

Abstract Submission Information

We cordially invite you to submit a paper to CERMODEL2015.

Please use the template (Ms-Word) available [here](#) and submit your 1 page abstract by email to cermodel2015@unitn.it

Would the author apply for support grant (see below), please attach a Short Curriculum Vitae to the submission.

Abstract Submission Deadline: January 31, 2015

Notification of abstract acceptance: March 30, 2015

*A special issue of **Journal of European Ceramic Society** is planned as the outcome of the CERMODEL2015 congress. Further information about the related full paper submission will be available after notification of abstract acceptance to the congress.*

Support grant for young researchers

CERMODEL2015 has available funds to provide support grant in the form of free registration and free accommodation for 7 young researchers (35 years of age or younger), who may not otherwise be able to attend, and for participants who are unable to secure adequate funds from their home countries. Application for support grant can be made by email sending a Short Curriculum Vitae to cermodel2015@unitn.it by the deadline for abstract submission (January 31, 2015).

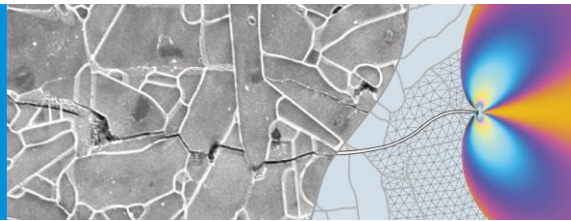

The decision on the allocation of grants by the Organizing Committee will be communicated together with the acceptance letter (March 31, 2015).
