Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for applications for the admission to the 42nd Cycle (Academic Year 2026/2027) of the Doctoral Programme in Mathematics.

Deadline for application: June 20th, 2026, hrs. 04.00 p.m. (Italian time)

Positions: no. 11

Scholarships: no. 11 (of which no. 4 on reserved topics)

Positions are divided as follows:

Financer	No. of scholarships	Reserved topic
University of Trento	6	
University of Trento and Department of Mathematics	1	<p>A) Singular structures in the geometry of measures: decompositions, rigidity and rectifiability/Strutture singolari nella geometria delle misure: decomposizioni, rigidità e rettificabilità (Curriculum in Calculus of variations - MUR FIS2 CUP E53C25001800001 - FIS-2023-02725)</p> 
University of Verona	1	
	1	<p>B) Next-Generation high order moving mesh methods for hyperbolic equations (Progetto HE_ERC_ALCHYMIA, GRANT AGREEMENT Project 101114995 — ALcHyMiA CUP B33C23001120006)</p>
FBK (Bruno Kessler Foundation)	2	<p>C) Cryptanalysis of Post-Quantum Cryptosystems D) Applications of Zero-Knowledge Proofs</p>
No. of positions	11	

Positions reserved for specific research topics (reserved positions) may be assigned only to those applicants who specifically apply for them. This kind of positions are actually related to a specific research topic, for which specific skills are required. Applicants interested in one or more reserved positions must therefore carefully check on the [selection webpage](#) the topic and the required skills, and if the scholarships entail the acceptance of confidentiality commitment and/or transfer of intellectual property rights.

The positions with scholarships or other financial support may be increased after the publication of this call and until the assessment of qualifications. All the new positions available will be posted solely on the selection webpage.

Additional positions: scholarships on reserved topics which will be available after the publication of this call (and published on the selection webpage) can be selected by indicating in the scholarship description field of the online application the code letter of the scholarship chosen. Applicants who have already closed and submitted the application before the publication of additional scholarships can apply for those scholarships by sending an e-mail to the Doctoral Secretariat (phd.maths@unitn.it), possibly modifying the order of preference.

Moreover, applicants selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 42nd Cycle in additional positions.

Scholarship amount: Euro 18,345.00 per year (Tier I)

Doctoral Programme website: <https://phd.unitn.it/drmath/> (information on the Programme, admission to subsequent years and to the final examination)

Important:

- a. The dates of the selection and all selection results (interim and final), the possible exclusion from the selection due to an incomplete application (art. 3), the exclusion for foreign qualification not recognized as eligible (art. 2), and any notices related to the call will be published only on the selection webpage; the applicant **will be identified through the application ID therefore it is recommended to keep it safe**. The publication on the webpage is to all intents and purposes valid as official notification, and no personal communication will be sent.
- b. Possible communication related to the call for selection will be sent by e-mail to the applicant's personal email address connected to the account registered by the system when closing the application. Applicants with an active or just concluded career at the University of Trento are advised to check their personal email address at the link: [Profile data for account](#). In case you need to change your personal email address after the application closure, please send a request to the PhD Office – Scientific and Technological Area (phd.office-st@unitn.it).

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of nationality, who hold:
 - a. an Italian “Laurea Magistrale” or “Laurea Specialistica”, according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004;
or
 - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica, Musicale e Coreutica);
or
 - c. an equivalent foreign degree (*Master's degree*) obtained at an officially recognized academic institution, valid for admission to Doctoral studies in the Country it has been issued (except for substantial differences) and similar for duration, level¹, nature (academic nature, research topics) and disciplinary subject area to the Italian degree, recognized as eligible by the Selection Committee for the sole purpose of accessing this specific Doctoral Programme.
2. Applications are also accepted from students expected to obtain the necessary degree **by October 31st, 2026**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be “**conditional**” and the applicant will have to submit to the PhD Office – Scientific and Technological Area (via email to: phd.office-st@unitn.it) **by November 6th, 2026, on penalty of exclusion**, the certificate awarded or a self-declaration pursuant to art 46 of D.P.R. 28.12.2000, n. 445 and subsequent amendments.
3. Applicants with a foreign qualification that has not been officially recognised as **equivalent** to a second cycle Italian degree (*Laurea Magistrale/Specialistica/vecchio ordinamento*) will be considered as **requesting equivalence in their application**, by attaching the necessary supporting documents.
It is in the applicant's interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one. The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility.
4. Applicants who have already obtained the Doctoral degree will be admitted to attend a second Doctoral Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctoral degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new Doctoral Programme.

