Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for positions for the 39th Cycle (Academic Year 2023/2024) of the Doctoral Programme in “Mathematics”, jointly run with the University of Verona.

Deadline for application: May 18, 2023, hrs. 4.00 PM (Italian time, GMT +2, all the times indicated in this announcement are to be meant as Italian time)

Positions: no. 15

Scholarships: no. 15 (of which 5 on reserved topics)

Positions without scholarship: no. 0

Positions available are offered as follows:

Financer	No. of scholarships	Reserved topic
University of Trento	7	---
University of Verona	3	---
Department of Mathematics	2	A - Geometric Analysis B - Mathematical models for vector-borne infections
FBK (Bruno Kessler Foundation)	2	C – see description in the next PNRR section
		D - Mathematical Analysis of Spatially Embedded Networks with Applications to Urban Systems
Fondazione The Microsoft Research – University of Trento Centre for Computational and Systems Biology (COSBI) - University of Trento	1	E - Applications of multi-scale mathematical modeling to complex disorders: from systems biology to precision medicine
Positions without scholarship	0	
No. of positions	15	

According to the Directorial Grant Decree 1554/2022, **no. 1 additional position supported by a scholarship under the Italian National Recovery and Resilience Plan (NRRP) Mission 4, component 2**, Investment 1.3, funded by the European Union - NextGenerationEU (Creazione di “Partenariati estesi alle università, ai centri di ricerca, alle aziende per il finanziamento di progetti di ricerca di base”) is published: see the file “Research topics” for details.

The research projects related to the individual scholarship referred to in the previous paragraph must comply with the following requirements set forth by the PNRR funding:

- a) be coherent with the EU Regulations 2021/241 goals and purposes, with the NRRP general strategy and the specific NRRP mission;
- b) be focused on achieving the results possibly set by the NRRP targets and milestones;
- c) be compliant with the principle of “do no significant harm” (DNSH) according to art. 17 of the EU Regulations 2020/852 and with the technical directions given by the European Commission (European Commission Notice 2021/C58/01);
- d) be suitable to deal with and to fill the gap of gender inequality;
- e) support the participation of women and young people in the management of the NRRP, also according to the Legislative Decree of May 31, 2021, no. 77 (so called Decreto Semplificazioni), as modified by Conversion Law of July 28, 2021, no. 108.

The selection and the assignment of the additional scholarship can be only on the specific reserved topic described in the attachment “Research subjects” available at the [selection webpage](#), and summarized as follows:

Financer	N.	Topics of reserved scholarships
Bruno Kessler Foundation (FBK)	1	C – Mathematical models of infectious disease transmission and control, project PNRR MS4 C2 I1.3 NextGenerationEU, PE00000007– INF-ACT – SPOKE 4 — CUP C63C22000800006 [01/11/2022-31/10/2025]

The applicants are aware that the scholarship will be revoked in case:

- there are differences in the realisation of the doctoral path compared to the financed project, in case there is no approval of the changes from the Ministry.

Positions reserved for specific research topics (reserved positions) may be assigned only to those applicants who specifically apply for them.

This kind of positions are actually related to a specific research topic, for which specific skills are required. Applicants interested in one or more reserved positions must therefore carefully check on the [selection webpage](#) the topic and the required skills, and if the scholarships entail the acceptance of confidentiality commitment and/or transfer of intellectual property rights.

The positions with scholarships or other financial support may be increased after the publication of this call till the assessment of qualifications. All the new positions available will be posted solely on the [selection webpage](#).

Additional positions: reserved scholarships that will be available after the publication of this call (and published on the selection website) can be selected by indicating in the scholarship description field of the online application the title and the code letter of the scholarship chosen. Applicants who have already closed and submitted the application before the publication of additional scholarships can apply for those scholarships by sending an e-mail to the Doctoral Secretariat (phd.maths@unitn.it).

Moreover, applicants selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 39th Cycle in additional positions.

