Art. 1 – SUBJECT OF THE CALL

The University of Trento opens the call for applications for the admission to the 42nd Cycle (Academic Year 2026/2027) of the Doctoral Programme in “Civil, Environmental and Mechanical Engineering” as follows:

Deadline for application: August 24th, 2026, hrs. 4.00 PM (Italian time)

Positions: no. 14

Scholarships: no. 14 on reserved topics

Positions are divided as follows:

Curriculum A: Civil and Environmental Engineering	Nr.	Topics of reserved scholarships¹
Financer		
University of Trento and Department of Civil, Environmental and Mechanical Engineering	1	A1 - Quantum-Integrated Multi-Physics Soil-Structure Interaction Framework for Nonlinear Dynamic Analysis of Large-Scale Civil Structures (Scientific contact persons: Davide N. Gorini, Marco Andreini (Head of Infrastructure Safety Section at CERN, Switzerland), Michele Grossi (Coordinator of the Hybrid Quantum Computing Infrastructures and Algorithms at CERN, Switzerland))
University of Trento and Department of Civil, Environmental and Mechanical Engineering	1	A2 - Transport processes in transitional environments (Scientific contact persons: Marco Tubino, Luca Adami, Gabriele Barile (ETH Zurich))
University of Trento and Department of Civil, Environmental and Mechanical Engineering within the project “Rischio sismico CUP no. C65E24000330003 of Provincia Autonoma di Trento (PAT)	1	A3 - Next-Generation High-Resolution Seismic Hazard Maps for Trentino with Site Amplification and Soil-Structure Interaction (Scientific contact persons: Marco Broccardo, Davide N. Gorini, Chiara Nardin, Alfio Viganò (PAT))
University of Trento and Department of Civil, Environmental and Mechanical Engineering within the project “Research Fund for Coal and Steel “MULTI-STABLE” - Grant Agreement n. 101286340, CUP E63C26000990006	1	A4 - Innovative self-centering multi-stable dampers with high-performance properties and bi-stable metapanel with auxetic lattices for performance-based steel design in seismic engineering (Scientific contact persons: Oreste S. Bursi, Nicola Tondini)
Nr. of positions	4	

Curriculum B: Mechanics, Materials, Chemistry and Energy	Nr.	Topics of reserved scholarships
Financer		
University of Trento and Eurac Research	1	B1 - Advanced Control Strategies for Aggregated Heat Pump Systems: Enhancing Flexibility and Efficiency (Scientific contact persons: Vittoria Benedetti, Marco Cozzini (Eurac Research)).
Fondazione Bruno Kessler (FBK) - CUP C63C23001090006	1	B2 - Development of novel SiC MEMS-based microanalytical systems for low-power, field-deployable monitoring (Scientific contact persons: Maria F. Pantano, Alvise Bagolini and Andrea Adami (FBK))
Provincia Autonoma di Trento within the project “Trentino Energy Hub: materiali per batterie e idrogeno”	1	B3 - From biomasses to carbon materials for high-tech applications (Scientific contact persons: Luca Fiori, Michele Orlandi e Luca Matteo Martini (UniTrento/Physics Dept.)
Nr. of positions	3	

¹ Reserved scholarships can only be assigned to those candidates who will ask for and obtain the specific eligibility. The request for reserved scholarship/s must be consistent with the curriculum/a chosen (i.e. if you choose curriculum A, you can select only the reserved scholarship of that curriculum); inconsistent requests will be disregarded.

Curriculum C: Modelling and Simulation	Nr.	Topics of reserved scholarships
Financer		
University of Trento and Department of Civil, Environmental and Mechanical Engineering	1	C1 - Innovative Unconventional Array Antenna Architectures for Non-Terrestrial Networks (Scientific contact persons: Paolo Rocca, Andrea Massa, Giacomo Oliveri)
University of Trento and Stiftelsen NILU	1	C2 - Advanced Lagrangian Modelling of Reactive Atmospheric Plumes from CO ₂ Capture: Development, Validation and AI-Accelerated Prediction (Scientific contact persons: Massimo Cassiani, Espen Sollum and Gabriela Sousa Santos at NILU)
University of Trento and Department of Civil, Environmental and Mechanical Engineering	1	C3 - Prestressed fiber-reinforced systems for strengthening and upgrading timber structural elements (Scientific contact persons: Ivan Giongo, Jason Ingham and Tom Allen (University of Auckland), Daniele Casagrande)
University of Trento and ETH Zurich within the project BASEMENT	1	C4 - Integration of physics-based river hydrodynamic and morphodynamic (Scientific contact persons: Annunziato Siviglia, David F. Vetsch (ETH Zurich))
Nr. of positions	4	

