution is the minimum requirement in order to apply. The degree must be obtained **before 30th June 2023.**

You are required to inform us about the courses you passed in your previous and/or actual degree, providing a list with the name and grade of each course/ exam, and final mark.

**Language requisites**

Have proof of **English** language knowledge at least at **level B2** (Common European Framework of Reference).

**Academic requisites**

To have a Bachelor’s university degree, or another qualification obtained abroad and recognized as valid, belonging to the following classes:

- L- 25 Agricultural and forestry sciences and technologies;
- L- 26 Food sciences and technologies.

Or if the Bachelor degree is different from the ones listed above, the Admission Committee will evaluate if the study plan of the Bachelor Degree meets the admission requirements.
Annex 2 – GPA CONVERSION

Allegato 5 – Tabella di conversione dei Titoli stranieri

Valutazione esami

I candidati che hanno conseguito esami di laurea in una Università straniera hanno a disposizione sul sito http://www.university.it/ un sistema di conversione dei voti ottenuti sulla base della seguente formula:

\[
V = \frac{V - V_{\text{min}}}{V_{\text{max}} - V_{\text{min}}} \times (I_{\text{max}} - I_{\text{min}}) + I_{\text{min}}
\]

- \( V = \) Voto da convertire
- \( V_{\text{min}} = \) Voto minimo per la sufficienza nell’Università di provenienza
- \( V_{\text{max}} = \) Voto massimo nell’Università di provenienza
- \( I_{\text{min}} = \) Voto minimo per la sufficienza nelle Università Italiane (= 18/30)
- \( I_{\text{max}} = \) Voto massimo nelle Università Italiane (= 30/30)

Per le valutazioni su scala qualitativa si è riferimento alla seguente scala di conversione:

<table>
<thead>
<tr>
<th>Valutazione da convertire</th>
<th>Voto</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>30</td>
</tr>
<tr>
<td>B</td>
<td>28</td>
</tr>
<tr>
<td>C</td>
<td>26</td>
</tr>
<tr>
<td>D</td>
<td>23</td>
</tr>
<tr>
<td>E</td>
<td>18</td>
</tr>
</tbody>
</table>

Valutazione voto di laurea

I candidati che hanno conseguito la laurea in una Università straniera hanno a disposizione sul sito http://www.university.it/ un sistema di conversione dei voti ottenuti sulla base della seguente formula:

\[
V = \frac{V - V_{\text{min}}}{V_{\text{max}} - V_{\text{min}}} \times (I_{\text{max}} - I_{\text{min}}) + I_{\text{min}}
\]

- \( V = \) Voto da convertire
- \( V_{\text{min}} = \) Voto minimo per la sufficienza nell’Università di provenienza
- \( V_{\text{max}} = \) Voto massimo nell’Università di provenienza
- \( I_{\text{min}} = \) Voto minimo per la sufficienza nelle Università Italiane (= 66/110)
- \( I_{\text{max}} = \) Voto massimo nelle Università Italiane (= 110/110)

Per le valutazioni su scala qualitativa si è riferimento alla seguente scala di conversione:

<table>
<thead>
<tr>
<th>Valutazione da convertire</th>
<th>Punteggio</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>2 punti</td>
</tr>
<tr>
<td>B</td>
<td>1,5 punti</td>
</tr>
<tr>
<td>C</td>
<td>1 punto</td>
</tr>
<tr>
<td>D</td>
<td>0,5 punti</td>
</tr>
</tbody>
</table>

Nel caso in cui i candidati siano in possesso di Titoli con valutazioni non convertibili ai sensi di quanto sopra indicato, la Commissione nazionale attribuirà il Punteggio valutando i singoli titoli presentati.
Italian Ministry of Education, University and Research
Annex 5 – Conversion table for foreign titles

Evaluation of exam grades

Candidates who hold a title conferred by a foreign University can refer to the conversion system available on the website www.universitaly.it. The conversion system is based on the following mathematical formula:

\[
\text{GRADE: } G = \frac{G_{\text{min}}}{G_{\text{max}}} \times (I_{\text{max}} - I_{\text{min}}) + I_{\text{min}}
\]

Where:
- \(G\): grade to be converted
- \(G_{\text{min}}\): Minimum passing grade in the foreign grading system
- \(G_{\text{max}}\): Maximum grade in the foreign grading system
- \(I_{\text{min}}\): Minimum passing grade for the Italian grading system (18/30)
- \(I_{\text{max}}\): Maximum grade in the Italian grading system (30/30)

For qualitative grades the following table is used:
- A = 30
- B = 28
- C = 26
- D = 23
- E = 18

Evaluation of graduation grade

Candidates who hold a title conferred by a foreign University can refer to the conversion system available on the website www.universitaly.it. The conversion system is based on the following mathematical formula:

\[
\text{GRADE: } G = \frac{G_{\text{min}}}{G_{\text{max}}} \times (I_{\text{max}} - I_{\text{min}}) + I_{\text{min}}
\]

Where:
- \(G\): grade to be converted
- \(G_{\text{min}}\): Minimum passing grade in the foreign grading system
- \(G_{\text{max}}\): Maximum grade in the foreign grading system
- \(I_{\text{min}}\): Minimum passing grade for the Italian grading system (66/110)
- \(I_{\text{max}}\): Maximum grade in the Italian grading system (110/110)

For qualitative grades the following table is used:
- A = 2 points
- B = 1,5 points
- C = 1 point
- D = 0,5 points
When the candidates hold a title with a grade that cannot be converted according to the aforementioned criteria, the national Commission will assign the Points after an evaluation of each title submitted.
