¹⁰ Delivery of the Diploma Supplement, Declaration of Value or Decree of Equivalence, optional in the application stage, will be mandatory for the winners at the time of actual enrolment.

1. The evaluation is made by an Admissions Committee for access to the PhD Programme appointed by the Rector upon advice of the Doctoral School Committee, in accordance with the University doctoral regulations. The Committee sets the evaluation criteria during the preliminary meeting.
2. The selection procedure is designed to ensure, comparatively, the knowledge and aptitude of the candidates in regard to research in areas related to the PhD programme and the chosen Research Area. The selection is made on the basis of assessment of the applicant's qualifications according to art.3. The Admissions Committee may contact the applicant for an in-depth interview or a video-interview concerning the material submitted. This interview will not entail additional points.
3. Applicants interested in applying also for reserved scholarships as listed in art. 1 (max 2 for each Research Area chosen) must specify them in the online application. Applicants who have submitted the application by the deadline may also opt for any scholarships on reserved topics (max 3 for any Research Area) that will be made available after the opening of the present call and published on the Selection website together with the instructions on how to access the online system, which will be available only from September 5 to September 12, 2017, 4.00 PM (GMT +2) Italian time.
Competences on the specific subjects of the reserved scholarships or fellowships will be assessed during the evaluation process by the Admissions Committee based on the research projects submitted.
N.B.! The choice made by the candidate to compete also for the reserved scholarships implies a preference on his/her part for the allocation of that specific scholarship with respect to the others.
4. The Admissions Committee will award a maximum of 100 points. Applicants obtaining a minimum score of 60/100 will be short-listed.
5. The date of the assessment of qualifications will be published at least 20 days before it takes place on the Selection website.

Art. 5 – RANKINGS

1. At the end of the selection procedure, the Admissions Committee draws up one ranking list for each Research Area.
2. Scholarships are assigned to short-listed applicants according to:
 - a. the position in the ranking list;
 - b. for reserved scholarships, the applicant's eligibility for that specific scholarship.
3. The non-allocation of scholarships on reserved topics concerning point 2.b) will result in the reduction of the available positions. Should any positions without scholarships or scholarships, also reserved for a specific topic, not be assigned to any candidates, they will not be allocated to candidates shortlisted in others Research Areas.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ENROLMENT

1. Short-listed applicants are admitted to the Doctoral School according to their place in the final ranking lists until all available places in each Research Area have been filled. If an applicant is short-listed in more than one Research Area, he/she will be enrolled in the one that he/she selected as first choice in the online application and deleted from the other ranking list. An applicant who has been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enrol.
2. Should two candidates obtain the same score as regards the award of the scholarship, the candidates' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 9 April 2001 and subsequent amendments and integrations. As regards positions without scholarships, the younger of the two candidates will be selected.
3. Admitted applicants must enrol following the instructions at <http://www.unitn.it/en/ateneo/1928/enrollment-1-2-3-year>:

- **within 8 days** starting from the day following publication of the final ranking lists on the Selection website for **positions with scholarships**;
- **within 14 days** starting from the day following publication of the final ranking lists on the Selection website for **positions without scholarships**.

N.B.! Admitted applicants with a foreign qualification must deliver the Diploma Supplement (qualifications obtained in countries of the European Research Area) or the Declaration of Value together with the copy of the final Diploma with a complete transcript of records, translated and authenticated by the Italian diplomatic representatives in the country of issue; the Declaration of Value may be replaced by a certificate issued by ENIC-NARIC¹¹ centers containing all the information necessary for the assessment of the qualification. If these documents are not available at the time of the acceptance of the position, they must be delivered **by November 6, 2017**. Their non-delivery may result in exclusion from the Doctorate.

4. The acceptance must include the payment of stamp duty and, where applicable, the payment of the "provincial tax for the right to higher education" - TDS¹². At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not enrol by the above-mentioned deadlines will lose their right to enrol, and their places will be offered to the next applicants on the relevant ranking list.
6. If a successful applicant withdraws before the beginning of the PhD Programme (November 1, 2017), the next applicant on the reference ranking list will be offered the place, if consistent with the possible eligibility requirements for reserved scholarships. The latter must submit his/her enrolment within 4 days starting from the day after the day on which the communication from the Doctorate Office S&T is sent.
7. If a successful applicant withdraws or is excluded after the beginning of the PhD Programme and during the first quarter of the first year (three months), the Doctoral School Committee may decide to fill the vacancy with the next applicant on the reference ranking list, taking into account the acquired eligibility for reserved scholarships.
8. At the end of the enrolment period, doctoral students must communicate via e-mail (ict.school@unitn.it) to the Doctoral School Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year must submit adequate motivations and justifications by no later than November 6, 2017. The latest date of arrival in Trento cannot be subsequent to January 8, 2018, on penalty of exclusion from the School.
