Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for applications for the admission to the 41st cycle (Academic Year 2025/2026) of the Doctoral Programme in “Materials, Mechatronics and Systems Engineering” as follows:

Deadline for application: June 30th, 2025, hrs. 4.00 PM (Italian time, GMT +2, all the times indicated in this announcement are to be meant as Italian time)

Positions: no. 26

Scholarships: no. 23 (of which 20 on reserved topics)

Positions without scholarship: no. 3

Positions are divided as follows:

Financer	No.	Topics of reserved scholarships ¹
University of Trento	3	
University of Trento and Department of Industrial Engineering	8	<p>A - Reliable Robot Control with Learned Safe Sets (UE HE INVERSE, n. 101136067, CUP E63C23001600006)</p> <p>B - Innovative processes for the production of high mechanical performance and durability glass and glass-ceramics</p> <p>C - Modelling/estimation/control of vehicles using model-structured neural networks for simulations and real-time applications (funded with a grant from the Ministry of University and Research under D.D. No. 1236 of 1-08-2023 - Bando FIS 2; project FIS-2023-03684 "Structured neural network framework for modeling and control of autonomous systems - Neu4mes", CUP E53C24003800001)</p> <p>D - Real-time models and optimal control for racing vehicles combining equation-based approaches and model-structured neural networks (funded with a grant from the Ministry of University and Research under D.D. No. 1236 of 1-08-2023 - Bando FIS 2; project FIS-2023-03684 "Structured neural network framework for modeling and control of autonomous systems - Neu4mes", CUP E53C24003800001)</p> <p>E - Planning and control of quadrupedal robot locomotion using model-structured neural networks (funded with a grant from the Ministry of University and Research under D.D. No. 1236 of 1-08-2023 - Bando FIS 2; project FIS-2023-03684 "Structured neural network framework for modeling and control of autonomous systems - Neu4mes", CUP E53C24003800001)</p> <p>F - Development of model-structured neural networks for modelling, estimation, and control of autonomous robotic systems, designed for embedded architectures (funded with a grant from the Ministry of University and Research under D.D. No. 1236 of 1-08-2023 - Bando FIS 2; project FIS-2023-03684 "Structured neural network framework for modeling and control of autonomous systems - Neu4mes", CUP E53C24003800001)</p> <p>G - AI-Driven Embedded Monitoring Solutions for Next-Generation Energy Systems</p> <p>H - Production and characterization of metallic materials for the biomedical sector by binder jetting additive manufacturing</p>
University of Trento and Department of Physics	1	I - Development of CMOS pixel sensors for radiation imaging in space, medical diagnostics and High-Energy Physics applications (ASI SPACE IT UP SPOKE 4, CUP E63C24000530003)
University of Trento and Fonderie Ariotti S.p.A.	1	J - Damage analysis of thick-walled ductile cast iron castings under complex loading and severe environmental conditions

¹ Reserved scholarships can only be assigned to those candidates who will ask for and obtain the specific eligibility.

Department of Industrial Engineering	5	<p>K - New concepts of electrostatic energy harvesters based on electroactive materials (UE HE ERC fIEAP, CUP E63C24001590006)</p> <p>L - Electro-mechanical design and characterisation of high-performance electrostatic actuators (UE HE ERC fIEAP, CUP E63C24001590006)</p> <p>M - Development of a framework for the design of model-structured neural networks for estimation, modelling and control of physical systems (funded with a grant from the Ministry of University and Research under D.D. No. 1236 of 1-08-2023 - Bando FIS 2; project FIS-2023-03684 "Structured neural network framework for modeling and control of autonomous systems - Neu4mes", CUP E53C24003800001)</p> <p>N - Engineered Bio-Derived Hydrogels Tailoring Mechanical and Adhesive Properties as Sustainable Biomedical Technologies (CONSORZIO MELINDA Sca, CUP C77B24000000008)</p> <p>O - Algorithms for Planning and Control of Anthropomorphic Robots in Human-Shared Environments (UE HE MAGICIAN, n. 101120731, CUP E63C23000730006)</p>
Department of Information Engineering and Computer Science	1	P - Reliability of machine learning accelerators for robotic and space applications (UE EDF RA - ARCHYTAS, n. 101167870, CUP E63C24002180006)
MUR-funded grants - Departments of Excellence. Funding allocated by the MUR under the intervention "Departments of Excellence 2023-2027 (Law 232/2016)," Department of Industrial Engineering CUP E63C22003890001	2	<p>Q - Development of Small-Scale Metamaterials for Sensors and Energy Systems</p> <p>R - Modeling and control of power converters interfacing energy storage systems in industrial smart grids</p>
Fondazione Bruno Kessler	2	<p>S - Design and Characterization of CMOS-SiC electronics for the next generation of harsh-environment sensors</p> <p>T - Experimental investigation on the performance of flow battery components for low-cost long duration energy storage (IPCEI Batterie 2, CUP B62C22000010001)</p>
No. of positions without scholarship	3	
No. of positions	26	

