Art. 1 – PURPOSE OF THE ANNOUNCEMENT

The University of Trento announces the 39th cycle of the Doctoral Programme in Cognitive Science for the 2023/2024 academic year.

Application deadline: July 18, 2023, 4:00PM (Italian time)

Positions: n. 8

Scholarships: n. 8

Supernumerary postgraduate research positions: n. 1 (*available for candidates who fulfil the requirements set out in art. 8*).

The grants (three years) are financed as follows:

- **n. 6 grants** financed by the **University of Trento**;
- **n. 2 grants** financed by **Fondazione Bruno Kessler** on the following topics:
 - “Integration of Behavior Change Intervention Strategies into AI-based Solutions”;
 - “Artificial Intelligence for education”.

The topic-specific grants are conditional to the execution of a particular research topic for which specific skills are required. Those interested in one or more topic-specific grant should carefully check the topic and required skillset indicated on the web page www.unitn.it/drsc/en/node/182.

The number of places covered by scholarships and/or by internship contracts and by other potential financial support may be increased by funds from other universities, public research bodies or prestigious private companies, that become available after the publication of this announcement and before the evaluation of qualifications. Such occurrence will be communicated online, and nowhere else, at this [selection's webpage](#).

Duration: 3 years

Beginning of the academic year: November 1, 2023

Learned regulation of brain signals
Parenting: biology and environmental factors
Psychology and Clinical research methodology
Psychology of Language, Linguistics and Neurolinguistics
Social cognition and intergroup relations
Statistical and psychometric techniques for complex data
Typical and atypical development
Work, organizational and personnel psychology

Cognitive Technologies

Automatic analysis of human behavior
(Automatic) Natural language processing
Cognitive ergonomics and interaction with intelligent systems
Interaction with Big Data and decision-making
Technology for education

Education and training

Inclusive processes in educational contexts

Media, eLearning and Learning Communities online in educational processes

Quality of education and training process

IMPORTANT

The results of the selection (qualifications assessment and interview) will be published at the [selection's webpage](#), together with the list of applicants (using their application ID) that are not admitted to the selection after a formal check or after the evaluation of the foreign qualification.

No personal correspondence will be sent to excluded candidates, the online ranking list will be the only official information.

Notwithstanding the provisions of the following articles 5 co. 8 and 6 co. 5 of this selection announcement, any notices relative to the selection will be transmitted to applicants via email, to the address associated with the account used to register at the time in which the application is submitted. Applicants with an open and active account with the University (currently enrolled or recently finished student career), please verify personal email address at the following link: [data account management](#). If personal contact information must be changed after the application is submitted, applicants are advised to email the Humanities and Cognitive Sciences Area - PhD Office (phd.office-cssh@unitn.it).

Art. 2 – ADMISSION REQUIREMENTS

- Applications for admission to the selection process are accepted from candidates regardless of gender, age and nationality, who hold:
 - an Italian "Laurea Specialistica or Magistrale" (Master's Degree) according to Ministerial Decree no. 270 of 22 October 2004, or a university degree awarded under the previous Italian regulations;
 - or a second level degree awarded by an Italian "AFAM" Institute (Artistic and Musical Higher Education)
 - or an equivalent degree qualification obtained abroad (Master's Degree) at a recognized academic Institution, which:
 - allows access to an equivalent PhD course in the country/higher education system of origin (unless substantial differences are encountered);
 - is equivalent to the Italian Laurea magistrale (Master's Degree), in terms of duration, level and subject area¹;
 - is considered suitable² by the Admission Committee for the sole purpose of the admission to the PhD Programme.
- Applications are also accepted from candidates who do not hold the required degree but expect to obtain it, **by 31 October 2023**. In this case admission is "conditional" and applicants must submit the degree certificate (or a self-declaration, see [Form A](#)) to the PhD Office - Cognitive, Social Sciences and Humanities (email: phd.office-cssh@unitn.it) **no later than 7 November 2023. Failure to provide the certificate by this date will lead to exclusion.**
- It's in the applicant's best interest to provide all elements necessary for evaluation, especially in case the educational system of the country where the title was obtained is incomparable with the Italian one.**
The Evaluation Committee reserves the right to ask applicants to provide additional documentation, if deemed necessary, in order to be considered for the selection.
- Candidates who have already obtained a PhD degree can apply for a second PhD Programme only if its main research topics and scientific-disciplinary fields differ from those of the candidate's first Doctorate programme. For applicants who have already benefited - even partially - from a doctoral scholarship, the admission to the new PhD Programme can't be covered by a scholarship³.
- The list of candidates' IDs whose academic degree has been considered not eligible for the admission selection by the Evaluation Committee will be available at the [selection's webpage](#).

