Further positions with scholarships or other forms of financial support may be added after the publication of this call and till August 29, 2017. All the new positions will be published exclusively on the selection website.

Important notice:

- All selection results (interim and final), as well as the possible exclusion from the selection due to incomplete application and/or unsuitable foreign qualification title, will be published only on the selection webpage; the candidates will be identified through **the application ID**. The publication on the website is must be considered as official notification and applicants will not receive any personal communication.
- Any possible notification related to the competition will be managed via e-mail to the email address specified by the candidate in the application online in the section "Email address for notification". Candidates must check their e-mail account regularly and promptly notify the Doctorate Office - Science and Technology (phd.office-st@unitn.it) in case of any change.

1. Applications for doctoral positions are accepted from Italian as well as foreign applicants, regardless of gender and age, provided their eligibility by possessing:
 - a. an Italian “Laurea Magistrale”, according to the Ministerial Decree no. 270 of 22.10.2004 and subsequent amendments, or
 - b. an equivalent Italian university degree (previous regulations in force, “Laurea specialistica”, AFAM), or
 - c. an equivalent foreign degree (*Master’s degree*) obtained at an officially acknowledged academic institution, valid for admission to PhD studies in the Country of issue and similar (duration and level) to the Italian degree, recognized as equivalent² by the Admissions Committee for the sole purpose of accessing the Phd Programme.
Degrees in scientific and technological areas will be given priority.
2. Applications of students expecting to obtain the required degree **by October 31, 2017 are also accepted**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **no later than November 6, 2017**; failure to comply will result in exclusion from the competition.
3. Applicants with a foreign qualification who do not have a legally recognized title equivalent³ to an Italian degree (*Laurea Magistrale/Specialistica/vecchio ordinamento*) will access the selection conditionally and their title equivalence will be evaluated by the Selection Committee. In this case the applicant is requested to attach the necessary supporting documents. The Admissions Committee may require the applicants to provide additional documentation in order to assess their eligibility. The ID list of applications whose foreign academic qualifications have been considered as not eligible for admission to the selection will be published on the webpage of the admission procedure.

Art. 3 – APPLICATION PROCEDURE

The application must be **completed and submitted by August 29, 2017 at 16:00 PM Italian time (GMT +2), exclusively through the online system:** <http://www.unitn.it/en/apply/dott>.

Candidates who do not have an account at the University of Trento must register⁴ in advance at: <http://www.unitn.it/account>.

For the application is required a non-refundable payment of € 15 which can be paid by credit card according to the instructions given in the appropriate section of the online application.

The application online can be saved and modified several times until the final submission. However, after the final submission it can no longer be modified.

It is the sole responsibility of the applicant to verify the correct submission of the application and to check the receipt of the official notification of the closed application procedure.. The University refuses any liability for all applications not properly submitted by candidates.

When filling out the application online applicants must choose which curriculum/a they want to be evaluated for, specifying the order of preference. If a candidate is ranked in more than one curriculum, he/she will be enrolled in the curriculum that was marked as first choice in her/his application online.

Applicants must attach a research proposal/s coherent with the curriculum/a chosen. After the assessment of all candidates, the committee may review the position of those who could not access any of the chosen curricula, by placing them in the ranking/s of other curriculum/a even if not chosen during the application.

The online application is considered to be a self-declaration of personal data and qualifications with full legal effect.

MANDATORY ATTACHMENTS (failure to upload one or more mandatory attachments results in automatic exclusion from the selection⁵)

²The foreign title will be evaluated by the Selection Committee based on the current legislation and the international agreement related to titles recognition. For further info, please visit: <http://www.study-in-italy.it/study/new-degrees.html>

⁴ Candidates are advised to register well in advance respect to the deadline because the issue of username and password, necessary to access UNITN's online services, may require up to 2 working days.

⁵ The list of candidates excluded due to incomplete application and identified by the application ID will be published on the selection website.

1) Identifying document (ID):

- A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting his/her photograph, personal data, number, place and date of issue, expiry date and signature;

2) Academic certificate:

- **Italian qualification:**

already obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possession of a degree with examinations taken, grades and credits obtained, by using Annex A (graduates from the University of Trento may only declare the place and the date of award as the other information will be collected ex officio);

to be obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring examinations taken, grades, credits obtained and the possible awarding date, by using Annex A (future graduate of the University of Trento may only declare the place and the foreseen date of awarding as the other information will be collected ex officio);

- **foreign qualification⁶:**

already obtained: copy of the academic certificate (necessary for accessing the doctoral studies) accompanied by a list of exams with their credits and grades and, if available, the Diploma Supplement⁷/Transcript of Records or Declaration of value⁸ or Rector's Decree of Equivalence⁹;

to be obtained:

- a certificate of enrolment with a list of the examinations successfully passed and marks and credits obtained in each examination;
- a statement declaring that the student will complete his/her degree by October 31, 2017 including the Institution and the official duration of the course.