Duration:	Three years
Start of the Academic Year:	November 1, 2023

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
 - a. an Italian “Laurea Magistrale” or “Laurea Specialistica”, according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004;
or
 - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica e Musicale);
or
 - c. an equivalent foreign degree (Master's degree) obtained at an officially recognized academic institution, valid for admission to Doctoral studies in to a second cycle Italian the Country it has been issued (except for substantial

differences) and similar (duration and level) to the Italian degree, recognized as eligible¹ by the Selection Committee for the sole purpose of accessing this specific Doctoral Programme².

2. Applications are also accepted from students expected to obtain the necessary degree **by October 31, 2023**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “conditional” and the applicant will have to submit to the Doctorate Office S&T (via e-mail to: phd.office-st@unitn.it) **by November 8, 2023, on penalty of exclusion**, the certificate awarded or a self-declaration (using the [Declaration substituting Degree Certificate](#) also available in the specific section of the online application).
3. Applicants with a foreign qualification that has not been officially recognised as **equivalent³** degree (Laurea Magistrale/Specialistica/vecchio ordinamento) will be considered as **requesting equivalence in their application**, by attaching the necessary supporting documents.
It is in the applicant’s interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one.
The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility.
4. Applicants who have already obtained the Doctoral degree will be admitted to attend a second Doctoral Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctoral degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new Doctoral Programme.

Art. 3 – APPLICATION PROCEDURE

1. The application⁴ must be **completed and submitted by hrs. 04.00 p.m. Italian time of May 18, 2023, exclusively through the online system: [Doctoral Programmes Applications](#)**
Authentication to the registration procedure is possible through:
 - **SPID⁵ or CIE (Electronic ID)**; candidates who own an Italian tax code and an Italian ID must access the registration procedure using the CIE (Electronic ID) or SPID, the Italian Public Digital Identity System, which automatically certifies the applicant’s identity on the UniTrento systems and sets up an account as @unitn.it (more info about CIE at this link <https://www.cartaidentita.interno.gov.it/en/home/>). To request a SPID identity please visit the webpage: [How to activate the SPID identity](#);
 - **University of Trento account**: those who do have a University of Trento account can access the application procedure with their existing username (name.surname@guest.unitn.it, or name.surname@unitn.it). Please follow the procedure [password reset](#) if you **forgot your password**
 - further information on UniTrento username and password at Account@unitn.it
 - a **UniTrento "guest" temporary account**: only those who do not have an Italian tax code or a University of Trento account can set up a temporary "guest" account. After the matriculation, this account will be converted into a final one as @unitn.it. Procedure at: [Account registration info](#)⁶.
2. To finalize the application a non-refundable **application fee of € 15** is to be paid through **PagoPA payment system⁷** according to the instructions given in the appropriate section of the online application.
The online application can be saved and modified several times until the final submission. Thereafter it can no longer be changed.
3. **The online application is considered to be a self-declaration of personal data and qualifications with full legal effect**. It is the sole responsibility of the applicant to make sure that the online application has been successfully submitted and an e-mail notification has been received. There will be no liability with the University in the event that an application is not submitted correctly.
4. Applicants who intend to compete also for one or more scholarships on a specific reserved topic must declare their choice when filling in the online application, specifying the **order of preference**, which will be **binding**. Regarding additional reserved scholarships added after the publication of this Call (**additional scholarships**), applicants will be required to express their interest for according to the instructions given art. 1.

Important: the applicant’s choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarship over the others.

¹ The eligibility of foreign academic degrees is assessed by the Selection Committee, following the rules in force or the international treaties or recognition of academic qualifications.

F. **research project**, which is **mandatory** for applicants choosing a **scholarship on a specific reserved topic** (as per art. 1) and optional for the other scholarships: please upload a brief research project (maximum 10,000 characters spaces included), which will be used only for the assessment and will not be binding for the possible future research activities to be carried out during the Doctoral Programme. Please upload only one file even if you choose more than one scholarship, just indicate the letter of the scholarship chosen at the beginning of each project. The project description must differ from the Statement of purpose.

6. **OPTIONAL ATTACHMENTS:**

⁸ It is in the interest of the applicant to provide all information relevant for the assessment, especially if the country where the qualification was obtained has an education system not comparable to the Italian one.