Art. 3 – THE DOCTORATE PROGRAMME

- The programme is shown on the web page of the doctoral course www.unitn.it/drsc/en/node/184.

IMPORTANT: In the second year, all enrolled phd students are required to spend a study period of research abroad for a minimum of six months.

Art. 4 – APPLICATION

- The application must be completed and submitted by **July 18, 2023 - 4:00 p.m. (Italian time)**, exclusively through the online system: <https://www.unitn.it/en/apply/dott>.
- Applicants can access the online registration procedure in one of the following ways⁴:

¹ For more information on the Italian University system visit the webpage: <http://www.studiare-in-italia.it/study/new-degrees.html>

² The eligibility of the foreign qualifications is assessed by the Admission Committee in accordance with the legislation in force and with international treaties or agreements concerning the recognition of qualifications for continuing the studies.

³ [Opinion from the National University Council \(CUN\)](#) of 20 March 2008; Note from the Ministry of Education University and Research (MIUR) of 14 September 2010 n. 1746; art.6 par.2 of Law n.398 of 1989 "Regulations about university scholarships".

⁴ To those who need a guest account we suggest to register well in advance of the deadline. It can take up to three working days for credentials to be issued.

- **with a SPID account or CIE** (Electronic Identity Card): those who have an Italian Tax Code (codice fiscale) and an Italian identity document must access the registration with CIE (more information at <https://www.cartaidentita.interno.gov.it/en/home/>) or with SPID, the Italian Public Digital Identity System, which automatically certifies the identity of the person on the UniTrento systems and sets up an @unitn.it account.
To request the SPID identity (useful for accessing various online services of the Italian Public Administration), please consult the website <https://www.spid.gov.it/en/what-is-spid/how-to-activate-spid/>
 - **with a UniTrento account**: those who already have an account issued by the University can access the registration procedure with the username they already have (name.surname@unitn.it).
If you have a UniTrento account but you don't remember your password: <https://icts.unitn.it/en/password>.
For further information on UniTrento username and password: <https://icts.unitn.it/en/account-password>.
 - **registration of UniTrento "guest" accounts**: anyone who does not have an Italian Tax Code can register a temporary account as a "guest". After enrollment, this account will be converted into a definitive@unitn.it account.
To register a guest account: <https://webapps.unitn.it/Registration/>.
3. Participation in the selection process is subject to the payment of a non-reimbursable application fee of **€15.00 by pagoPa system**⁵, as indicated in the appropriate section of the application ('Selection participation fee').
 4. **Administration highly recommends that candidates make sure to have received the notification email confirming that their application has been successfully completed and submitted.**
UNiTrento refuses any responsibility for all those applications not properly closed by candidates.
 5. Candidates will be considered totally responsible of their applications. Incomplete or irregular applications, or applications transmitted in ways other than those dictated in this article, shall not be considered valid and candidates will consequently be excluded from selection process.
 6. All applicants are admitted to the selection **conditionally upon ascertaining that they fulfil the admission requirements**.
The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree n. 445 of the 28.12.2000.
 7. **A candidate whose submitted degree does not satisfy the requirements specified in art. 2 or if the information provided in the application is not true, may be excluded at any time from the selection process or even after enrolment and the beginning of the PhD course.**
 8. According to Italian Law n. 104/92, Art. 20 and to Italian Law n. 68/99, Art. 16 (1), applicants with special needs or with learning disabilities, according to their particular disability may explicitly request special assistance or extra time during the examinations in their application. In this regard, the data will be processed in compliance with the regulations in force as indicated in the information on the processing of personal data (art. 11 of this call).
 9. The application is to be considered for all purposes of the law as a self-certification of personal data and declared qualifications.
 10. **COMPULSORY ATTACHMENTS** (failure to upload one or more compulsory attachments results in expulsion from the selection)⁶:
 - A. Identity document (ID):**
a copy of the **identity card** (for EU citizens) **or** of the **passport** (pages with photo, personal data, place and time of issue of the document, expiration date of the document);
 - B. Documents related to the academic degree:**
 - a. Italian qualification**
 - **already obtained/to be obtained**: a **self-declaration** (by using [Form A](#), "Declaration substituting Degree Certificate"), according to the Presidential Decree Article 46 n. 445 of 28.12.2000 and subsequent amendments, stating:
 - the possession / not possession of the degree (see Art. 2),
 - type of degree / degree to be obtained,
 - "Classe di laurea",
 - award date and final grade / possible award date,
 - issuing University,
 - list of exams, date taken, credits and grades obtained. (Graduates from the University of Trento may only declare the place and the date of award / foreseen date of award as the other information can be collected ex officio),