3) Summary of the degree thesis written in English explaining the reasons for the choice of the subject, the research methodology and the results obtained (maximum 2 pages);

4) Curriculum vitae et studiorum preferably on the basis of the Europass template: <http://europass.cedefop.europa.eu/en/documents/curriculum-vitae>;

5) description of the research proposal and statement of purpose in English (maximum 3 pages) relative to the research areas of the PhD Program in Civil, Environmental and Mechanical Engineering. A list of research topics, that can be useful as a reference for the project, will be published on the website: <http://www.unitn.it/en/ateneo/1954/announcement-of-selection>. Applicants wishing to participate in one or more reserved scholarships must attach a file containing the specific project. For any scholarships on reserved topics that will be available after the deadline of this call, see art. 4. **The candidates awarded a scholarship on a specific reserved topic must accept it otherwise they will be excluded.**

6. OPTIONAL ATTACHMENTS:

- list of scientific research outputs;
- any certificates attesting the knowledge of foreign languages;
- any other documents useful to assess the research skills of the applicant (prizes, scholarships, post-graduate research and work activity, etc.)
- up to two names of referees working at universities or national and international research institutions, with details of their e-mail addresses¹⁰.

⁶ It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable with the Italian one. EU candidates who have obtained or will obtain the qualification abroad can submit a self-declaration (see facsimile in Annex A)

⁷ The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and a promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that issued the qualification Further information at: http://ec.europa.eu/education/lifelong-learning-policy/doc1239_en.htm

⁸ <http://www.cimea.it/en/servizi/procedure-di-riconoscimento-dei-titoli/glossario.aspx>

⁹ The deliver of Diploma Supplement/Transcript of Records, Declaration of value or Rector's Decree of Equivalence will be mandatory during the enrolment procedure.

¹⁰ A lack of reference letters is not a cause for exclusion from the selection procedure.

The University will accept any additional documents to the submitted application only if sent by email to ateneo@unitn.it (**Subject:** "Application ID number- candidate's Surname and Name - Doctorate in Civil, Environmental and Mechanical Engineering – 33° cycle - Supplement to application") **by August 29, 2017 at 16:00 PM Italian time. Additional documents submitted by other means will be disregarded.**

Only documents in English and Italian will be taken into consideration for the selection by the Admissions Committee; for all other languages it is compulsory to attach a translation into English signed by the candidate. The attachments required at points 3 and 5 must be submitted in English by all applicants.

All applicants are admitted to the selection procedure conditionally upon ascertainment that they fulfill the admission requirements. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of candidates lacking the requirements specified in the present call.

Art. 4 – EVALUATION PROCEDURE

1. The evaluations for enrolment to the PhD Programme is made by an Admissions Committee appointed by the Rector upon advice of the Doctoral Committee, in accordance with the University doctoral regulations. The Admissions Committee sets the evaluation criteria during meetings preliminary to the selection.
2. The admission to the Doctoral Programme is based upon a comparative evaluation of the candidates' expertise, knowledge and scientific research attitude with specific focus on the curriculum/a chosen in the Application online.
The selection is made on the basis of the assessment of qualifications (listed in previous art. 3). The Admissions Committee may contact the applicant for an in-depth interview or a video-interview concerning the material submitted. This interview will not entail additional points. Interviews will be held from September 11, 2017. Applicants are requested to report a valid Skype contact in the online application in order to be called.
3. Applicants who are interested in applying also for scholarships on specific research subject (reserved scholarships) must specify it in the online procedure. Candidates, who will have sent the application by the deadline, may also opt for any scholarships on reserved topics that will be available after the deadline of this call. These scholarships will be published on the selection website together with the instructions on how to access the online system that will be only available from August 30 till September 4, 2017, 12.00 PM (GMT +2) Italian time. Competences on the specific subjects of the reserved scholarships or fellowships will be assessed during the evaluation process by the Admissions Committee based on the research projects submitted.
IMPORTANT NOTICE: the candidate's decision to compete also for the reserved scholarships implies her/his preference to be evaluated and ranked on that specific scholarship with respect to the others.
4. The Admissions Committee can assign each candidate a total score of 100 as follows:
 - 30 for the assessment of qualifications and curriculum vitae;
 - 60 for the assessment of research proposal and statement of purpose.
 - 10 for the assessment of the summary of the degree thesis.
5. Candidates obtaining a minimum score of 60/100 will be short-listed.
6. The assessment of qualifications will take place at the Department of Civil, Environmental and Mechanical Engineering, Via Mesiano, 77 – 38123 TRENTO from **September 11, 2017**.