- A. list of possible publications; please do not send the entire publications, as the Selection Committee will evaluate only the list complete with addresses of the platforms to access the data (Scopus, WoS, Arxiv, Google, etc.);
- B. any other title, as for example international certifications also about your linguistic competence, e.g. the certification of GRE test (Graduate Record Examination), TOEFL, or similar;
- C. any additional qualifications useful for assessing the applicant's attitude towards research (Master's thesis, scientific publications, any documents regarding awards, scholarships, post-graduate studying and research activities);
- D. copy of the first-level academic degree (Bachelor's degree) and transcript;
- E. applicants who already obtained the Master's degree may attach copy of the thesis frontispiece that includes title and name of the supervisor. Applicants who haven't obtained the degree yet may submit a declaration that includes contact details of the thesis supervisor.
- F. up to two names of referees working at universities or national and international research institutions, with details of their e-mail addresses. Once the relevant section of the application has been completed and saved by the applicant, the system automatically sends (within 24 hours) to the referee an e-mail with instructions and forwarding method. The letter can be completed according to the model provided to the referee. Applicants are recommended to make sure that their referees submit the letter of presentation **by May 23, 2023**.
- G. **Applicants with a foreign qualification** may attach:
 - **academic diploma of the Master's degree** (Master of Science/Arts or equivalent), in its original language and
 - **Diploma Supplement (DS)**⁹ drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES;

alternatively

- **Declaration of value**¹⁰ which certifies that the educational qualification is valid in the country of issuance for admission to a Doctoral programme (third level of higher education according to the Bologna Process - European Higher Education Area; EQF level 8);

alternatively

- **Statement of comparability of foreign university qualification**¹¹ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

If the foreign academic qualification has already been recognized as equivalent¹² to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached.

7. The University will accept additional documents to be included in the application submitted if sent by e-mail to ateneo@unitn.it (**Subject:** "Application ID number- applicant's Surname and Name – Doctoral Programme in Mathematics – 39th cycle - Supplement to application") **by May 18, 2023 at 4:00 p.m. Italian time**. Additional documents submitted by other means will be disregarded.
8. Only documents (originals or copies) in English and Italian will be considered for the selection by the Selection Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant. The mandatory attachments required at points **5.D and 5.F** must be submitted in **English** by all applicants.
9. All applicants are admitted to the selection procedure **conditionally upon ascertainment that they fulfill the admission requirements (art. 2)**. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. **The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of applicants lacking the requirements specified in the present call.**
10. According to Italian Law no. 104/92, Art. 20 and to Italian Law no. 68/99, Art. 16 (1), applicants with special needs or with learning disabilities may explicitly request in their application special assistance or extra time during the examinations, in accordance with their disability. In this case personal data will be processed in compliance with the current law as indicated in the GDPR Privacy notice.

Art. 4 – EVALUATION OF APPLICATIONS

⁹ The Diploma Supplement accompanies a higher education diploma, providing an improvement in international "transparency" and a promotion of the academic and professional qualifications obtained (diploma, degrees, certificates, etc.). The Diploma Supplement must be issued by the same institution that issued the qualification. Further information at <http://www.cimea.it/en/servizi/il-sistema-italiano-di-istruzione-superiore/diploma-supplement.aspx> and http://ec.europa.eu/education/resources/diploma-supplement_en

¹⁰ Further information about DoV and equivalence: <http://www.cimea.it/en/servizi/procedure-di-riconoscimento-dei-titoli/glossario.aspx>

¹¹ The University of Trento signed an agreement with the CIMEA Association about evaluating and verifying foreign titles through the online platform Diplome. Further information at: <https://international.unitn.it/incoming/diploma-verification>

¹² Details at <http://www.cimea.it/en/servizi/procedure-di-riconoscimento-dei-titoli/procedure-di-riconoscimento-accademico-dei-titoli.aspx>

1. The evaluation is made by a Selection Committee appointed by the Rector upon advice from the Doctoral Committee, in accordance with the University Regulations for Doctoral Programmes. The Selection Committee sets the evaluation criteria during a preliminary meeting.
2. The selection procedure is designed to rank, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the Doctoral Programme.

