Public transport

The bus stop is located in Via Calepina (Calepina Roccabruna stop), a few meters from the building entrance. For further information and to check up-to-date timetables, please go to the [dedicated page](#).

Please note: the stop is not "barrier-free".

Palazzo Sardagna can also be reached on foot from the city's historical centre: the entire route is barrier-free and is accessible for people with motor disabilities, including wheelchair users; there is no blister paving or acoustic signals.

Own transportation means

UniTrento staff use the assigned car park (Economics, Sociology, Law, Literature).

Guests can park in the dedicated stalls near the entrance, displaying their badge.

Please note: the building is in the historical centre, in a restricted traffic zone.

Accessibility indications

The entrance to Palazzo Sardagna is accessible via a short ramp connecting the street with the internal courtyard, where the pavement is uneven. To reach the main offices, there is an elevator with an acoustic signal. No information is displayed along the stairs regarding the number of steps or the floor number when you arrive.

Not all offices inside the building are accessible to people with motor disabilities.