Curriculum D: Architecture and Planning, Landscape	Nr.	Topics of reserved scholarships
Financer		
University of Trento and INRES Coop	1	D1 - Construction use risks - Methods and tools for the evaluation, control and reduction of risk factors during the use of buildings (Scientific contact persons: Mario Claudio Dejaco; Lidia Pinti)
University of Trento and Fondazione Bruno Kessler (FBK)	1	D2 - Urban Digital Twins for Climate-Ready Cities (Scientific contact persons: Gianluca Maracchini, Fabio Remondino (FBK), Rossano Albatici)
Department of Civil, Environmental and Mechanical Engineering within a project of Provincia Autonoma di Trento (PAT) – CUP no. C63C26000200003	1	D3 - Definition of procedures, methods, and tools for the digital management of historical and predictive data for building production, and the application of circular economy principles (Scientific contact persons: Mario Claudio Dejaco, Lidia Pinti, Carla Strumendo (PAT); Alfonso Vitti; Gianluca Maracchini; Rossano Albatici; Alessandro Rossi; Erica Santini (UniTrento/DEM))
Nr. of positions	3	

The call for selection offers 4 Curricula and each applicant may apply to **maximum 2 Curricula**. Within each Curriculum, the applicant can choose a **maximum of 2 specific research scholarships** (indicated with a letter and a number, e.g. A1), which are linked to a specific research topic and which require specific competencies in that field.

The scholarships dedicated to specific research topics (reserved positions) may be assigned only to those applicants who specifically apply for them, because these positions are linked to a certain research topic for which specific skills are required. Applicants interested in one or more reserved positions must therefore carefully check on the selection website the topic and the required skills, and if the scholarships entail the acceptance of confidentiality commitment and/or transfer of intellectual property rights (see the file “Research subjects” for possible details).

The positions with scholarships or other financial support may be increased after the publication of this call till the start date of the assessment of qualifications. All the new available positions will be posted solely on the [selection website](#).

Additional positions: scholarships that will be available after the publication of this call (and published on the selection website) can be selected by using the entry "Other" in the proper section of the online application and indicating in the specific space the title and ID of the scholarship chosen. Applicants who have already closed and sent the application before the publication of additional scholarships can apply for those scholarships using an additional online application (more information will be given on the selection website).

Moreover, applicants selected by special committees for admission related to specific international mobility programmes in which the University of Trento participates, may also be admitted to the 42nd cycle in additional positions.

Scholarship amount: Euro 21,750.00 per year

Information about scholarships: <https://www.unitn.it/en/study/fees-scholarships-accommodation/scholarships-and-awards/phd-scholarships>

Duration: Three years

Start of the Academic Year: November 1st, 2026

Official language: English

Selection webpage: <https://www.unitn.it/en/phd/civil-environmental-and-mechanical-engineering>

Doctoral Programme website: <https://phd.unitn.it/dricam/> (information on the Programme, admission to subsequent years and to the final examination)

Important:

- a. The dates of the selection and all selection results (interim and final), the possible exclusion from the selection due to an incomplete application (art. 3), the exclusion for foreign qualification not recognized as suitable (art. 2), and any notices related to the call will be published only on the call webpage; the applicants **will be identified through the application ID therefore it is recommended to keep it safe**. The publication on the website is to all intents and purposes valid as official notification, and no personal communication will be sent.
- b. Possible communication related to the call for selection will be sent by e-mail to the applicants' personal email address connected to the account registered by the system when closing the application. Applicants with an active or just concluded career at the University of Trento are advised to check their personal email address at the link: [Profile data for account](#). In case you need to change your personal email address after the application closure, please send a request to the PhD Office – Scientific and Technological Area (phd.office-st@unitn.it).