Italian degree applicants who have not yet obtained their degree, who expect to complete it by October 31, 2023 and therefore "conditionally" admitted to the selection, need also to provide a statement from the thesis supervisor or other academic/administrative supervisor/staff declaring that conferral of the University degree will occur by October 31, 2023.
 - b. Foreign qualification**
 - **already obtained**:

⁵ More information at <https://www.unitn.it/en/phd-pagopa>.

⁶ The list of candidates (identified by their ID #) who are not deemed eligible due to an incomplete application, will be published on the University's web address <http://www.unitn.it/en/node/1941>.

- a **certificate attesting to the possession of a second level university qualification** (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date it was awarded and the relative grade;
- the **list of examinations** taken to obtain the qualification to access a Doctoral Programme (academic transcript of records of the Master's degree) with relative credits (if provided for in the university system of the country that awarded the qualification), marks, and rating scale. If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken to obtain that degree (academic transcript of records of the Bachelor's degree) should also be attached.

If the foreign academic qualification has already been recognized as equivalent⁷ to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached in the appropriate section of the online application.

- **to be obtained (the following two points refer to foreign degree applicants who have not yet obtained their degree, who expect to complete it by October 31, 2023 and are therefore "conditionally" admitted to the selection):**
 - a **certificate of enrolment in a course of study that allows admission to a Doctoral Programme** (see art. 2 paragraph 1 letter c), with a **list of the examinations** successfully passed, credits obtained in each examination (if provided for in the university system of the country that awarded the qualification), marks, rating scale (academic transcript of records) and the possible award date. If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken to obtain that degree (academic transcript of records of the Bachelor's degree) should also be attached).
 - a letter signed by the thesis supervisor or other academic/administrative supervisor/staff stating that the candidate will obtain the academic title **by October 31, 2023**.

If the aforementioned documents are different from Italian or English, they must be accompanied by a translation in Italian or in English, made provisionally by the applicant who takes responsibility for the accuracy of the translation and its compliance with the original text.

In addition, if available, also the following documents:

- Academic degree (diploma) of the required title (Master of Science/Art or equivalent) in the original language;
- *Diploma Supplement*⁸ (according to the model developed by the European Commission, the Council of Europe and UNESCO / CEPES), or;
- *Declaration of value*⁹ which certifies that the educational qualification is valid in the country of achievement for being admitted to Doctoral programme (third level of higher education according to the Bologna Process - European Higher Education Area; EQF level 8), or;
- the *Statement of comparability - university qualification*¹⁰ awarded by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the evaluation of the qualification.

- C. **Motivation letter** (in Italian or in English) indicating why you chose to join a PhD and in particular the PhD program in Cognitive Science;
- D. **Curriculum vitae et studiorum** (in Italian or in English, preferably using [the Europass model](#)) including any research skills obtained by the applicants, any other academic degrees (2nd level Masters, PhD degrees, specializations, other high school education, etc.), or any other document relevant to the topic of the call (list of publications, participation in conferences, etc.);
- E. **Research project (only one)** in Italian or in English language (approximately 3,000 words, excluding references and abstracts) accompanied by abstract (approximately 150 words) and bibliography. It is to be filled in following the guidelines of the attached [Annex B](#), related to one of the research areas listed in Art. 1. The project have to be potentially feasible in the Doctoral Course with the supervising of a component of the PhD Committee (please check the areas of interest of teachers at link www.unitn.it/drsc/en/node/181 and the topic-specific grants page at www.unitn.it/drsc/en/node/182.
Only one research proposal per candidate is allowed.

11. OPTIONAL ATTACHMENTS:

- List of publications;
- summary of the master' thesis (rationale, research methods, results and implications)
- copy of the degree dissertation;
- document reporting any other relevant information about the role, and the skills acquired, during research related experiences;

⁷ Details at <https://www.cimea.it/EN/pagina-riconoscimento-accademico>

⁸ The Diploma Supplement is a document attached to the final qualification, intended to improve international "transparency" and to facilitate academic and professional qualification recognition (diplomas, degrees, certificates etc.). The Diploma Supplement must be issued by the same institution which has given the diploma.

