Call for Doctoral positions at the

PhD Programme in

Physics

36th Cycle

ACADEMIC YEAR 2020/2021

N.B. Please note that only the Italian version of the present call issued by Rector's Decree no. 456 of 24.06.2020 is legally binding; the English version is provided for information only

Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for positions for the 36th Cycle (Academic Year 2020/2021) of the Phd Programme in “Physics” jointly run with the National Institute for Nuclear Physics (INFN - Italy).

Positions: no. 22

Scholarships: no. 19

Positions without scholarship: no. 3

Supernumerary positions: no. 2 (see art. 7)

Scholarships are funded by:

Financer of scholarships	No. of scholarships	Topics of reserved scholarships
University of Trento	4	
University of Trento and Department of Physics	2	A - Interplay of slow dynamics and X-ray induced dynamics in glass-forming liquids B - Space data science and technology
University of Trento and FBK	1	C - Data science for High Energy and Space Physics
University of Trento and TIFPA	1	D - Development of a read-out system for particle sensors with applications in radiotherapy and space radioprotection
Department of Physics	4	E - Physics of biological macromolecules investigated via advanced computational methods F - Entangled photon sources for an integrated photonics quantum simulator G - Twin photons and single photon entanglement for QRNG and QCD H - Quantum many-body systems and ultracold gases
Department of Physics (Q@TN)	2	I - SOCCER (Superconducting Circuits for the Casimir Effect) L - Quantum sensing with laser-synthesized NANO-DIAMOND NV color centers (NaDia)
INFN	3	M-N - Particle, astroparticle, nuclear, theoretical physics, related technologies and applications, including medical Physics O - Nanopillar cavity enhanced emission from diamond
FBK	2	P - Statistical physics and nonlinear dynamics of highly and interdependent systems Q - Statistical physics of social dynamics and urban systems
Positions without scholarship	3	
Positions:	22	
Supernumerary positions	2	vedi art.7

The scholarships for specific research topics (reserved scholarships) are conditional on execution of a particular research topic for which specific skills are required; during the oral examination the specific suitability by the applicants will be evaluated. Candidates interested in one or more of these scholarships must carefully check the topic and the requirements listed on the selection webpage.

The positions with scholarships or other financial support may be increased after the publication of this call till the day before the assessment of qualifications. All the new available positions will be posted solely on the [selection website](#).

Any candidates selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 36th Cycle on additional positions.

- b. Without exception, all possible communication from the University of Trento to applicants will be managed via e-mail to the email address specified in the application online. Candidates are advised to check their mail box regularly and keep the Doctorate Office S&T (phd.office-st@unitn.it) promptly informed of any change of their email account.

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
 - a. an Italian “Laurea Magistrale”, according to the Ministerial Decree no. 270 of 22.10.2004 and subsequent amendments, or
 - b. an equivalent Italian university degree (previous regulations in force, “specialistica”, AFAM), or
 - c. an equivalent foreign degree (*Master’s degree*) obtained at an officially acknowledged academic institution, valid for admission to PhD studies in the Country of issue (except for substantial differences) and similar (duration and level) to the Italian degree, recognized as equivalent by the Admissions Committee for the sole purpose of access to the present Phd Programme¹.
2. Applications are also accepted from students expecting to obtain the necessary degree **by October 31, 2020**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **by November 6, 2020**, on penalty of exclusion, awarding certificate or a self-declaration (by using Annex A).

¹ Details at: <https://www.cimea.it/en/servizi/il-sistema-italiano-di-istruzione-superiore/qualifiche-del-sistema-universitario.aspx>.

3. If the foreign academic qualification has already been recognized as **equivalent²** to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached in the appropriate section of the online application. If the qualification has not already been officially recognized as equivalent, the specific documentation required in the application form must be attached.
4. It is in the applicant's interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one. The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility
5. Applicants who have already obtained the PhD degree will be admitted to attend a second PhD Programme, after passing the selection, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctorate degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new PhD Programme.

