

CURRICULUM VITAE

Personal Data:

Date of Birth: 19.02.1968

Place of Birth: Varese, Italy

Nationality: Italian

Marital status: Married, 2 children.

Email: paolo.macchi@unitn.it

Phone: +39 0461 283819 (Office)

+39 0461 283095 (Lab)

Fax: +39 0461 283937

Web: <http://www.cibio.unitn.it/108/laboratory-of-molecular-and-cellular-neurobiology>

Address: Centre for Integrative Biology (CIBIO), University of Trento
via Sommarive 9, 38123, Trento, Italy.

Career History

2015: Full professor of Molecular Biology

Deputy director of CIBIO – Centre for Integrative Biology

2013: Italian Habilitation for Full Professor in

- Molecular Biology (05/E2)

- Comparative Anatomy and Cytology (05/B2)

2011- present: Rector Delegate for the coordination of the initiatives in support of the disabled students.

2010-2011: delegate for the disabled students for the Faculty of Sciences.

2009-present: director of the PhD Program in Biomolecular Sciences, University of Trento.

2008-2015: Associate Professor of Molecular Biology, University of Trento.

Principal Investigator of the Molecular and Cellular Neurobiology (CIBIO).

2007: Visiting Professor, University of Trento.

Centre for Brain Research, Division of Neuronal Cell Biology, Medical University of Vienna, Austria (2005-2007)

11th December 2007: *Habilitation in Neuroscience*, obtained at the Medical University of Vienna.

2005-2007: Independent Group Leader, Center for Brain Research, Division of Neuronal Cell Biology, Medical University of Vienna (Austria).

Max Planck Institute for Developmental Biology, Tübingen, Germany (1996-2005)

1999-2005:

Research Associate in the lab of Prof. Michael Kiebler, Max Planck Institute (MPI) for Developmental Biology, Tübingen.

1996-1999:

Post-doc. Italian Telethon fellow, MPI for Developmental Biology, Tübingen. Laboratory of Prof. Friedrich Bonhoeffer.

CNR-ITBA (National Institute of Advanced Biomedical Technologies), Milan (1993-1996)

PhD in the Molecular Biology Laboratory.

PhD title awarded by University of Tübingen.

University of Milan (1987-1993)

1993:

Italian M.Sc. degree “Laurea in Scienze biologiche”. Department of Biochemistry and Physiology, University of Milano. Supervisor: Prof. Giuliano Meyer. Final score: 110/110 *cum Laude*.

1987-1991: studies of Biology, University of Milano

Memberships

2013-present: Member of the Executive Committee of SIBBM (Società Italiana di Biofisica e Biologia Molecolare)

2008- present: Member of SIBBM (Italian Society of Biophysics and Molecular Biology).

2003-2006: Member of the American Society for Neuroscience.

Teaching

University of Trento, Trento, Italy

Medical University of Vienna and University of Vienna, Austria (2005-2007)

Max-Planck-Institute for Developmental Biology, Tübingen, Germany (2001-2005)

Graduate School of Neural Sciences and Behavioral Sciences, University of Tübingen, Germany (October 2002-2004)

Recent seminars and side teaching activities

Regular teaching and seminars activity at various research centers and PhD Schools in Italy and abroad.

Publications

Author of more than 50 publications in peer reviewed journals.