The scholarships dedicated to specific research topics (reserved positions) may be assigned only to those applicants who specifically apply for them, because these positions are linked to a certain research topic for which specific skills are required. Applicants interested in one or more reserved positions must therefore carefully check on the selection website the topic and the required skills, and if the scholarships entail the acceptance of confidentiality commitment and/or transfer of intellectual property rights (see the file "Research subjects" for possible details).

The positions with scholarships or other financial support may be increased after the publication of this call till the assessment of qualifications. All the new available positions will be posted solely on the selection website.

Additional positions: scholarships that will be available after the publication of this call (and published on the selection website) can be selected by using the entry "Other" in the proper section of the online application, and indicating in the specific space the title and ID of the scholarship chosen, as well as for the selection of positions that do not have a reserved topic.

Moreover, applicants selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 41st cycle in additional positions.

Duration: Three years

Start of the Academic Year: November 1st, 2025

Official language: English

- **Selection website:** <https://www.unitn.it/en/phd/materials-mechatronics-and-systems-engineering>
- **Doctoral Programme website:** <https://phd.unitn.it/dmmse/> (information on the Programme, admission to subsequent years and to the final examination)

Important:

- a. The dates of the selection and all selection results (interim and final), the possible exclusion from the selection due to an incomplete application (art. 3), the exclusion for foreign qualification not recognized as suitable (art. 2), and any notices related to the call will

be published only on the selection webpage; the applicants **will be identified through the application ID therefore it is recommended to keep it safe**. The publication on the website is to all intents and purposes valid as official notification, and no personal communication will be sent.

- b. Possible communication related to the call for selection will be sent by e-mail to the applicants' personal email address connected to the account registered by the system when closing the application. Applicants with an active or just concluded career at the University of Trento are advised to check their personal email address at the link: [Profile data for account](#). In case you need to change your personal email address after the application closure, please send a request to the Doctorate Office S&T (phd.office-st@unitn.it).

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of gender, age and nationality, who hold:
 - a. an Italian "Laurea Magistrale" or "Laurea Specialistica", according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004;
 - or
 - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica e Musicale);
 - or
 - c. an equivalent foreign degree (Master's degree) obtained at an officially recognized academic institution, valid for admission to Doctoral studies in the Country it has been issued (except for substantial differences) and similar (duration and level) to the Italian degree, recognized as eligible by the Selection Committee for the sole purpose of accessing this specific Doctoral Programme.
2. Applications are also accepted from students expected to obtain the necessary degree **by October 31st, 2025**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be "conditional" and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **by November 7th, 2025, on penalty of exclusion**, the certificate awarded or a self-declaration pursuant to art 46 of D.P.R. 28.12.2000, n. 445 and subsequent amendments.
3. Applicants with a foreign qualification that has not been officially recognised as **equivalent** to a second cycle Italian degree (Laurea Magistrale/Specialistica/vecchio ordinamento) will be considered as **requesting equivalence in their application**, by attaching the necessary supporting documents.
It is in the applicant's interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one.
The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility.
4. Applicants who have already obtained the Doctoral degree will be admitted to attend a second Doctoral Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctoral degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new Doctoral Programme.