¹⁰ The University of Trento signed an agreement with the CIMEA Association for the evaluation and verification services of foreign qualifications through the use of the Diplome platform. For the issue of ENIC-NARIC certificates, the University of Trento activated a collaboration with CIMEA. Further information is available at: <https://international.unitn.it/incoming/diploma-verification>.

- certificates (if any) proving the knowledge of the English language;
 - any other documents useful to demonstrate the candidates' research skills and their abilities;
 - Up to **two Academic Reference Forms**¹¹ filled out by experts structured as University staff or in national or international research organizations. Within 24 hours of completing and saving the online *Referees* section, the online application system sends an email directly to *Referees* chosen by the applicant with the attached form and instructions on filling it out and transmitting it to the University. It is highly recommended that applicants verify that their *Referees* send the *Academic Reference Forms* no later than **August 3, 2023**.
12. Should candidates wish to add and/or change further documentation to the application after having already submitted the application, they may do so **by the deadline of the selection announcement** emailing ateneo@unitn.it. In this case, **the subject line should be:** *Application ID - Candidate's Last Name and Name – Doctoral Course in Cognitive Science 39th cycle - "integrazione domanda"*, and the body of the email should contain a note explaining the purpose of the additional or changed attached documentation¹².
- Documentation sent by other means will not be accepted.**

Art. 5 – APPLICANT EVALUATION

1. Upon hearing the Doctoral Programme Committee the Rector appoints the Admissions Committee. It consists of at least three members chosen among Italian and foreign professors and researchers, who are experts in the scientific areas of the Doctorate. The Committee may also include up to two experts, even foreign, of public and private national and international research organizations.
2. The selection exams are intended to assess the applicant's preparation and aptitude towards scientific research with specific reference to the chosen research topic.
3. The selection takes place as follows:
 - evaluation of curriculum vitae, qualifications and research proposal (according to above Art. 4) on the basis of criteria established at the beginning of the selection process by the admissions Committee;
 - an interview intended to assess the research knowledge and the attitude of the candidate to the research in the fields of the research project presented. The selection may be held in Italian or in English language prior authorization by the Admission Committee. In any case, candidates have to demonstrate a good knowledge of English.
4. Candidates who intend to compete also for a **topic-specific grant**, indicated in article n.1 of this call, must express their interest in the online application and present a project related to the specific topic; they will be evaluated on the knowledge of the specific subject matter(s) of that grant during the interview.
5. Candidates may also opt for topic-specific grants made available after the deadline of this call. In order to be considered for the additional topic-specific grant/s, the candidates must express their intention to the Committee before the assessments of qualifications, following the instructions given at the [selection's webpage](#) in case of new available scholarships. In such case, their knowledge on the specific topic of the scholarships will be evaluated during the interview.
6. The option for a topic-specific grant expressed by a candidate implies the preference of the candidate for the award of that specific scholarship with respect to all others.
7. The Admissions Committee has an overall score of 120 points available, partitioned in the following way:
 - 60 points for the qualification's assessment;
 - 60 points for the oral examination.

In order to be admitted to the interview candidates must reach a minimum score of 36/60 in the assessment of qualifications and research project.
8. The results of the assessment of the qualifications and of the oral exam will be published at the [selection's webpage](#).
9. The candidate may choose to be interviewed in one of the following two ways:
 - a) in presence, at the University of Trento.
In this case the candidate must show a suitable identification document. The candidate's absence at the interview will be considered as a waiver of participation in the selection, whatever the cause;
 - b) by videoconference through the use of audio-video connection tools that allow the correct identification of the participants (through a webcam) in a public setting.
The starting time of the interviews are established by the Commission. The candidate must first show the same identity document attached to the application. Failure to connect or unavailability at the established date and time or failure to show the identification document, constitute grounds for exclusion from the selection. The University assumes no responsibility in the event of technical problems that do not guarantee the correct performance of the oral exam.

The indication of the date and time and of the place (seat of the University of Trento, if chosen to in presence) where the interview will be held will be made known at least 20 days before with a notice published on the Internet, on the [selection's webpage](#). Any changes in the date of the examination will be published on this same web page.
10. The oral examination is considered passed with a minimum score of 36/60.