Art. 2 – ADMISSION REQUIREMENTS

1. Applications for doctoral positions are accepted from applicants, regardless of nationality, who hold:
 - a. an Italian "Laurea Magistrale" or "Laurea Specialistica", according to the Ministerial Decree no. 509 of 03.11.1999, subsequently amended by Ministerial Decree no. 270 of 22.10.2004;
 - or
 - b. a university degree obtained at an Italian Institution belonging to the AFAM system (Alta Formazione Artistica, Musicale e Coreutica);
 - or
 - c. an equivalent foreign degree (Master's degree) obtained at an officially recognized academic institution, valid for admission to Doctoral studies in the Country it has been issued (except for substantial differences) and similar for duration, level², nature (academic nature, research topics) and disciplinary field to the Italian degree, recognized as eligible by the Selection Committee for the sole purpose of accessing this specific Doctoral Programme.
2. Applications are also accepted from students expected to obtain the necessary degree **by October 31st, 2026**. Admission to the Doctoral Programme for successful applicants who have not yet graduated will be "**conditional**" and the applicant will have to submit to the Doctorate Office S&T (via email to: phd.office-st@unitn.it) **by November 6th, 2026, on penalty of exclusion**, the certificate awarded or a self-declaration pursuant to art 46 of D.P.R. 28.12.2000, n. 445 and subsequent amendments.
3. Applicants with a foreign qualification that has not been officially recognised as **equivalent** to a second cycle Italian degree (Laurea Magistrale/Specialistica/vecchio ordinamento) will be considered as **requesting equivalence in their application**, by attaching the necessary supporting documents.
It is in the applicant's interest to provide all the elements useful for the assessment, especially if the education system of the country where the qualification was obtained is not comparable to the Italian one.

² The reference foreign qualification must be a second level qualification according to the Bologna process (level 7 EQF / 2nd cycle QF-EHEA).

The Selection Committee may require the applicant to provide additional documentation if deemed necessary for the purpose of assessing the eligibility.

4. Applicants who have already obtained the Doctoral degree will be admitted to attend a second Doctoral Programme, after passing the selection procedure, provided that the prevailing subjects and scientific areas are different from those relating to the previous Doctoral degree. Applicants who have already benefited from a scholarship, even partially, cannot be assigned any scholarships in the new Doctoral Programme.

Art. 3 – APPLICATION PROCEDURE

1. The application must be **completed and submitted by hrs. 04.00 p.m. Italian time of August 24th, 2026, exclusively through the online system: [Doctoral Programmes Applications](#)**, which will be available within 3 working days from the publication of the announcement.

Authentication to the registration procedure is possible through (It is recommended to register well in advance of the call deadline. It may take up to three business days for credentials to be issued):

- **SPID**; applicants who own an Italian tax code as well as an Italian ID must access the registration procedure using the CIE (Electronic ID) or SPID, the Italian Public Digital Identity System, which automatically certifies the applicant's identity on the UniTrento systems and sets up an account as @unitn.it.
 - **University of Trento account**: those who do have a University of Trento account can access the application procedure with their existing username (name.surname@guest.unitn.it or name.surname@unitn.it). Those who have a UniTrento account but cannot remember the password, should follow the procedure: [Reset password by email](#). Further information on UniTrento username and password at Account@unitn.it
 - **a UniTrento "guest" temporary account**: only those who do not have an Italian tax code or a University of Trento account can set up a temporary "guest" account. After the matriculation, this account will be converted into a final one as @unitn.it. To register a guest account: <https://webapps.unitn.it/Registration/en/Home>.
2. To finalize the application a non-refundable **application fee of € 30** (thirty) is to be paid by **PagoPA payment system** according to the instructions given in the appropriate section of the online application.
 3. The online application can be saved and modified several times until the final submission. Thereafter it can no longer be changed. **The online application is considered to be a self-declaration of personal data and qualifications with full legal effect.** It is the sole responsibility of the applicant to make sure that the online application has been successfully submitted and an email notification has been received. There will be no liability with the University in the event that an application is not submitted correctly.
 4. When filling out the online application applicants can choose to apply, within one or **maximum two Curricula** (see art. 1), for one or **maximum 2 reserved scholarships for each Curriculum**, specifying the order of preference. The order of preference is not binding for the Selection Committee. Applicants can choose possible additional scholarships on reserved topics posted after the publication of the call following the instructions as already specified.

