Own transportation means

UniTrento staff use the three dedicated stalls in the reserved underground car park at the Department of Literature (entrance on Via Tommaso Gar). The lift, equipped with a Braille control panel, does not access the building directly; instead, it has an independent exit from where you can reach the building entrance. From here, you can take the lift to reach all the floors in the building.

Guests can arrange access to the car park by sending an e-mail to the Department of Literature in order to obtain authorisation. Upon arrival, guests must then contact reception on: + 39 0461 281717. A member of staff will open the gate to let cars in and out.

Alternatively, you can park directly on Via S.Margherita in the dedicated stalls located directly in front of the building entrance, displaying your badge.

Accessibility indications

Building entrances are barrier-free and allow visitors to autonomously access the facilities. The building has wide, practicable corridors with even flooring. There are dedicated stations in each classroom. The building has dedicated toilet facilities with free access.