The selection is made on the basis of the assessment of:

- all the mandatory applicant's qualifications listed in previous art. 3 and
- an interview, in English. The interview will assess the applicant's basic knowledge about the Doctorate scientific areas (on the basis of his/her Master thesis topic) and his/her inclination to research, the previous research and professional experience, and qualifications declared in the application.

The Selection Committee will evaluate the eligibility of the applicants for the position they shown their preference, on the basis of the documents (and of the research project in case of scholarships on specific reserved topics) they uploaded in the online application, or they sent lately as an integration.

Important notice: the applicant's choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarship over the others.

3. The Selection Committee will award a maximum of 100 points, of which:
0-40 points: assessment of qualifications
0-60 points: interview.
4. Applicants obtaining a minimum score of 25/40 for the assessment of qualifications will be admitted to the oral examination which will be passed with a minimum score of 38/60; only applicants who have passed both the examinations with a minimum score of 63/100 will be short-listed.

The assessment of qualifications will start from **May 25, 2023**; the interviews will be held **from June 8, 2023**. The results of the assessment of qualifications and the exact date and time of the interviews will be published on the [selection webpage](#).

5. The applicants can choose¹³ to hold the interview as follows:
 - a) in person at the University of Trento;
 - b) online interview: using audio-video connection tools, that allow the correct identification of the participants (through a webcam), and the conduction of the oral test in a public form.

The Selection Committee will decide the schedule of the interviews. The exact date, time (Italian time, GMT +2) and place of the interview will be posted on [selection webpage](#). The University is not responsible for any technical problems that could affect the correct ongoing of the interview.

Possible changes will be solely posted on the selection web page.

To simplify the identification procedures, the identification document shall be the one attached when filling in the online application. The applicant's not showing up or connecting for the interview whatever the reason, or not being reachable on the day and at the time set for the examination, or not providing a valid identification document constitute grounds for exclusion.

Art. 5 – RANKINGS

1. At the end of the selection procedure, the Selection Committee draws up one general ranking list.
2. The available scholarships are assigned to short-listed applicants according to:
 - a. the position in the ranking list;
 - b. for reserved scholarships, the position in the ranking list and the applicant's eligibility for that specific scholarship, considering also the specific preference expressed by the applicant when applying.
 - c. In case of equal score see following art. 6.
3. Non-allocated scholarships on reserved topics will result in the reduction of the number of positions available.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE POSITION

1. Short-listed applicants are admitted to the Doctoral Programme based on the final ranking list until all available positions have been filled. All applicants compete for the award of the scholarships funded by the University of Trento and the University of Verona; however, applicants who have been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the Doctoral Programme.
2. Should two applicants obtain the same score, regarding the award of the scholarship, the applicants' economic situations shall be

¹³ The choice has to be made in the relevant section while applying online

the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As for positions without scholarship, the younger of the two applicants will be selected.

3. Admitted applicants must send the acceptance of position following the instructions at [Enrolment 1, 2, 3 year](#):
- **within 8 days** starting from the day following the publication of the final ranking list on the selection webpage for **positions covered with scholarships or other form of financial support**;
 - **within 14 days** starting from the day following publication of the final ranking lists on the selection website for **positions without scholarships or other form of financial support**, if any.

N.B.! Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase – “Application procedure”) the Doctorate Office Science and Technology (sending them in advance by e-mail: phd.office-st@unitn.it) **by November 8, 2023**:

- *Academic diploma of the Master's degree* (Master of Science/Arts or equivalent) in the original or certified copy, together with the academic transcript of records, possible official translations¹⁴, legalized or with an apostille affixed¹⁵ (please carefully verify the fulfillment of the requirements set by the issuing country of the title);
- *Diploma Supplement* (if provided for by the university where the title was issued, it is commonly used within the member countries of the European Higher Education Area);

Alternatively

- *Declaration of Value*¹⁶ issued by the Italian diplomatic or consular representations country of origin of the institution that awarded the title;

alternatively

- *Statement of comparability of foreign university qualifications*¹⁷ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification;

In case the Diploma Supplement, or the Declaration of Value, or the Statement of comparability are not available by the date indicated, admitted applicants must deliver a document showing that they asked the University, or the Italian diplomatic or consular representations, or the ENIC-NARIC centre for the documents to be issued.

