### **Public transport**

Bus line number 5/ reaches the Departments (leaving from the train station). This bus line is "barrier-free", and all vehicles have a super-lowered platform, with an extractable support to allow for wheelchairs to get on/off easily, as well as reserved places complete with safety belt. For further information and to check up-to-date timetables, please go to the [dedicated page](#).

The easiest bus stop to access the facilities is on Via Sommarive (Povo - Facoltà di Scienze stop), a dozen metres or so from the entrance to the facilities. You have to continue along the pavement and, near to where you

enter the Centre, there are two well-connected pedestrian crossings. The main entrance to the building is on the ground floor.

## **Own transportation means**

UniTrento staff park in the reserved stalls, with access from Via Sommarive. Authorised guests can park in the underground car park, reporting to reception, where there are reserved spaces near the lifts.

## **Accessibility indications**

You can access the building directly through the main entrance.

All the lecturers' offices, study rooms, laboratories, reception, coffee areas and canteen are accessible and allow for adequate manoeuvrability. The building has wide, practicable corridors with even flooring. There are five dedicated toilets, located on the various floors and in the buildings making up the Centre. Lifts have a Braille control panel. No information is displayed along the stairs regarding the number of steps or the floor number when you arrive.