Art. 3 – APPLICATION PROCEDURE

1. The application must be **completed and submitted by hrs. 4.00 p.m. Italian time of June 30th, 2025, exclusively through the online system**: [Doctoral Programmes Applications](#) which will be available within 3 working days from the publication of the announcement.
Authentication to the registration procedure is possible through:
 - **SPID**: applicants who own an Italian tax code and an Italian ID must access the registration procedure using the CIE (Electronic ID) or SPID, the Italian Public Digital Identity System, which automatically certifies the applicant's identity on the UniTrento systems and sets up an account as @unitn.it;
 - **University of Trento account**: those who do have a University of Trento account can access the application procedure with their existing username ([name.surname@guest.unitn.it](#) or [name.surname@unitn.it](#)). Those who have a UniTrento account but cannot remember the password, should follow the procedure: [Reset password by email](#). Further information on UniTrento username and password at [Account@unitn.it](#);
 - **a UniTrento "guest" temporary account**: only those who do not have an Italian tax code or a University of Trento account can set up a temporary "guest" account. After the matriculation, this account will be converted into a final one as @unitn.it. Procedure at: [Account registration info](#).
2. To finalize the application a non-refundable **application fee of € 30** (thirty) is to be paid by **PagoPA payment system** according to the instructions given in the appropriate section of the online application.
The online application can be saved and modified several times until the final submission. Thereafter it can no longer be changed.
3. **The online application is considered to be a self-declaration of personal data and qualifications with full legal effect**. It is the sole responsibility of the applicant to make sure that the online application has been successfully submitted and an email notification has been received. There will be no liability with the University in the event that an application is not submitted correctly.

4. When filling out the Application online candidates must select the research topics (max. 2, specifying the order of preference) they want to apply for. Candidates who select more than one research topic in the application online must attach a statement of purpose and a research project for each research topic. Applicants interested in applying also for one or more of the reserved scholarships listed in art. 1 must make an explicit request when filling in the online application. The expressed order of preference is binding.
5. Regarding additional reserved scholarships added after the publication of this Call (additional positions) applicants will be required to express their interest according to the above instructions. **Important:** the candidate's choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarships.
6. **MANDATORY ATTACHMENTS** (failure to upload one or more mandatory attachments will result in automatic exclusion from the selection)

A. **Identifying document (ID):**

A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting his/her photograph, personal data, number, place and date of issue, expiry date and signature;

B. **Academic degree for admission to the Doctoral Programme:**

a. **Italian qualification:**

- **already obtained/to be obtained: a self-declaration**, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, stating the **list of passed exams** together with date, mark and credits obtained in each examination. A template is available on the selection website but similar documents are also accepted as long as they report the information requested in the call. If the qualification was issued by the University of Trento, the information will be acquired automatically.

b. **foreign qualification:**

- **already obtained:**
 - a **certificate attesting to the possession of a second level university qualification** (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date it was awarded and the relative grade;
 - a **list of examinations** taken to obtain the qualification to access a Doctoral Programme (**academic transcript of records of the Master's degree**) with relative credits (if provided for in the university system of the country that awarded the qualification), marks, and rating scale.
If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken to obtain that degree (*academic transcript of records of the Bachelor's degree*) should also be attached.
- **to be obtained:**
 - a **certificate of enrolment in a course of study that allows admission to a Doctoral Programme** (see art. 2 paragraph 1 letter c), with a **list of the examinations** successfully passed, credits obtained in each examination (if provided for in the university system of the country that awarded the qualification), marks, rating scale (academic transcript of records) and the possible award date.
If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the **list of examinations** taken to obtain that degree (academic transcript of records of the Bachelor's degree) should also be attached.

If the aforementioned **documents** are **not in English**, they must be accompanied by a **translation** in Italian or in English **made provisionally by the applicant** who takes responsibility for the accuracy of the translation and its compliance with the original text.