Admission to the Doctoral Programme for successful applicants who do not provide the required above-mentioned documents by November 8, 2023 will be “conditional” and the applicants will lose their right to continue the Doctoral Programme if:

- they do not deliver the documents within 6 months from the starting date of the Programme;
- upon verification, their title is not in compliance with the requirements of this call for selection. In the case of loss of student status, the applicant must return the scholarship instalments eventually received.

4. Note that the acceptance of a position must include the payment of stamp duty and the payment of the "provincial tax for the right to higher education" - TDS¹⁸ (except for exemption cases). At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not accept the position by the above-mentioned deadlines will lose their right to registration, and their places will be offered to the next applicants on the ranking list.
6. If a successful applicant withdraws **before the beginning of the Doctoral Programme** (November 1, 2023), the next applicant on the ranking will be offered the position, if entitled to it also based on the eligibility assessment for reserved scholarships. The latter must submit his/her acceptance of the position **within 4 days** starting from the day after the communication from the Doctorate Office Science and Technology is sent
7. If a successful applicant withdraws or is excluded after the beginning of the Doctoral Programme and **during the first three months of the first year**, the Doctoral Committee may decide to fill the vacancy with the next applicant on the ranking list, considering the acquired eligibility for reserved scholarships.
8. At the end of the enrolment period, doctoral students must communicate via e-mail (phd.maths@unitn.it) to the Doctoral Programme Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be in Trento at the beginning of the academic year (November 1, 2022) for justified reasons, must submit adequate motivations and justifications by no later than November 6, 2023. In the case of a lack of communication and failure to arrive in Trento by the abovementioned deadline Doctoral students will be considered to have renounced the Doctoral Programme.

¹⁵ See: <https://www.studiare-in-italia.it/studying/info-13.html>

¹⁶ Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available.

¹⁷ The University of Trento signed an agreement with the CIMEA Association about evaluating and verifying foreign titles through the online platform Diplome. Further information at: <https://international.unitn.it/incoming/diploma-verification>

¹⁸ Note that the total amount of the TDS + stamp duty must be paid only by credit card following the instructions. Page <https://www.unitn.it/en/ateneo/1931/education-tax-tds-and-stamp-duty> provides information on exemption from the TDS.

Art. 7 – ENROLMENT ON THE PHD PROGRAMME

1. Enrolment on the Doctoral Programme, only for admitted applicants who have accepted the position as mentioned above, will be automatically formalized as soon as the accreditation for the academic year 2023/2024 has been confirmed by the Ministry of University and Research. If accreditation is not confirmed, applicants who have accepted a position will receive timely notification via e-mail, and the fee for the Right to Education (TDS) will be refunded.
2. Applicants having obtained the qualification abroad must show the official documents (in original or copy conforming to the original) to allow the appropriate verification of the validity of their qualifications, also through the national information centres on the recognition of foreign qualifications belonging to the ENIC-NARIC network, to finalize the enrolment when arriving in Italy. Until that moment applicants are admitted to the Programme conditionally and may be excluded if they do not meet the requirements.

Art. 8 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the student, including, but not limited to, software, patentable industrial inventions, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations (in particular, the Regulations on Intellectual Property Rights issued with Rectoral Decree no. 539 of 22/07/2020 and subsequent amendments) and, if necessary, according to the provisions in the individual agreements with universities, companies or other institutions involved¹⁹.
2. Before starting their research activities, the admitted applicants must sign a declaration, validated by the academic supervisor, regarding their commitment to confidentiality about information, data and reserved documents they can learn about during their doctoral activities at and/or on behalf of the University of Trento. When the research activities are funded by private or public bodies other than the University, the admitted applicants must sign a declaration, validated by the academic supervisor, to allow the University to respect its duties about the intellectual property rights towards the funding body and eventually a Declaration of commitment with the funding body, when required.

Art. 9 – PROCESSING OF PERSONAL DATA

1.