Art. 5 – RANKING

1. At the end of the selection procedure the Admissions Committee will draw up one ranking list for each curriculum.
 2. Scholarships are assigned to short-listed applicants according to:
 - a) the position in the ranking list;
 - b) for reserved scholarships, applicant's suitability for that specific scholarship.
-

3. The non-allocation of scholarships on reserved topics will result in the reduction of the available positions.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ENROLMENT

1. Applicants are admitted to the Doctoral Programme according to their position in the final rankings until all available positions in each curriculum have been filled. If a candidate is chosen in more than one curriculum, he is enrolled in the curriculum that he selected as first choice in the application online and deleted from the other ranking/s. The applicant who has been awarded a scholarship on a specific reserved topic must accept it. The renunciation of the reserved scholarship implies the applicant's exclusion from enrolment in the PhD Programme.
2. Should two candidates obtain the same score, as regards the awarding of the scholarship, the candidates' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations.
3. Admitted applicants must enrol following the instructions at <http://www.unitn.it/en/ateneo/1928/enrollment-1-2-3-year>:
 - **within 8 days** starting from the day following publication of the final rankings on the Selection website for **positions with scholarships**;
 - **within 14 days** starting from the day following publication of the final rankings on the Selection website for **positions without scholarships**.

N.B.! Admitted applicants with a foreign qualification must deliver the Diploma Supplement (qualifications obtained in countries of the European Research Area) or the Declaration of value together with the copy of the final Diploma with a complete transcript of records, translated and authenticated by the Italian diplomatic representatives in the Country of issue; if these documents are not available at the time of the acceptance of the position, they must be delivered **by November 6, 2017**. The Declaration of Value may be replaced by a certificate issued by ENIC-NARIC¹¹ centers containing all the information necessary for the assessment of the qualification. The non-delivery may result in the exclusion from the Doctorate.

4. The enrolment must include the payment of stamp duty and, where applicable, the payment of the "provincial tax for the right to higher education" - TDS¹². At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not enrol by the above-mentioned deadlines will lose their right to enrol, and their position will be offered to the next applicants on the relevant ranking list.
6. If a successful applicant withdraws before the beginning of the PhD Programme (November 1, 2017), the next applicant on the same ranking list will be offered the place. The latter must submit his/her enrolment **within 4 days** starting from the day in which the communication from the Doctorate Office S&T was sent.
7. If a successful applicant withdraws or is excluded during the first quarter of the first year (three months), the Doctoral Committee may decide to fill the vacancy with the next applicant on the reference list.

Art. 7 – SUPERNUMERARY POSITIONS

1. According to art. 20, par. 3 of the University Regulations for Doctoral Programmes, no more than **4** supernumerary applicants may be admitted without scholarships paid by the University, after passing the selection procedure, if they fall within one of the following categories:
 - a) shortlisted foreign candidates who are granted scholarships by other entities;
 - b) shortlisted candidates from countries with which a specific inter-governmental agreement has been signed, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;

¹¹ Enic-naric website: <http://www.enic-naric.net/>

¹² Note that the total amount of the TDS + stamp duty must be paid only by credit card following the instructions. Page <http://www.unitn.it/en/ateneo/1931/education-tax-tds-and-revenue-stam> provides information on exemption from the TDS.

- c) research fellows (*Assegnisti di ricerca*) whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the PhD Programme; such relevance has to be determined by the Doctoral Programme Committee;
 - d) Italian civil servants or under Italian public law regime. Admission is subject to placement on leave under Art. 2 of the Law of 13.08.1984 no. 476 and subsequent amendments.
2. Short-listed applicants who wish to be considered for supernumerary positions shall submit the documentation proving their status via e-mail to phd.office-st@unitn.it, **within 8 days starting** from the day following publication of the ranking lists. Supernumerary admission is disposed within the limit of the number of supernumerary positions listed in par. 1.
 3. After verification of the documents referred to in par. 2, applicants admitted to supernumerary positions will receive an email notification from the Doctorate Office S&T (phd.office-st@unitn.it) and must deliver their acceptance within the deadline specified in the email text itself.
 4. Further positions with respect to the quota specified in par. 1 might be added for any candidate selected by Specific admission committees related to international mobility programmes in which the University of Trento participates.

Art. 8 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and suc. Mod.), Intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or bodies involved.

Art. 9 – PERSONAL DATA

1. The University of Trento, abiding by Legislative Decree 196/2003 and subsequent amendments, shall use the personal data of the applicants only for the purpose of the selection procedures and for institutional reasons.
2. Participation in the present selection entails, in observance of the above-mentioned law, that the applicant allows the University of Trento to publish his/her personal data concerning the results of the selection procedure on the University website.
3. Data are treated by the University of Trento, via Calepina, 14 – 38122 Trento (Italy).

Art. 10 – REFERRAL RULES

1. For matters not explicitly mentioned in the present call, refer to Law no. 398 of 30.11.1989, art. 4 of Law no. 210 of 3.07.1998 as amended by art.19, par. 1, of the Law no. 240 of 30.12.2010, to Ministerial Decree no. 45 of 08.02.2013 and to the University Regulations for Doctoral Programmes issued with the Rector's Decree no. 383 of 04.07.2013 and subsequent amendments, to the Code of Ethics of the University of Trento, to the Internal Regulations in force of the Doctoral School in Civil, Environmental and Mechanical Engineering, and to the other relevant provisions contained in the current legislation.
2. This call, accompanied by its translation into English, is published on the University website, on the website of the Italian Ministry of Education and on Euraxess. Any changes or additions to the call will be made available only on the selection website specified in art. 1.