¹ The reference foreign qualification must be a second level qualification according to the Bologna process (level 7 EQF / 2nd cycle QF-EHEA).

Art. 3 – APPLICATION PROCEDURE

1. The application² must be **completed and submitted by hrs. 04.00 p.m. Italian time of June 20th 2026, exclusively through the online system: [Doctoral Programmes Applications](#)**, which will be available within 3 working days from the publication of the announcement.

Authentication to the registration procedure is possible through (Is recommended to register well in advance of the call deadline. It may take up to three business days for credentials to be issued):

- **SPID or CIE (Electronic ID)**; applicants who own an Italian tax code as well as an Italian ID must access the registration procedure using the CIE (Electronic ID) or SPID, the Italian Public Digital Identity System, which automatically certifies the applicant's identity on the UniTrento systems and sets up an account as @unitn.it;
- **University of Trento account**: those who do have a University of Trento account can access the application procedure with their existing username (name.surname@guest.unitn.it, or name.surname@unitn.it). Those who have a UniTrento account but cannot remember the password, should follow the procedure: [Reset password by email](#)
Further information on UniTrento username and password at [Account@unitn.it](#)
- **a UniTrento "guest" temporary account**: only those who do not have an Italian tax code or a University of Trento account can set up a temporary "guest" account. After the matriculation, this account will be converted into a final one as @unitn.it. To register a guest account: [Account registration info](#).

2. To finalize the application a non-refundable **application fee of € 30** is to be paid through **PagoPA payment system** according to the instructions given in the appropriate section of the online application ("Application fee" section).

The online application can be saved and modified several times until the final submission. Thereafter it can no longer be changed.

3. **The online application is considered to be a self-declaration of personal data and qualifications with full legal effect.** It is the sole responsibility of the applicant to make sure that the online application has been successfully submitted and an e-mail notification has been received. There will be no liability with the University in the event that an application is not submitted correctly.

4. Applicants who intend to compete also for one or more scholarships on a specific reserved topic must declare their choice when filling in the online application, specifying the **order of preference**, which will be **binding**.

Regarding additional reserved scholarships added after the publication of this Call (**additional scholarships**), applicants will be required to express their interest for according to the instructions given in art. 1.

Important: the applicant's choice to compete also for the reserved scholarships implies a preference on their part for the awarding of that specific scholarship over the others.

- I. any additional qualifications useful for assessing the applicant's attitude towards research (Master's thesis, scientific publications, any documents regarding awards, post-graduate studying and research activities, language certifications, scholarships);
- J. copy of the first-level academic degree (Bachelor's degree) and transcript;
- K. applicants who already obtained the Master's degree may attach copy of the thesis frontispiece that includes title and name of the supervisor. Applicants who haven't obtained the degree yet may submit a declaration that includes contact details of the thesis supervisor.
- L. up to two names of referees working at universities or national and international research institutions, with details of their e-mail addresses. Once the relevant section of the application has been completed and saved by the applicant, the system automatically sends (within 24 hours) to the referee an e-mail with instructions and forwarding method. The letter must be completed according to the model that will be sent to the referee. Applicants are recommended to make sure that their referees submit the letter of presentation by **June 27th, 2026**.
- M. Applicants with a **foreign qualification** may attach:

- **academic diploma** of the Master degree (Master of Science/Arts or equivalent), in its original language;
- **Diploma Supplement (DS)** drafted according to the form developed by the European Commission, the Council of Europe and UNESCO/CEPES;

alternatively

- **Declaration of value** which certifies that the educational qualification is valid in the country of issuance for admission to a Doctoral programme (third-cycle degree according to the Qualifications Framework in the European Higher Education Area QF EHEA, EQF level 8 according to European Qualifications Framework EQF);

alternatively

- **Statement of comparability** of foreign university qualification³ issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

If the foreign academic qualification has already been recognized as **equivalent**⁴ to a second cycle Italian qualification by the competent academic bodies of Italian universities, **the equivalence provision (Rectoral Decree)** must be attached.