Art. 3 – APPLICATION PROCEDURE

1. The application³ must be **completed and submitted by hrs. 04.00 PM Italian time (GMT +2) of August 28, 2020, solely by the online system**: <https://www.unitn.it/en/apply/dott>. Applicants who do not have an account at the University of Trento must register in advance at⁴: <https://www.unitn.it/account>.
2. The application is subject to the payment of an application fee - non-refundable - of € 15 to be paid by credit card according to the instructions given in the appropriate section of the online application. The application online can be saved and modified several times until the submission. Afterwards it can no longer be changed.
3. It is the sole responsibility of the applicant to verify and submit with correct closure the online application (ensuring reception of the email notification). The University refuses any liability for all applications not properly submitted by candidates. The online application is considered to be a self-declaration of personal data and qualifications with full legal effect.
4. **MANDATORY ATTACHMENTS** (failure to upload one or more mandatory attachments results in automatic exclusion from the selection)
 - a) **Identifying document (ID):**
 - A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting photograph, personal data, number, place and date of issue, expiry date and signature.
 - b) **Academic degree for admission to PhD:**
 - **Italian qualification:**
 - already obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possession of a degree (art.2 of this Call), "*Classe di Laurea*", award date, issuing University, final grade, examinations taken, grades and credits obtained (by using [Annex A](#)); graduates from the University of Trento may only declare the place and the date of award as the other information can be collected ex officio;
 - to be obtained: a self-declaration, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, declaring the possible award date, issuing University, "*Classe di Laurea*", examinations taken, grades and credits obtained (by using [Annex A](#)); future graduate of the University of Trento may only declare the place and the foreseen date of award as the other information can be collected ex officio;

² Details at: <http://www.cimea.it/en/servizi/pil-sistema-italiano-di-istruzione-superiore/qualifiche-del-sistema-universitario.aspx>

³ The candidate can choose either Italian or English to fill in the application online.

⁴ Candidates are advised to register well in advance of the deadline as the issue of the username and password (sent via email), necessary to enter UNITN's online services, may require up to 2 working days.

- **foreign qualification⁵:**

- **already obtained:**

- a certificate certifying the award of the second level university qualification (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date of the award and the relative grade;
 - a list of exams taken to obtain the qualification to access the Doctorate programme (*academic transcript of records of the Master's degree*) with relative credits (if provided for in the university system of the country that awarded the qualification), marks and rating scale.
If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken for award of the relative degree (*academic transcript of records of the Bachelor's degree*) should also be attached.

- **to be obtained:**

- a certificate of enrolment on a course of study that allows access to the Doctorate programme (see art. 2 paragraph 1 letter c), with a list of the examinations successfully passed, marks, credits obtained in each examination and rating scale.
If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken for award of the relative degree (*academic transcript of records of the Bachelor's degree*) should also be attached.

If the aforementioned documents are not in English, they must be accompanied by a translation in Italian or in English made provisionally by the applicant who takes responsibility for the accuracy of the translation and the compliance with to the original text.

- c) **curriculum vitae** (in Italian or in English), preferably according to the [Europass model](#), clearly accounting for the applicants previous research experience and all academic degrees held and any university enrolments in progress must be specified in detail (Please specify also the High School diploma details, Bachelors, prizes, researches, any university enrolments in progress, etc.);
- d) **summary of the Master's thesis** (in Italian or in English) explaining the reasons for the choice of the subject, the research methodology and the results obtained (max. 4 pages);
- e) **statement of purpose** (In Italian or in English, max 2 pages): it is required to clearly specify: 1. your scientific motivations avoiding generic statements 2. your personal motivations and your interest towards research in general; 3. the reason why you have chosen the Doctoral Programme in Physics at the University of Trento with reference to the research activities which are carried on there.

