

Students' opinion on teaching: *questionnaire*

Q: Please indicate the percentage of the classes you have attended, with reference to the courses of the current academic year.

A: *More than 50% of classes* → *Student attendee*

Section	Question	Answer (choice 1 between 4 alternatives)			
		Absolutely insufficient	Rather insufficient	Fairly sufficient	Absolutely sufficient
Course content	1: Was your preliminary knowledge of the course topics sufficient for the understanding of the course?	Absolutely insufficient	Rather insufficient	Fairly sufficient	Absolutely sufficient
	2: Is the workload reflected proportionately in the number of credits?	Absolutely out of proportion	Rather out of proportion	Fairly proportionate	Absolutely proportionate
	3: Is the teaching material (as presented and made available by the teacher) suitable for the study of the topic?	Absolutely unsuitable	Rather unsuitable	Fairly suitable	Absolutely suitable
	4: Are the exam modalities clearly defined?	Absolutely unclear	Rather unclear	Fairly clear	Absolutely clear
Teaching	5: To what extent were the schedules of classes and other training activities respected?	Absolutely disregarded	Rather disregarded	Fairly respected	Absolutely respected
	6: Is the teacher able to stimulate/motivate the interest towards the subject of the course?	Absolutely unable	Rather unable	Fairly able	Absolutely able
	7: Does the teacher explain the subject in a clear manner?	Absolutely unclear	Rather unclear	Fairly clear	Absolutely clear
	8: Are the integrative didactic activities of support (tutoring, laboratories, testing) useful to better understand the subject?	Absolutely useless	Rather useless	Fairly useful	Absolutely useful
	9: Is the course content consistent with the course presentation as described in the study programme published on the website?	Absolutely inconsistent	Rather inconsistent	Fairly consistent	Absolutely consistent
	10: Is it easy to contact the teacher to obtain further explanations and clarifications?	Absolutely difficult	Rather difficult	Fairly easy	Absolutely easy
Interesse e soddisfazione	11: Are you interested in the subject taught during the course?	Absolutely unreachable	Rather unreachable	Fairly reachable	Absolutely reachable
	12: On the whole are you satisfied with this course?	Absolutely uninterested	Rather uninterested	Fairly interested	Absolutely interested

Comments and suggestions (choice 1 or more alternatives)

- Reduce the overall course content
- Strengthen the support activities
- Provide for more basic knowledge
- Delete from the programme topics which are already contained in other courses
- Improve the coordination with the contents of other courses
- Increase the quality of the teaching material
- Provide the teaching material in advance
- Organize mid-way tests/exams
- Activate evening classes

Students' opinion on teaching: *questionnaire*

Q: Please indicate the percentage of the classes you have attended, with reference to the courses of the current academic year.

A: I did not attend/I attended less than 50% of classes → *NO student attendee*

Q: Please state the main reason why you did not attend classes at all/not frequently

A: (choice 1 between 5 alternatives)

- Due to work-related reasons
- Overlapping with other courses
- The lessons were not useful in view of taking the exam
- Teaching facilities are not accessible/adequate for students willing to attend classes
- Other reasons