- C. **Curriculum vitae et studiorum** in Italian or English, preferably according to the Europass model; all academic degrees held and any university enrolments in progress must be specified in detail (please specify also the High School diploma details)
- D. **Summary of the Master's degree thesis** written in English explaining the reasons for the choice of the subject, the research methodology and the results obtained (max 4 pages);
- E. **Statement of purpose** written in **English** (max 3000 characters spaces included) motivating the applicant's research interest in one of the Phd Programme's research field;
- F. **Research proposal:** a description of the research project in English (max. 4 pages) preferably on one of the research subjects of the 41st cycle listed at the selection webpage. Candidates applying for scholarships on reserved topics must attach a research project on that specific subject; during the interview the specific eligibility to this subject will be assessed. **The applicants awarded a scholarship on a specific reserved topic must accept it otherwise they will be excluded.**

7. **OPTIONAL ATTACHMENTS:**

- A. List of possible publications; please do not send the entire publications, as the Selection Committee will evaluate only the list.
- B. Any other title, as for example international certifications also about your linguistic competence (e.g. the certification of GRE test (Graduate Record Examination), or similar);
- C. copy of the first-level academic degree (Bachelor's degree) and transcript;

- D. any additional qualifications useful for assessing the applicant's knowledge of foreign languages and the applicant's attitude towards research (prizes, scholarships, post-graduate research and work activity, recommendation letters, etc.);
- E. **Applicants with a foreign qualification** may attach:
- **academic diploma of the Master's degree** (Master of Science/Arts or equivalent), in its original language and
 - **Diploma Supplement** (DS) drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES;

alternatively

- **Declaration of value** which certifies that the educational qualification is valid in the country of issuance for admission to a Doctoral programme (third-cycle degree according to the Qualifications Framework in the European Higher Education Area QF EHEA, EQF level 8 according to European Qualifications Framework EQF);

alternatively

- **Statement of comparability of foreign university qualification**² issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

If the foreign academic qualification has already been recognized as equivalent³ to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached.

8. The University will accept additional documents to be included in the application submitted if sent by email to ateneo@unitn.it (**Subject:** "Application ID number- applicant's Surname and Name – Doctoral Programme in Materials, Mechatronics and Systems Engineering – 41st cycle - Supplement to application") **by June 30th, 2025 at 4:00 p.m. Italian time. Additional documents submitted by other means will be disregarded.**
9. Only documents (originals or copies) in English and Italian will be considered for the selection by the Selection Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant. The mandatory attachments required at points **6.D, 6.E and 6. F** must be submitted **in English** by all applicants.
10. All applicants are admitted to the selection procedure **conditionally upon ascertainment that they fulfill the admission requirements (art. 2)**. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. **The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of applicants lacking the requirements specified in the present call.**
11. According to Italian Law no. 104/92, Art. 20 and to Italian Law no. 68/99, Art. 16 (1), applicants with special needs or with learning disabilities may explicitly request in their application specific measures or special assistance during the examinations, in accordance with their certification. In this case personal data will be processed in compliance with the current law as indicated in the GDPR Privacy notice.

² The University of Trento has signed an agreement with the CIMEA Association for the evaluation and verification services of foreign qualifications through the use of the Diplome platform (<https://cimea-diplome.it/>). The statement of comparability of qualifications relating to the 55 countries of the Lisbon Convention can be downloaded directly and free of charge through CIMEA website page ARDI – Automatic Recognition Database Italia

³ Details at <https://www.cimea.it/EN/pagina-riconoscimento-accademico> - Point 3) "Nostrification procedure (equipollenza)"

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by a Selection Committee appointed by the Rector upon advice from the Doctoral Committee, in accordance with the University Regulations for Doctoral Programmes. The Selection Committee sets the evaluation criteria during a preliminary meeting.
2. The selection procedure is designed to rank, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the Doctoral Programme.

The selection is made on the basis of the assessment of:

- All the mandatory applicant's qualifications listed in previous art. 3
 - an interview, in English. The interview will assess the applicant's basic knowledge about the Doctorate scientific areas, the previous research and professional experience and qualifications declared in the application, as well as the knowledge of the English language.
3. The Selection Committee will evaluate the eligibility of the applicants for the position they shown their preference, on the basis of the documents (research project) they uploaded in the online application, or they sent lately as an integration.