5. **MANDATORY ATTACHMENTS** (failure to upload one or more mandatory attachments will result in automatic exclusion from the selection)

A. **Identifying document (ID):**

A copy of the applicant's valid **identity card** (only EU citizens) or **passport** (non-EU citizens), in particular of the pages reporting his/her photograph, personal data, number, place and date of issue, expiry date and signature;

B. Documents related to **Academic degree for admission to the Doctoral Programme**:

a. **Italian qualification:**

- **already obtained/to be obtained: a self-declaration**, in accordance with Presidential Decree art. 46 no. 445 of 28.12.2000 and subsequent amendments, stating the **list of passed exams** together with date, mark and credits obtained in each examination. A template is available on the selection webpage, but similar documents are also accepted as long as they report the information requested in the call. If the qualification was issued by the University of Trento, the information will be acquired automatically.

b. **foreign qualification:**

- **already obtained:**
 - a **certificate attesting to the possession of a second level university qualification** (see art. 2 paragraph 1 letter c), issued by the institution that awarded it. The certificate must indicate the type of diploma, the date it was awarded and the relative grade;
 - a **list of examinations** taken to obtain the qualification to access a Doctoral Programme (**academic transcript of records of the Master's degree**) with relative credits (if provided for in the university system of the country that awarded the qualification), marks, and rating scale.

If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the list of examinations taken to obtain that degree (*academic transcript of records of the Bachelor's degree*) should also be attached.
- **to be obtained:**
 - a **certificate of enrolment in a course of study that allows admission to a Doctoral Programme** (see art. 2 paragraph 1 letter c), with a **list of the examinations** successfully passed, **credits** obtained in each examination

- (if provided for in the university system of the country that awarded the qualification), marks, rating scale (academic transcript of records) and the **possible award date**.
- If the university studies carried out abroad are divided into first and second level, the Bachelor's degree and the **list of examinations** taken to obtain that degree (academic transcript of records of the Bachelor's degree) should also be attached.

If the aforementioned **documents** are **not in English**, they must be accompanied by a **translation** in Italian or in English **made provisionally by the applicant** who takes responsibility for the accuracy of the translation and its compliance with the original text.

- C. **curriculum vitae et studiorum** in Italian or English, preferably according to the Europass model; all academic degrees held and any university enrolments in progress must be specified in detail (please specify also the High School diploma details);
- D. **summary of the Master's degree thesis** written in English explaining the reasons for the choice of the subject, the research methodology and the results obtained (approximately max 2 pages);
- E. **description of the research proposal in English** (approximately maximum 4 pages), written following the scheme in Annex 2, related to the research areas of the Doctoral Programme in Civil, Environmental and Mechanical Engineering. The list of research topics proposed by the PhD Programme is available on the selection website and in the file "Research subjects". Applicants applying for one or more reserved scholarships must attach a file containing the specific project proposal for the first-choice scholarship specifying the title and the ID of the scholarship at the beginning of the project;
- F. **statement of purpose in English**, approximately max 2 pages. The statement should highlight: reasons for the applicant's interest in attending the doctoral programme in Civil, Environmental and Mechanical Engineering (avoiding general statements); specific research interests relevant to the chosen Curriculum; any experience gained during the preparation of the degree thesis relevant to the selected Curriculum, possible research or work experiences related to the research areas of the Doctoral Programme.

For any scholarships on reserved topics that will be available after the deadline of this call, see art. 4.

Applicants awarded a scholarship on a specific reserved topic must accept it otherwise they will be excluded.

6. OPTIONAL ATTACHMENTS:

- G. List of possible publications; please do not send the entire publications, as the Selection Committee will evaluate only the list.
- H. any additional qualifications, such as international examinations (GRE or equivalent), useful for assessing the applicant's attitude towards research (Master's thesis, scientific publications, any documents regarding awards, post-graduate studying and research activities, language certifications, scholarships, etc...);
- I. copy of the first-level academic degree (Bachelor's degree) and transcript;
- J. up to two (2) names of referees working at universities or national and international research institutions, with details of their e-mail addresses.

Once the relevant section of the application has been completed and saved by the applicant, the system automatically sends (within 24 hours) to the referee an e-mail with instructions and forwarding method.