Art. 6 – RANKING

1. The Committee draws up a merit-based ranking according to the scores obtained by the applicants from the qualification assessment, the project and the interview.
2. Scholarships are assigned to eligible candidates based on:

¹¹ In case the two reference forms are not available the candidate will not be excluded by the selection procedure.

¹² Please verify that the file name is suitable and accurate.

- a) ranking;
 - b) candidate eligibility for topic-specific grants. Please note that topic-specific grants are assigned following the ranking and until their maximum number is filled.
3. The candidate who has been awarded a topic-specific grant, must accept it since the choice for a topic-specific grant he/she expressed implies the candidate's preference for the award of that specific scholarship with respect to the others. Renouncing the topic-specific grant implies the exclusion of the candidate from the right to enroll in the PhD Programme.
 4. Unassigned topic-specific grants will result in the reduction of positions available.
 5. The ranked list (using candidates' application IDs) will be published on the [selection's webpage](#).

**By publishing the ranking, notification concerning the selection results is considered fulfilled.
Admitted candidates will not receive any personal messages.**

Art. 7 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE OFFER

1. Applicants will be admitted to the Doctorate according to their rank in the final score list and until all available and eligible positions have been filled.
2. In case of equally ranked candidates, the student's economic situation will be evaluated in accordance with the Decree of the President of the Council of Ministers (D.P.C.M.) of 9 April 2001 as amended.
3. If an eligible applicant withdraws before the beginning of the Programme (*1st November 2023*), the next applicant in the ranking list will be offered the place.
This candidate is expected to accept the offer **within 8 days** from the day after having received the notice from the PhD Office - Cognitive, Social Sciences and Humanities.
If an eligible applicant withdraws or is excluded in the first three-month term of the first year, the Doctoral Programme Committee may decide to fill the vacancy with another candidate next in rank in the final score list.
4. Admitted applicants must accept the offer **within 8 days**, submitting the online application available at the [related webpage](#).
5. Admitted applicants with a qualification that has not been awarded in Italy must deliver to the PhD Office - Cognitive, Social Sciences and Humanities, in advance by email (phd.office-cssh@unitn.it) if they had not already done so during the application phase, the following documents **by November 8, 2023**:
 - original or certified copy of the **academic diploma of the Master degree** (Master of Science/Arts or equivalent) **together with the academic transcript of records**, possible official translations, legalized or with an apostille affixed (verify the fulfilment of the requirements set by the issuing country of the title);
 - **Diploma Supplement** (if provided for by the university where the title was issued, it is commonly used within the member countries of the European Higher Education Area (EHEA))

alternatively

 - **Declaration of Value** issued by the Italian diplomatic or consular representations country of origin of the institution that issued the title

alternatively

 - **Statement of comparability of foreign university qualifications**¹³ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

In case the Diploma Supplement, or the Declaration of Value, or the Statement of comparability are not available by **November 8, 2023**, admitted applicants must deliver a document showing that they asked the University/the Italian diplomatic or consular representations/the ENIC-NARIC center for the documents to be issued.

Admission to the Doctoral Programme for successful candidates who do not provide the required above-mentioned documents **by November 8, 2023** will be "conditional" and the applicants will be excluded from the Doctoral Programme if:

- they do not deliver the documents within 6 months from the starting date of the Programme;
 - upon verification, their title is not in compliance with the requirements of this call's selection. Should the Declaration of Value or the Diploma Supplement or other documentation provided by the candidate not certify eligibility for the PhD program, the candidate's position is terminated and the amount of the bursary received up to this point must be returned.
6. Short-listed applicants who do not submit their acceptance **within 8 days** from when the final ranking is published lose their right to enroll and their position will be offered to the next ranked eligible candidate.

Art. 8 – SUPERNUMERARY POSITIONS

1. According to Art. 18, § 3 of the University Regulations for Doctorates of Research, the Admissions Committee may admit up to **1 supernumerary** position without a scholarship of the University of Trento, if such candidate coincides with one of the following cases:
 - a) foreign nationality, eligible in the general ranking, who are granted scholarships by other entities;
 - b) shortlisted candidates from countries which have specific inter-governmental agreements with Italy, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;

¹³ For evaluation services and for the purpose of evaluating foreign degrees through the use of the Diplôme platform, see: <https://international.unitn.it/incoming/diploma-verification>.