7. The University will accept additional documents to be included in the application submitted if sent by email to ateneo@unitn.it (**Subject:** "Application ID number- applicant's Surname and Name – Doctoral Programme in Mathematics – 42nd cycle - Supplement to application") **by June 20th, 2026 at 4:00 p.m. (Italian time)**. Additional documents submitted by other means will be disregarded.
8. Only documents, originals or copies, in English and Italian will be taken into consideration for the selection by the Selection Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant; the mandatory attachments required at points 5 D and 5F must be submitted only in English.
9. All applicants are admitted to the selection procedure **conditionally upon ascertainment that they fulfill the admission requirements (art. 2)**. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. **The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of applicants lacking the requirements specified in the present call.**
10. According to Italian Law no. 104/92, Art. 20 and to Italian Law no. 68/99, Art. 16 (1), applicants with special needs or with learning disabilities may explicitly request in their application specific measures or special assistance during the examinations, in accordance with their certification. In this case personal data will be processed in compliance with the current law as indicated in the GDPR Privacy notice.

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by a Committee appointed by the Rector upon advice from the Doctoral Committee, in accordance with the University Regulations for Doctoral Programmes. The evaluation is made by an Admissions Committee appointed by the Rector, consisting of a minimum of three members selected from among the teaching and research staff of Italian or foreign institutions, qualified in disciplines related to the scientific areas of the PhD program. It may also be supplemented by up to two experts, including international ones, selected from public and private research centres. The Selection Committee sets the evaluation criteria during a preliminary meeting.
2. The selection procedure is designed to rank, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the Doctoral Programme.
The selection is made on the basis of the assessment of:
 - all the mandatory applicant's qualifications listed in previous art. 3;
 - an interview, in English. The interview will assess the applicant's knowledge and their inclination to research (on the basis of their Master thesis topic and specific basic knowledge), as well as the knowledge of the English language. To be admitted to the interview, a valid identification document must be shown.

Competences on the specific subjects of the reserved scholarships or fellowships will be assessed during the evaluation process by the Selection Committee based on the research projects submitted.

³ The University of Trento signed an agreement with the CIMEA Association about evaluating and verifying foreign titles through the online platform Diplome. Further information at: <https://www.unitn.it/en/international/coming-unitrento>. The University of Trento has signed an agreement with the CIMEA Association for the evaluation and verification services of foreign qualifications through the use of the [Diplome platform](#). The statement of comparability of qualifications relating to the 55 countries of the Lisbon Convention can be downloaded directly and free of charge through [ARDI – Automatic Recognition Database Italia](#)

⁴ Details at <https://www.cimea.it/EN/pagina-riconoscimento-accademico> - Point 3) "Nostrification procedure (equipollenza)".

N.B.: the applicant's choice to compete also for the reserved scholarships implies a preference on their part for the awarding of that specific scholarship over the others.

3. The Selection Committee will award a maximum of 100 points. of which:
0-40 points: assessment of qualifications
0-60 points: interview.

Applicants obtaining a minimum score of **25/40** for the assessment of qualifications will be admitted to the oral examination which will be passed with a minimum score of **38/60**; only applicants who have passed both the examinations will be short-listed.

The selection will take place at the University of Trento – Mathematics Department – via Sommarive, 14 – 38123 Povo (Trento/Italy). The assessment of qualifications will start from **June 30th, 2026**; the interviews will be held from **July 14th, 2026**. The results of the assessment of qualifications and the exact date and time of the interviews will be published on the selection webpage.

