### Public transport

The nearest bus stop is in Via Maccani (Maccani Abondi stop), about six hundred metres from the building entrance.

The following bus lines reach the printing service location (leaving from the train station): bus line number 4 and 8 and, at certain times, the 15. These urban service bus lines are "barrier-free" and all vehicles have a super-lowered platform, with an extractable support to allow for wheelchairs to get on/off easily, as well as reserved places complete with safety belt. For further information and to check up-to-date timetables, please go to the [dedicated page](#).

From the bus stop, head north on Via Maccani and turn right onto Via Abondi; at the crossroads, turn right again onto Via Senesi and, at the next crossroads, turn left onto Via Lavisotto. The printing service location is a dozen metres or so to the left.

## **Own transportation means**

The facilities have a large car park in front of the entrance to the building.

## **Accessibility indications**

Building entrances are barrier-free and allow visitors to autonomously access the facilities.
