

Giovanni Spagnuolo

Profile

Giovanni Spagnuolo received the Ph.D. degree in Electrical Engineering from the University of Napoli "Federico II" in 1998.

From November 1999 to December 2003 he has been Assistant Professor of Electrical Engineering at the University of Salerno where, since January 1st, 2004 he is Associate Professor.

Since 2010 he is Senior Member of the IEEE.

From 2012 to 2014 he has been chairing the Technical Committee on Renewable Energy Systems of the IEEE Industrial Electronics Society.

He is Editor of the IEEE Journal of Photovoltaics and Associate Editor of the IEEE Transactions on Industrial Electronics. He is co-author of six international patents on control techniques and power processing systems for renewable energies. He is the co-author of one book published by Taylor & Francis, of more than 50 papers published in international journals and of more than 100 papers presented in international conferences.