Those who have submitted their application in good time, or within the deadline set out in this announcement, may opt to compete for any reserved topic scholarships that may become available after the publication of this announcement. Such scholarships will be published on the selection webpage.

Important notice: the applicant's choice to compete also for the reserved scholarships implies a preference on his/her part for the awarding of that specific scholarship.

4. The Selection Committee will award a maximum of 100 points, of which:
0-50 points: assessment of qualifications, of which up to 25 points for the research project and 25 points for other;
0-50 points: interview
Applicants obtaining a minimum score of 30/50 for the assessment of qualifications will be admitted to the interview which will be passed with a minimum score of 30/50; applicants **who have passed the interview** and obtained an overall score of 60/100, will thus be short-listed.
5. The date of the assessment of qualifications will be disclosed at least 20 days in advance on selection webpage.
6. The applicants can choose⁴ to hold the interview as follows:
 - a) **in person at the University of Trento;**
 - b) **online interview:** using audio-video connection tools, that allow the correct identification of the participants (through a webcam), and the conduction of the oral test in a public form.
The Selection Committee will decide the schedule of the interviews. The University is not responsible for any technical problems that could affect the correct ongoing of the interview.

Possible changes will be solely posted on the selection web page.

To simplify the identification procedures, the identification document shall be the one attached when filling in the online application. The applicant's not showing up or connecting for the interview whatever the reason, or not being reachable on the day and at the time set for the examination, or not providing a valid identification document constitute grounds for exclusion.

Art. 5 – RANKINGS

1. At the end of the selection procedure, the Selection Committee draws up one general ranking list.
2. The available positions are assigned to short-listed applicants according to:
 - a) the position in the ranking list;
 - b) for reserved scholarships according to the position in the ranking list and the applicant's eligibility for that specific scholarship.
 - c) In case of equal score see following art. 6.
3. Non-allocated scholarships on reserved topics will result in the reduction of the number of positions available.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE POSITION

1. Short-listed applicants are admitted to the Doctoral Programme based on their position in the final ranking list until all available positions have been filled. Applicants who have been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the Doctoral Programme.
2. Should two applicants obtain the same score, regarding the award of the scholarship, the applicants' economic situations shall be

⁴ The choice must be made when completing the online application, in the appropriate section.

the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As for positions without scholarship, the younger of the two applicants will be selected.

3. Admitted applicants must send the acceptance of the position following the instructions at Enrolling for a PhD:
 - **within 8 days** starting from the day following the publication of the final ranking lists on the selection website for **positions covered with scholarships or other form of financial support**;
 - **within 14 days** starting from the day following publication of the final ranking lists on the selection website for **positions without scholarships or other form of financial support**.

N.B.! Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase – “Application procedure”) to the Doctorate Office S&T (sending them in advance by email: phd.office-st@unitn.it) **by November 7, 2025**:

- **academic diploma of the Master's degree** (Master of Science/Arts or equivalent) in the original or certified copy, **together with the academic transcript of records**, possible official translations, legalized or with an apostille affixed (please carefully verify the fulfillment of the requirements set by the issuing country of the title).
- **Diploma Supplement** (if provided for by the university where the title was issued, it is commonly used within the member countries of the European Higher Education Area (EHEA))

Alternatively

- **Declaration of Value⁵** issued by the Italian diplomatic or consular representations country of origin of the institution that awarded the title

otherwise (if the DS is not available)

- **Statement of comparability of foreign university qualifications** issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

In case the Diploma Supplement, or the Declaration of Value, or the Statement of comparability are not available by November 7, 2025, admitted applicants must deliver a document showing that they asked the University/the Italian diplomatic or consular representations/the ENIC-NARIC center for the documents to be issued.

Admission to the Doctoral Programme for successful applicants who do not provide the required above-mentioned documents by November 7, 2025 will be “conditional” and the applicants will lose their right to continue the Doctoral Programme if:

- they do not deliver the documents within 6 months from the starting date of the Programme;
- upon verification, their title is not in compliance with the requirements of this call for selection. In the case of loss of student status, the applicant must return the scholarship instalments eventually received.