4. The applicants can choose⁵ to hold the interview as follows:
 - a) in person at the University of Trento;
 - b) online interview: using audio-video connection tools, that allow the correct identification of the participants (through a webcam), and the conduction of the oral test in a public form.

The Selection Committee will decide the schedule of the interviews. The exact date, time (Italian time) and place of the interview will be posted on selection webpage. The University is not responsible for any technical problems that could affect the correct ongoing of the interview.

Possible changes will be solely posted on the selection webpage.

To simplify the identification procedures, the identification document shall be the one attached when filling in the online application.

The applicant's not showing up or connecting for the interview whatever the reason, or not being reachable on the day and at the time set for the examination, or not providing a valid identification document constitute grounds for exclusion.

Art. 5 – RANKING

1. At the end of the selection procedure, the Selection Committee draws up one general ranking list.
2. Positions with or without scholarship are assigned to short-listed applicants according to:
 - a. the position in the ranking;
 - b. for reserved scholarships, the applicant's eligibility for that specific scholarship;
 - c. In case of equal score see following art. 6.
3. Non-allocated scholarships on reserved topics will result in the reduction of the number of positions available.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE POSITION

1. Short-listed applicants are admitted to the Doctoral Programme based on the final ranking until all available positions have been filled. All applicants compete for the award of the scholarships funded by the University of Trento and University of Verona; however, applicants who have been awarded a scholarship on a specific reserved topic must accept it. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the Doctoral Programme.
2. Should two applicants obtain the same score, regarding the award of the scholarship, the applicants' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As for positions without scholarship, the younger of the two applicants will be selected.
3. Admitted applicants must send their acceptance of the position by following the instructions at "[Enrolling in a PhD](#)":
 - **within 8 days** starting from the day following the publication of the final ranking lists on the selection webpage for **positions covered with scholarships or other form of financial support**;
 - **within 14 days** starting from the day following publication of the final ranking lists on the selection webpage for **positions without scholarships or other form of financial support if any**.

⁵ The choice has to be made in the relevant section while applying online

N.B.: Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase – “Application procedure”) the PhD Office – Scientific and Technological Area (email: phd.office-st@unitn.it) **by November 6th, 2026**:

- scanned copy/pdf of the academic diploma of the *Master degree* (Master of Science/Arts or equivalent) in the original or certified copy, together with the academic transcript of records, possible official translations, legalized or with an apostille affixed (please carefully verify the fulfillment of the requirements set by the issuing country of the title).
- *Diploma Supplement* (if provided for by the university where the title was issued, it is commonly used within the member countries of the European Higher Education Area EHEA);

Alternatively

- *Declaration of Value*⁶ issued by the Italian diplomatic or consular representations country of origin of the institution that awarded the title;

Alternatively

- *Statement of comparability* of foreign university qualifications issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.
The University of Trento signed an agreement with the CIMEA Association for ENIC-NARIC certifications.

In case the Diploma Supplement, or the Declaration of Value, or the Statement of comparability are not available by November 6th, 2026, admitted applicants must deliver a document showing that they asked the University/the Italian diplomatic or consular representations/the ENIC-NARIC center for the documents to be issued.

Admission to the Doctoral Programme for successful applicants who do not provide the required above-mentioned documents by November 6th, 2026 will be “conditional” and the applicants will lose their right to continue the Doctoral Programme if:

- they do not deliver the documents within 6 months from the starting date of the Programme;
- upon verification, their title is not in compliance with the requirements of this call for selection.

In the case of loss of student status, the applicant must return the scholarship instalments eventually received.