5. **OPTIONAL ATTACHMENTS:**

- any additional qualifications, such as (degree thesis, scientific publications, awards, scholarships, post-graduate research activity, language skills certificates, etc.);
- copy of the first-level academic degree (Bachelor's degree) and transcript;
- Any other documents useful to demonstrate the attitude of the candidate in the research;
- up to two names of referees, experts in the research fields of the Doctoral Programme, from a University or a National/ International Research Institution. Reference letters must not be sent by candidates. Once the Referee section has been completed and saved by the candidate, the system automatically sends, within 24 hours, a notification email to the referee containing the instructions and modalities of transmission. Letter has to be issued on the base of a model sent directly to referee, and have to be uploaded on the website by him/her.

It is strongly recommended that applicants verify that the referee has uploaded the Reference Letter **no later than September 1, 2020**.

Applicants with a **foreign qualification:**

- academic diploma of the Master degree (Master of Science/Arts or equivalent), in its original language
- *Diploma Supplement (DS)*⁶ (drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES);

⁵ It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable to the Italian one.

⁶ The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and a promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that

alternatively

- *Declaration of value*⁷ which certifies that the educational qualification is valid in the country of issue for admission to a Doctoral programme (third level of higher education according to the Bologna Process - European Higher Education Area; EQF level 8);
alternatively
- *Statement of comparability of foreign university qualification*⁸ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

6. The University will accept any additional documents to the submitted application if sent by email to ateneo@unitn.it (Subject: "Application ID - Applicant's Surname and Name – PhD Programme in Physics – 36th Cycle - Supplement to application") **within August 28, 2020, hrs 04.00 PM (GMT +2) Italian time.** Additional documents submitted by different means will be disregarded.
7. Only documents (originals or copies) in English and Italian will be taken into consideration by the Admissions Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant.
8. All applicants are admitted to the selection procedure conditionally upon ascertainment that they fulfill the admission requirements. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of candidates lacking the requirements specified in the present call.

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by an Admissions Committee for access to the PhD Programme appointed by the Rector upon advice of the PhD Programme Committee, in accordance with the University doctoral regulations. The Committee sets the evaluation criteria during the preliminary meeting.
2. The selection procedure is designed to ensure, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the PhD programme. The selection is made on the basis of the assessment of:
 - the applicant's qualifications according to previous art. 3
 - an interview. The oral examination is designed to assess the candidate's background about the Doctorate scientific areas, to discuss past research – included Master's thesis - and professional experience, and qualifications submitted. The level of knowledge of English will also be assessed. In order to be allowed to oral examination the candidate must provide a valid ID/passport with photo. Applicants residing or domiciled abroad, or otherwise unable to proven reasons to take the interview in person, may be authorized – upon request in the application online – to conduct the oral examination in another seat by video-conference. The Committee will guarantee that all the regularity requirements are fulfilled during the examination (verifying the candidate's identity and the accuracy of the interview).
3. Applicants who wish to be eligible also for the reserved scholarships must make an explicit request to the Admissions Committee before the interview, at the time of identification. Competences on the specific subject of the reserved scholarship/s will be assessed during the interviews of interested applicants.
Note! The choice made by the candidate to compete also for the reserved scholarships implies a preference on his/her part for the allocation of that specific scholarship with respect to the others.
4. The Admissions Committee may assign each candidate 100 points as follows:
 - 30 points: assessment of qualifications, optional attachments and reference letters included.
 - 70 points: interview.

issued the qualification. Further information at <http://www.cimea.it/en/servizi/il-sistema-italiano-di-istruzione-superiore/diploma-supplement.aspx> and http://ec.europa.eu/education/resources/diploma-supplement_en

⁸ Further information about Statements of comparability and qualifications certification: <http://www.cimea.it/en/servizi/attestati-di-comparabilita-e-certificazione-dei-titoli/attestati-comparabilita-certificazione-titoli-overview.aspx>

5. Candidates obtaining a minimum score of 15/30 for the assessment of qualifications will be admitted to the oral examination. The interview is successfully passed with a minimum score of 30/70. Applicants obtaining an overall score of 60/100 will be short-listed.
6. The assessment of qualifications will be held in the period **September 3-4, 2020**; interviews will be held in the period **September 14-18, 2020**.