4. Note that the acceptance of a position within the Doctoral Programme must include the payment of stamp duty and the payment of the “provincial tax for the right to higher education” - TDS (except for exemption cases). At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not accept the position by the above-mentioned deadlines will lose their right to registration, and their places will be offered to the next applicants on the relevant ranking.
6. If a successful applicant withdraws **before the beginning of the Doctoral Programme** (November 1, 2025), the next applicant on the ranking will be offered the position, if entitled to it based on the eligibility assessment for reserved scholarships. The latter must submit his/her acceptance of the position **within 4 days** starting from the day after the day on which the communication from the Doctorate Office S&T is sent.
7. If a successful applicant withdraws or is excluded after the beginning of the Doctoral Programme and **during the first three months of the first year**, the Doctoral Committee may decide to fill the vacancy with the next applicant on the relevant ranking, considering the acquired eligibility for reserved scholarships.
8. At the end of the enrolment period, doctoral students must communicate via e-mail (dii.phd@unitn.it) to the Doctoral Programme Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year, must submit adequate motivations and justifications by no later than **November 7, 2025**, on penalty of exclusion from the Doctoral Programme. In the case of a lack of communication and failure to arrive in Trento by the abovementioned deadline Doctoral students will be considered excluded from the Doctoral Programme.

⁵ Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available.

Art. 7 – ENROLMENT ON THE DOCTORAL PROGRAMME

1. Enrolment on the Doctoral Programme, only for admitted applicants who have accepted the position as mentioned above, will be automatically formalized as soon as the accreditation for the academic year 2025/2026 has been confirmed by the Ministry of University and Research. If accreditation is not confirmed, applicants who have accepted a position will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.
2. In order to complete the enrolment process, those applicants who have obtained their academic qualifications abroad must, upon their arrival in Italy, show the official documents (the original ones or certified copies of them) relative to their academic record that have already been submitted in scanned form during admission to the selection phase or upon acceptance of the position, thereby enabling the appropriate checks of the validity of the qualifications to be conducted, also through the national information centers on the recognition of foreign qualifications belonging to the ENIC-NARIC network. Until that time, applicants are conditionally admitted to the course and may be excluded if they do not fulfil the requirements.

Art. 8 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the PhD student, including, but not limited to, software, industrial inventions patentable or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or entities involved⁶.
2. Before starting their research activities, the admitted applicants must sign a declaration, validated by the academic supervisor, regarding their commitment to confidentiality about information, data and reserved documents they can learn about during their doctoral activities at and/or on behalf of the University of Trento. When the research activities are funded by private or public bodies other than the University, the admitted applicants must sign a declaration, validated by the academic supervisor, to allow the University to respect its duties about the intellectual property rights towards the funding body and eventually a Declaration of commitment with the funding body, when required.

Art. 9 - PROCESSING OF PERSONAL DATA

In compliance to Article 13 of EU Regulation 2016/679, the University of Trento provides to the applicants (hereinafter "Data subjects") with the following information:

1. Data Controller
The Data Controller is the **University of Trento**, via Calepina n. 14, 38122 Trento (TN). The Data Controller can be reached at the following email addresses: ateneo@unitn.it, ateneo@pec.unitn.it
2. Contact details of the Data Protection Officer
The **Data Protection Officer (DPO)** can be contacted to request information on personal data at the following email address: dpo@unitn.it.
3. Purpose of the processing and legal basis
The University of Trento processes personal data as part of the performance of its public interest tasks as well as to comply with a legal obligation to which the Data controller is subject (Article 6, paragraph 1, letters e) and c) of the GDPR) and, in particular for the following purposes: to carry out the present call for selection and to fulfil the related law requirements
4. Nature of the provision of data
The provision of personal data is necessary for applying to this call for selection and the failure to provide it will result in the impossibility of applying.
The provision of particular data concerning disabilities is optional, but failure to provide such data will determine the impossibility of using the necessary support instruments.
5. Data processing methods