- Note that the acceptance of a position must include the payment of stamp duty and the payment of the “provincial tax for the right to higher education” - TDS (except for exemption cases). At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
- Admitted applicants who do not accept the position by the above-mentioned deadlines will lose their right to registration, and their places will be offered to the next applicants on the relevant ranking.
- If a successful applicant **withdraws before the beginning of the Doctoral Programme** (November 1st, 2026), the next applicant on the ranking will be offered the position, if entitled to it based on the eligibility assessment for reserved scholarships. The latter must submit their acceptance of the position **within 4 days** starting from the day after the day on which the communication from the PhD Office – Scientific and Technological Area is sent.
- If a successful applicant **withdraws or is excluded during the first three months of the first year**, the Doctoral Committee may decide to fill the vacancy with the next applicant on the relevant ranking, considering the acquired eligibility for reserved scholarships.
- At the end of the enrolment period, doctoral students must communicate via e-mail (phd.maths@unitn.it) to the Doctoral Programme Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year must submit adequate motivations and justifications by **no later than November 6th, 2026**, on penalty of exclusion from the Doctoral Programme. In the case of a lack of communication and failure to arrive in Trento by the above-mentioned deadline Doctoral student will be deemed to have withdrawn from the Doctoral Programme.

Art. 7 – ENROLMENT ON THE DOCTORAL PROGRAMME

- Enrolment on the Doctoral Programme, only for admitted applicants who have accepted the position as mentioned above, will be automatically formalized as soon as the accreditation for the academic year 2026/2027 has been confirmed by the Ministry of University and Research. If accreditation is not confirmed, applicants who have accepted a position will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.
- In order to complete the enrolment process, those applicants who have obtained their academic qualifications abroad must, upon their arrival in Italy, show the official documents (the original ones or certified copies of them) relative to their academic record that have already been submitted in scanned form during admission to the selection phase or upon acceptance of the position, thereby enabling the appropriate checks of the validity of the qualifications to be conducted, also through the national information centres

⁶ Should the Declaration of Value not be available by the given deadline, the applicant has to **produce evidence of the request to the Diplomatic mission**. The applicant has to provide the original copy of the Declaration of Value as soon as it is available.

on the recognition of foreign qualifications belonging to the ENIC-NARIC network. Until that time, applicants are provisionally admitted to the course and may be excluded if they do not fulfil the requirements.

Art. 8 – INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian law on copyright (legislative decree 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the PhD student, including (but not limited to) software, industrial inventions patentable or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or entities involved⁷.
2. Before starting their research activities, the admitted applicants must sign a declaration, validated by the academic supervisor, regarding their commitment to confidentiality about information, data and reserved documents they can learn about during their doctoral activities at and/or on behalf of the University of Trento. When the research activities are funded by private or public bodies other than the University, the admitted applicants must sign a declaration, validated by the academic supervisor, to allow the University to respect its duties about the intellectual property rights towards the funding body and eventually a Declaration of commitment with the funding body, when required.

Art. 9 – REFERRAL RULES

1. For matters not explicitly mentioned in the present call, refer to Law no. 398 of 30.11.1989, art. 4 of Law no. 210 of 3.07.1998 as amended by art.19, par. 1, of the Law no. 240 of 30.12.2010, to Ministerial Decree no. 226 of 14.12.2021 and to the University Regulations for Doctoral Programmes issued by Rector's Decree no. 250 of 11.03.2022, to the Code of Ethics of the University of Trento, to the Students' Honour Code, to the Doctoral Programmes Regulations, and to the other relevant provisions contained in the current legislation.
2. This call for applications, together with an English version, will be published on the University of Trento's website, the Euraxess website and the Italian Ministry of Education, University and Research's website.
3. Any changes or additions to the call will be published on the selection webpage.
4. The person responsible for the administrative procedure is the Head of the Education and Student Services Management of the University of Trento.
5. The processing of personal data provided as a result of participation in this selection will be carried out in compliance with Regulation (EU) 2016/679 ("GDPR") and Legislative Decree no. 196 of 30 June 2003, as subsequently amended. Information about the personal data processing is provided to interested parties upon registration for the selection and can be consulted on the selection webpage.
6. The reference office is the PhD Office Science and Technology Area, email: phd.office-st@unitn.it. The Selection Committee is responsible for the selection process of the applications, from the evaluation of the qualifications to the drafting of the minutes, and the formulation of the merit rankings.