Art. 5 – RANKING

1. At the end of the selection procedure the Admissions Committee draws up one ranking.
2. Scholarships are assigned to short-listed applicants following:
 - a) the position in the ranking;
 - b) for reserved scholarships, the applicant's eligibility for that specific scholarship.
3. The non-allocation of scholarships on reserved topics concerning previous point b) will result in the reduction of the available positions.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ENROLMENT

1. Short-listed applicants are admitted to the PhD Programme according to their place in the final ranking list until all available places have been filled. All applicants compete for the award of the scholarships funded by the University of Trento; however, applicants who have been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the PhD.
2. Should two candidates obtain the same score, as regards the awarding of the scholarship, the candidates' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 9 April 2001 and subsequent amendments and integrations. As regards positions without scholarships, the younger of the two candidates will be selected.
3. Admitted applicants must enroll following instructions at <http://www.unitn.it/en/ateneo/1928/enrollment-1-2-3-year>:
 - **within 8 days** starting from the next day of the publication of the final ranking on the Selections website for **positions with scholarships**;
 - **within 14 days** starting from the next day of the publication of the final ranking on the Selections website for **positions without scholarships**.

N.B.! Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase ex art. 3 – “*Application procedure*”) the Doctorate Office S&T (email: phd.office-st@unitn.it) **by November 6, 2020**:

- academic diploma of the Master degree (Master of Science/Arts or equivalent), in its original language (or certified copy) together with academic transcript of records, official translations included⁹, legalized by the Italian diplomatic or consular representations of the country of origin of the reference system for the institution that issued it, accompanied by
 - *Diploma Supplement*
alternatively
 - *Declaration of Value*¹⁰
alternatively
 - *Statement of comparability of foreign university qualifications* issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for assessment of the qualification.
- Their non-delivery may result in exclusion from the Doctorate.

⁹ See: <https://www.esteri.it/mae/en/servizi/italiani-all-estero/traduzione-e-legalizzazione-documenti.html>

¹⁰ Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available

4. Note that the acceptance of a position (or the enrolment on the PhD Programme) must include the payment of stamp duty and, where applicable, the payment of the "provincial tax for the right to higher education" - TDS¹¹. At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not enroll within the abovementioned deadlines will lose their right to enroll and their places will be offered to the next applicants on the ranking.
6. If a successful applicant withdraws **before the beginning of the course** (November 1, 2020), the next applicant on the reference ranking will be offered the position, (if consistent with the possible eligibility requirements for reserved scholarships). The latter must submit his/her enrolment within 4 days starting from the day after the day in which the communication from the Doctorate Office S&T is sent.
7. If a successful applicant withdraws or is excluded after the beginning of the PhD Programme and during the first quarter of the first year (three months), the Doctoral Committee may decide to fill the vacancy with the next applicant on the reference ranking list, taking into account the acquired eligibility for reserved scholarships.