- c) research fellows (*Assegnisti di ricerca*) whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the PhD Programme; such relevance has to be determined by the Doctoral Programme Committee;
 - d) employees in the public sector or in the state legal system. Admission is dependent on candidates being given leave of absence or exceptional leave, in accordance with article 2 of the Law of 13 August 1984, n. 476 and subsequent revisions¹⁴.
2. Candidates who wish to assert their requirements for supernumerary positions shall request, by submission of appropriate documentation proving their status to the PhD Office - Cognitive, Social Sciences and Humanities (email: phd.office-cssh@unitn.it), their acceptance of such admission also **within 8 days** starting from the day following publication of the ranking.
 3. Supernumerary admission acceptance is disposed within the **limit of 1 position** following the order of the final ranking.
 4. After verifying the documents referred to in paragraph 2, the candidates who will be admitted supernumerary will receive email confirmation from the Humanities and Cognitive Sciences Area - PhD Office and must declare acceptance of the position, by using the appropriate procedure online (see art. 7, 4), within 8 days from the day following the day of receipt of such notice.

Art. 9 – ENROLMENT

1. The official registration in the doctorate, limited to short-listed candidates who have accepted the position according to the procedures in the preceding article, will automatically be made official as soon as the PhD Programmes' requirements verification by the Ministry of Education, University and Research for the 2023-2024 AY has been completed.
2. In case of no conferrable accreditation, candidates who have accepted the position will receive a timely notification via email and the fee for the Right to Education (TDS) will be refunded.
3. To complete enrolment, whoever has a foreign title, upon arriving in Italy, will have to show the official documents (in original or certified hard copy), related to the academic path, already anticipated in a scanned form during admission to the selection or during the matriculation process, in order to allow the appropriate verification of the validity of the qualifications, also by means of the national information centers on the recognition of foreign titles as part of the ENIC-NARIC network. Until such time, candidates are admitted to the course *conditionally* and may be excluded if they do not meet these requirements.

Art. 10 - INTELLECTUAL PROPERTY RIGHTS OF RESEARCH FINDINGS AND PUBLICATIONS

1. Without prejudice to the Italian law on copyright (legislative decree 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the student, including (but not limited to) software, industrial inventions patentable or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or entities involved.
2. Before the start of the research activity, the doctoral student is required to sign a specific declaration of commitment to confidentiality in relation to the information, data and documents of a confidential nature that he / she may become aware of in carrying out his / her activity at and / or on behalf of the University. If the research is financed by private entities or public entities other than the University, the PhD student is required to sign a specific declaration, to allow the University to comply with the obligations regarding intellectual property towards the funding body and possibly a confidentiality agreement with the funding agency, if required.

Art. 11 – PROCESSING OF PERSONAL DATA

In compliance to Article 13 of the "General Data Protection Regulation" (hereinafter, "GDPR"), the University of Trento and the Fondazione Bruno Kessler provide to persons who want to participate in the selection procedures to be admitted to Doctoral Programmes (hereinafter "Data subjects") with the following information.

1. The Data joint Controller

The data joint controllers are:

- **the University of Trento**, via Calepina 14, 38122 Trento, email: ateneo@unitn.it; ateneo@pec.unitn.it
- **the Fondazione Bruno Kessler**, via Santa Croce, n. 77, 38122 Trento, email: phd-program@fbk.eu; phd-program@pec.fbk.eu

The Data joint Controller have signed the internal agreement required by Article 26 of the GDPR.

2. Contact details of the Data Protection Officers

The data subjects may contact the Data Protection Officers (**DPO or RPD**) to have information about processing of their personal data by writing to:

- for the University of Trento, rp@unitn.it;
- for the Fondazione Bruno Kessler, privacy@fbk.eu.

3. Purpose of the processing and legal basis

The Data joint Controller process personal data as part of the performance of their public interest tasks and, in particular, for the purposes of carrying out this selection procedure and complying with a legal obligation (Art. 6, par. 1, lett. e) and c); Art. 9, par. 2, lett. g) of the GDPR).

4. Nature of the provision of data

¹⁴ Neither public employees who have already been awarded PhDs, nor those who have been enrolled on a PhD Programme for at least one academic year (having been granted exceptional leave), are entitled to exceptional leave, either with or without research grants, whatever their subject area.

The provision of personal data is necessary for participation in this procedure and failure to provide such data will result in the impossibility of taking part.
