

Abstract Submission Information

We cordially invite you to submit a paper to CERMODEL2013.

1 page abstract in a free format text can be directly emailed to cermodel2013@unitn.it with the full list of authors, their institution and specification of the presenting author.

Would the author apply for support grant, please attach a Short Curriculum Vitae to the submission.

Abstract Submission Deadline: February 15, 2013

Notification of abstract acceptance: March 30, 2013

*A special issue of **Journal of European Ceramic Society** is planned as the outcome of the CERMODEL2013 congress. Further information about the related full paper submission will be available after notification of abstract acceptance to the congress.*