Art. 7 – SUPERNUMERARY POSITIONS

1. According to art. 20, par. 3 of the University Regulations for Doctoral Programmes, no more than **2 (two)** supernumerary applicants may be admitted without scholarships paid by the University, after passing the selection procedure, if they fall within one of the following categories:
 - a) shortlisted foreign candidates who are granted scholarships by other entities;
 - b) shortlisted candidates from countries with which a specific inter-governmental agreement has been signed, and with which an ad-hoc agreement with the University is then made, without the University of Trento being required to assume any financial obligations;
 - c) research fellows (*Assegnisti di ricerca*) whose contract lasts for a minimum of 24 months as from the starting date of the Programme and researching a subject relevant to the PhD Programme; such relevance has to be determined by the Doctoral Programme Committee;
 - d) Italian civil servants or under Italian public law regime. Admission is subject to placement on leave under Art. 2 of the Law of 13.08.1984 no. 476 and subsequent amendments.
2. Short-listed applicants who wish to assert their requirements for supernumerary positions shall request for such admission by submission of appropriate documentation proving their status via e-mail to phd.office-st@unitn.it, such admission **within 8 days** from the next day of the publication of ranking lists. Supernumerary admission is disposed within the limit of the number of supernumerary positions listed in the specific Research Area in art. 1.
3. After verification of the documents referred to in par. 2 of this article, applicants admitted to supernumerary positions will receive an email notification from the Doctorate Office S&T and must deliver their acceptance within the deadline specified in the email text itself.
4. Any candidates selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to positions additional with respect to the quota specified at the point 1 of this article.

Art. 8 – ENROLMENT ON THE PHD PROGRAMME

1. According to Ministerial Decree no. 45 of 08.02.2013, the PhD programme can only be activated upon accreditation or its confirmation by the Ministry of Education. Therefore enrolment on the PhD Programme, only for admitted candidates who have accepted the position as mentioned above, will be automatically formalized as soon as the aforementioned accreditation has been received or its confirmation has been approved. If accreditation is not confirmed, candidates who have accepted a place will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.

¹¹ Note that the total amount of the TDS + stamp duty must be paid only by credit card following the instructions. Page <https://www.unitn.it/en/ateneo/1931/education-tax-tds-and-stamp-duty> provides information on exemption from the TDS.

Art. 9 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and suc. Mod.), Intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or bodies involved.

Art. 10 – PROCESSING OF PERSONAL DATA

1. Pursuant to art. 13 of Regulation (EU) 2016/679 (General Data Protection Regulation), applicants, acting as data subjects, are advised that the University will process their personal data in the public interest only for purposes related to the present PhD selection procedure and to comply with law obligations.
2. The data joint controllers are:
 - the University of Trento, via Calepina 14, 38122 Trento (Italy), email: ateneo@pec.unitn.it; ateneo@unitn.it.
 - the National Institute for Nuclear Physics (INFN), Via Enrico Fermi 40, (Rome – Italy).The joint controllers agreed upon an arrangement between them, as provided for in art. 26 of the GDPR.
3. The joint controllers process personal data for reasons of substantial public interest (according to art. 6, comma 1, letter e) and art. 9, paragraph 2, letter g) of the GDPR).
4. The provision of personal data is mandatory to participate in the selection procedures and failure to provide them results in the impossibility to take part in the call.
5. Personal data are processed wholly or partly in paper forms and/or by automated means by the joint controllers' personnel, who is authorized to data treatment according to their tasks and in respect of confidentiality obligations.
6. Personal data can be disclosed, in addition to the inner divisions of the two Universities, to other third parties (public and private, e.g. MIUR, ANVUR) in order to correctly fulfil the above-mentioned purposes, within academic relationships, in performance of law, regulations and contract obligations, or in compliance with a provision of the Authority of Public Security and/or the Judicial Authorities.
Data can be disclosed also to public and private funding bodies, in relation to financed scholarships.
7. Personal data will be stored as long as necessary to fulfil the above- mentioned procedure and anyway for all the time required to comply with legal obligations and/or regulations on the matter.
8. At any time, the data subjects can ask the controller to exercise their rights in accordance with art. 15 and seq. of GDPR, and in particular the right of access to his/her own personal data, right to rectification, right to erasure ('right to be forgotten'), right to restriction of processing and the right to object to processing.
This is without prejudice to the right to lodge a complaint with the Supervisory Authority in accordance with art. 77 of GDPR.
9. The data subjects may contact the Data Protection Officer (DPO or RPD) to have information about processing of their personal data or to exercise their rights writing to:
