MATHEMATICS

36th Cycle

ACADEMIC YEAR 2020/2021

N.B. Please note that only the Italian version of the present call issued by Rector's Decree no. 386 of 28.05.2020 is legally binding; the English version is provided for information only

Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for position for the 36th Cycle (Academic Year 2020/2021) of the Phd Programme in “Mathematics” jointly run with the University of Verona.

The number of positions available for selection is as follows:

	Financer	No. of scholarships/fellowships	Topics of reserved scholarships
Positions	University of Trento	7	---
	University of Verona	4	---
	Research fellowships (Assegni di ricerca) MIUR – Departments of Excellence	4	A - Network inference for high-dimensional count data B - Quaternionic and Clifford analysis and its applications C - Geometric Analysis D – Multilinear algebra for tensor decomposition
	FBK - scholarship	1	E - Computational modeling of infectious diseases
	No. of positions	16	
	Supernumerary positions (see art. 7)	2	

The scholarships/fellowships (*Assegni di ricerca*) for specific research topics (reserved scholarships) are conditional on execution of a particular research topic for which specific skills are required. Candidates interested in one or more of these scholarships/fellowships must carefully check the topic and the requirements listed at the [selection webpage](#).

The positions with scholarships or other financial support may be increased after the publication of this call till the day before the assessment of qualifications. All the new available positions will be posted solely on the [selection website](#).

Also candidates selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may be admitted to the 36th Cycle on additional positions.

N.B.:

- a. All selection results (interim and final), the possible exclusion from the selection for incomplete application (art. 3), the exclusion for foreign qualification not recognized as suitable (art. 2), and any general advices will be published only on the selection webpage; the candidates will be identified through the application ID, it is therefore recommended to keep track of it. The publication on the website is to all intents and purposes valid as official notification.
- b. Without exception, all possible communication from the University of Trento to applicants will be managed via e-mail to the email address specified in the online application. Candidates are advised to check their mail box regularly and keep the Doctorate Office S&T (phd.office-st@unitn.it) promptly informed of any change of their email account.

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
 - a. an Italian “Laurea Magistrale” or “Laurea Specialistica”, according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004,
or
 - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica e Musicale),
or
 - c. an equivalent foreign degree (*Master’s degree*) obtained at an officially acknowledged academic institution, valid for admission to PhD studies in the Country of issue (except for substantial differences) and similar (duration and level) to the Italian degree, recognized as eligible¹ by the Admissions Committee for the sole purpose of access to the present PhD Programme².
2. Applications are also accepted from students expecting to obtain the necessary degree **by October 31, 2020**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **by November 6, 2020**, on penalty of exclusion, awarding certificate or a self-declaration (by using Annex A).
3. If the foreign academic qualification has already been recognized as **equivalent**³ to a second cycle Italian qualification by the competent academic bodies of Italian universities, the equivalence provision (Rectoral Decree) must be attached in the appropriate section of the online application. If the qualification has not already been officially recognized as equivalent, the specific documentation required in the application form must be attached.
4. Applicants with a foreign qualification that has not been officially recognised as equivalent to an Italian degree (*Laurea Magistrale/Specialistica/vecchio ordinamento*) will be considered as requesting equivalence in their application, attaching the necessary supporting documents.
It is in the applicant’s interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one. The Admissions Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the suitability.
5. Applicants who have already obtained the PhD degree will be admitted to attend a second PhD Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctorate degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new PhD Programme

¹The eligibility of foreign academic degrees is assessed by the Admissions Committee, following the rules in force or the international treaties or recognition of academic qualifications.

to be obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possible award date, issuing University, "*Classe di Laurea*", examinations taken, grades and credits obtained (by using Annex A); future graduate of the University of Trento may only declare the place and the foreseen date of award as the other information can be collected ex officio;

• foreign qualification⁷:

already obtained:

- a certificate attesting the award of the second level university qualification (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date of the award and the relative grade;
- a list of exams taken to obtain the qualification to access the Doctorate programme (*academic transcript of records of the Master's degree*) with relative credits (if provided for in the university system of the country that awarded the qualification), marks and rating scale.
- If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken for award of the relative degree (*academic transcript of records of the Bachelor's degree*) should also be attached.

If the aforementioned documents are not in English, they must be accompanied by a translation in Italian or in English made provisionally by the applicant, who assumes responsibility for the accuracy of the translation and its compliance with the original text.

to be obtained:

⁴ The candidate can choose either Italian or English to fill in the application online.

⁵ Candidates are advised to register well in advance of the deadline as the issue of the username and password (sent via email), necessary to enter UNITN's online services, may require up to 2 working days.

⁶ The accepted payment circuits are: Visa (e.g. Nexi/Cartasi, Postepay), V-pay, Maestro, MasterCard, NexiPay, MasterPass Wallet.

⁷ It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable to the Italian one.

- a certificate of enrolment on a course of study that allows access to the Doctorate programme (see art. 2 paragraph 1 letter c), with a list of the examinations successfully passed, marks, credits obtained in each examination and rating scale.
- If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken for award of the relative degree (academic transcript of records of the Bachelor's degree) should also be attached.
- If the aforementioned documents are not in English, they must be accompanied by a translation in Italian or in English made provisionally by the applicant who takes responsibility for the accuracy of the translation and the compliance with to the original text.

C) curriculum vitae et studiorum (in Italian or English), preferably using the [Europass format](#); all academic degrees held and any university enrollments in progress must be specified in detail (please specify also the upper secondary diploma details).

D) summary of the Master's thesis in English (maximum 10,000 characters, spaces included) structured as follows: motivations of the thesis and final results;

E) statement of purpose (in English, max 3,000 characters, including spaces): it is required to clearly specify your scientific interests and personal motivations to undertake the PhD (avoid generic statements) and describe any experience (research, job, studies – including Master's thesis) relevant to the Mathematics research area;

F) research project: mandatory only for those applicants who participate also for the research fellowships (*Assegni di ricerca*) (see art. 1 Fellowships A, B, C and D): attach a research project in English (max 10,000 characters, spaces included).

5. **OPTIONAL ATTACHMENTS:**

- List of publications;
- any additional qualifications, such as international examinations (GRE or equivalent);
- copy of the first level academic degree (Bachelor's degree) and transcript;
- any additional qualifications useful for assessing the applicant's attitude towards research;
- up to two names of referees working at universities or national and international research institutions, with details of their e-mail addresses. The system will automatically ask the referees to upload a reference letter for the candidate;
- applicants who already obtained the Master's degree may attach copy of the thesis frontispiece that includes title and name of the supervisor. Applicants who haven't obtained the degree yet may submit a declaration including contact details of the thesis supervisor.

Applicants with a **foreign qualification:**

- academic diploma of the Master degree (Master of Science/Arts or equivalent), in its original language
- *Diploma Supplement (DS)*⁸ (drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES);
alternatively
- *Declaration of value*⁹ which certifies that the educational qualification is valid in the country of award for admission to the Doctoral programme (third level of higher education according to the Bologna Process - European Higher Education Area; EQF level 8);
alternatively
- *Statement of comparability of foreign university qualification*¹⁰ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

6. The University will accept any additional documents to the submitted application if sent by email to ateneo@unitn.it (**Subject:** "Application ID - Applicant's Surname and Name – PhD Programme in Mathematics – 36th Cycle - Supplement to application") **by July 30, 2020, hrs. 04.00 PM (GMT +2) Italian**

⁸ The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and a promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that issued the qualification. time. Additional documents submitted by different means will be disregarded.

7. Only documents in English and Italian will be taken into consideration for the selection by the Admissions Committee; for all other languages it is compulsory to attach a translation into English signed by the candidate. The attachments required at previous points 4.D and 4.E (and 4.F for research fellowships) must be submitted in English by all applicants.
8. All applicants are admitted to the selection procedure conditionally upon ascertainment that they fulfill the admission requirements. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of candidates lacking the requirements specified in the present call.

