Public transport

The bus stop is located in Via Rosmini (Rosmini Santa Maria Maggiore stop), about 400 metres from the building entrance. The following bus lines reach the department (leaving from the train station): 2, 3, 4, 5, 8, 9, 10, 12, 14 and 17 (non-working days only). These urban service bus lines are "barrier-free" and all vehicles have a super-lowered platform, with an extractable support to allow for wheelchairs to get on/off easily, as well as reserved places complete with safety belt. For further information and to check up-to-date timetables, please go to the [dedicated page](#).

From the bus stop, head south on Via Rosmini until the crossing with Via Verdi, cross the road at the traffic light and then turn right onto Via Verdi, passing the Economics Department building and continuing until the crossing with Via Inama (pedestrian crossing); continue straight on until you reach the building entrance. The route is accessible for people with motor disabilities, including wheelchair users. There is no blister paving or acoustic signals.

Own transportation means

UniTrento staff working in the building use the reserved ground-floor car park, with access from Via Verdi, up from Palazzo Cavazzani, or in another assigned car park. To access the building, leave the inner courtyard and take Via Verdi, leading to the main entrance. There are no architectural barriers along the way, but please note that there is no pavement.

Guests can park in the stalls in Via Inama (displaying their badge) and, from there, they can reach the building entrance. Alternatively, you can park in the dedicated stalls in Piazzale Sanseverino.

Please note: the route to reach Molino Vittoria is "barrier-free", but it is not flat.

Accessibility indications

Building entrances are barrier-free (there is a metal ramp connecting the street with the building entrance) and allow visitors to autonomously access the facilities.

No information is displayed along the stairs regarding the number of steps or the floor number when you arrive.