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by an Admissions Committee for access to the PhD Programme appointed by the Rector upon advice of the PhD Programme Committee, in accordance with the University doctoral regulations. The Committee sets the evaluation criteria during the preliminary meeting.
2. The selection procedure is designed to ensure, comparatively, the knowledge and aptitude of the candidates to carry out research in areas related to the PhD Programme. The selection is made on the basis of the assessment of:
 - the applicant's qualifications according to previous art. 3
 - an interview. The oral examination is designed to assess the candidate's basic knowledge about the Doctorate scientific areas, to discuss past research and professional experience, and qualifications presented. During the interview, the candidate's knowledge of English language will be also verified. In order to be allowed to oral examination the candidate must provide a valid ID/passport with photo. Applicants residing or domiciled abroad, or otherwise unable to proven reasons to take the interview in person, may be authorized – upon request – to conduct the oral examination in another seat by video-conference. The Committee will guarantee that all the regularity requirements are fulfilled during the examination (verifying the candidate's identity and the accuracy of the interview).
3. Applicants who wish to be eligible for the reserved scholarships/fellowships must make an explicit request to the Admissions Committee before the interview at the time of identification. Competences on the specific subject of the reserved scholarship/s will be assessed during the interviews of interested applicants.
N.B.! The choice made by the candidate to compete also for the reserved scholarships/fellowships implies a preference on his/her part for the allocation of that specific scholarship with respect to the others.
4. The Admissions Committee will award each candidate a maximum of 100 points as follows:
 - 40 points: assessment of qualifications
 - 60 points: interview.
5. Candidates obtaining a minimum score of 25/40 for the assessment of qualifications will be admitted to the oral examination. The interview is successfully passed with a minimum score of 38/60. Only candidates who will have passed both the assessment of qualifications and the interview will be short-listed.
6. The assessment of qualifications will be held starting from **August 24, 2020**; interviews will be held starting from **September, 2020**.
The date of the assessment of qualifications (and the location and time of the oral examination) will be published at least 20 days before they take place on the selection website.
The candidate not showing up at the oral examination will be considered as renounce to the participation in the selection procedure, whatever the reason.

Art. 5 – RANKING

1. At the end of the selection procedure the Admissions Committee draws up one ranking.

2. Scholarships/Fellowships are assigned to short-listed applicants following:
 - a) the position in the ranking;
 - b) for reserved scholarships/fellowships, the eligibility of the applicant for that specific scholarship/fellowship.

In case of equal score see following art. 6.

3. The non-allocation of scholarships/fellowships on reserved topics concerning previous point b) will result in the reduction of the available positions.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF POSITION

1. Short-listed applicants are admitted to the PhD Programme according to their position in the final ranking until all available places have been filled. The applicant who has been awarded a scholarship/fellowship on a specific reserved topic must accept it. Renunciation of the reserved scholarship/fellowship implies the exclusion of the applicant from the right to enrol.
2. Should two candidates obtain the same score, as regards the awarding of the scholarship, the candidates' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. For positions without scholarships, the younger of the two candidates will be selected.
3. Admitted applicants must accept the position following the instructions at <https://www.unitn.it/en/node/1928>
 - **within 8 days** starting from the day following publication of the final ranking list on the Selection website for positions with scholarships or other form of financial support;
 - **within 14 days** starting from the day following publication of the final ranking list on the Selection website for positions without scholarships or other form of financial support.

N.B.! Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase ex art. 3 – “*Application procedure*”) the Doctorate Office S&T (email: phd.office-st@unitn.it) **by November 6, 2020**:

- academic diploma of the Master degree (Master of Science/Arts or equivalent), in its original language (or certified copy) together with academic transcript of records, official translations included¹¹, legalized by the Italian diplomatic or consular representations of the country of origin of the reference system for the institution that issued it, accompanied by
 - *Diploma Supplement*
alternatively
 - *Declaration of Value*¹²
alternatively
 - *Statement of comparability of foreign university qualifications* issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for assessment of the qualification.

Their non-delivery may result in exclusion from the Doctorate.

4. The acceptance of position must include the payment of stamp duty and, where applicable, the payment of the "provincial tax for the right to higher education" - TDS¹³. At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not accept the position by the abovementioned deadline will lose their right to enrol and their places will be offered to the next eligible applicants on the ranking list.

¹¹ See: <https://www.esteri.it/mae/en/servizi/italiani-all'estero/traduzione-e-legalizzazione-documenti.html>

¹² Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available

¹³ Note that the total amount of TDS + stamp duty must be paid only by credit card following the instruction. Page: <https://www.unitn.it/ateneo/606/tassa-provinciale-per-il-diritto-allo-studio-universitario-tds-e-imposta-di-bollo> provides information on exemption from TDS.

6. If a successful applicant withdraws before the beginning of the PhD Programme (November 1, 2020), the next applicant on the ranking will be offered the place. The latter must submit his/her enrolment **within 4 days** starting from the day after the day in which the communication from the Doctorate Office S&T is sent.
7. If a successful applicant withdraws or is excluded after the beginning of the PhD Programme and during the first quarter of the first year (three months), the PhD Programme Committee may decide to fill the vacancy with the next applicant on the list.
8. At the end of the enrolment period, doctoral students must communicate via e-mail (phd.maths@unitn.it) to the Doctoral School Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year must submit adequate motivations and justifications by no later than **November 6, 2020**. The latest date of arrival in Trento **cannot be subsequent to January 8, 2021**, on penalty of exclusion from the School. In the case of a lack of communication and failure to arrive in Trento by the above-mentioned dates, the doctoral student will be considered excluded from the School.

Art. 7 – SUPERNUMERARY POSITIONS

1. According to art. 20, par. 3 of the University Regulations for Doctoral Programmes, no more than 2 (two) supernumerary applicants may be admitted without scholarship paid by the University, after passing the selection procedure, if they fall under one of the following cases:
 - a) shortlisted foreign candidates who are granted scholarships by other entities;
 - b) shortlisted candidates from countries with which a specific inter-governmental agreement has been signed, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;
 - c) research fellows (*Assegnisti di ricerca*) whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the PhD Programme; such relevance has to be determined by the Doctoral Programme Committee;
 - d) Italian civil servants or under Italian public law regime. Admission is subject to placement on leave under Art. 2 of the Law of 13.08.1984 no. 476 and subsequent amendments.
2. Short-listed applicants who wish to assert their requirements for supernumerary positions shall request, by submission of appropriate documentation proving their status via e-mail to phd.office-st@unitn.it, such admission **within 8 days** starting from the next day of the publication of the ranking lists. Supernumerary admission is disposed within the limit of the number of supernumerary positions listed at point 1 of this article.
3. After verification of the documents referred to in par. 2 of this article, applicants who will be admitted on supernumerary positions will receive an email notification by the Doctorate Office S&T (phd.office-st@unitn.it) and must deliver their acceptance within the deadline specified in the email text itself.
4. Any candidates selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 36th Cycle on additional positions with respect to the quota specified at point 1 of this article.

Art. 8 – ENROLMENT ON THE PHD PROGRAMME

1. According to Ministerial Decree no. 45 of 08.02.2013, the PhD programme can only be activated upon accreditation or its confirmation by the Ministry of Education. Therefore enrolment on the PhD Programme, only for admitted candidates who have accepted the position as mentioned above, will be automatically formalized as soon as the aforementioned accreditation has been received or its confirmation has been approved. If accreditation is not confirmed, candidates who have accepted a place will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.

Art. 9 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and following amendments), intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or other institutions involved.

Art. 10 – PERSONAL DATA

1. Pursuant to art. 13 of Regulation (EU) 2016/679 (General Data Protection Regulation), applicants, acting as data subjects, are advised that the University will process their personal data in the public interest only for purposes related to the present PhD selection procedure and to comply with law obligations.