The letter should be completed according to the model that will be sent to the referee.

Applicants are recommended to make sure that their referees submit the letter of presentation **by August 28th, 2026**.

- K. **Applicants with a foreign qualification** may attach:

- **academic diploma of the Master's degree** (Master of Science/Arts or equivalent), in its original language and
- **Diploma Supplement (DS)** drafted according to the form developed by the European Commission, the Council of Europe and UNESCO / CEPES;

alternatively

- **Declaration of value** which certifies that the educational qualification is valid in the country of issuance for admission to a Doctoral programme (third-cycle degree according to the Qualifications Framework in the European Higher Education Area QF EHEA, EQF level 8 according to European Qualifications Framework EQF);

alternatively

- **Statement of comparability of foreign university qualification³** issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

³ The University of Trento signed an agreement with the CIMEA Association about evaluating and verifying foreign titles through the online platform Diplome. Further information at: <https://www.unitn.it/en/international/coming-unitn>. The University of Trento has signed an agreement with the CIMEA Association for the evaluation and verification services of foreign qualifications through the use of the [Diplome platform](#). The statement of comparability of qualifications relating to the 55 countries of the Lisbon Convention can be downloaded directly and free of charge through [ARDI – Automatic Recognition Database Italia](#).

If the foreign academic qualification has already been recognized as equivalent⁴ to a second cycle Italian qualification **by the competent academic bodies of Italian universities**, the equivalence provision (Rectoral Decree) must be attached.

7. The University will accept additional documents to be included in the application submitted if sent by email to ateneo@unitn.it (**Subject:** "Application ID number- applicant's Surname and Name – Doctoral Programme in Civil, Environmental and Mechanical Engineering – 42nd cycle – Second call - Supplement to application") **by August 24th, 2026 at 4:00 p.m. Italian time. Additional documents submitted by other means will be disregarded.**
8. Only documents (originals or copies) in English and Italian will be considered for the selection by the Selection Committee; for all other languages it is compulsory to attach a translation into English or Italian signed by the applicant.
The mandatory attachments required at points D, E and F (art. 3) must be submitted in English by all applicants.
9. All applicants are admitted to the selection procedure **conditionally upon ascertainment that they fulfill the admission requirements (art. 2)**. The University of Trento has the right to verify the documents delivered pursuant to articles 71 et seq. of the Presidential Decree no. 445 of 28.12.2000. **The University can at any time, even after enrolment and upon justified reasons, decide the exclusion of applicants lacking the requirements specified in the present call.**
10. According to Italian Law no. 104/92, Art. 20 and to Italian Law no. 68/99, Art. 16 (1), applicants with special needs or with learning disabilities may explicitly request in their application specific measures or special assistance during the examinations, in accordance with their certification. In this case personal data will be processed in compliance with the current law as indicated in the GDPR Privacy notice.

Art. 4 – EVALUATION OF APPLICATIONS

1. The evaluation is made by a Committee appointed by the Rector upon advice from the Doctoral Committee, in accordance with the University Regulations for Doctoral Programmes. The evaluation is made by an Admission Committee appointed by the Rector, consisting of a minimum of three members selected from among the teaching and research staff of Italian or foreign institutions, qualified in disciplines related to the scientific areas of the PhD program. It may also be supplemented by up to two experts, including international ones, selected from public and private research centres. The Selection Committee sets the evaluation criteria during a preliminary meeting.
2. The selection procedure is designed to rank, comparatively, the knowledge and aptitude of the applicants to carry out research in areas related to the Doctoral Programme and the chosen research area.
The selection is made on the basis of the assessment of all the mandatory applicant's qualifications listed in previous art. 3
The Selection Committee may contact the applicant for an in-depth video-interview concerning the material submitted and the subjects of the chosen curriculum. This possible online interview will not entail additional points and will be held after September 7th, 2026. Applicants will be contacted to the email address indicated in the application.
When filling in the online application, the applicant may declare his/her willingness to be evaluated for the assignment of reserved topic scholarships in addition to those for which he/she has shown his/her preference, in case there are scholarships not awarded due to lack of interest from other applicants or if no one has been deemed eligible.
3. Candidates who will have sent the application by the deadline, may also opt for any scholarship on reserved topics made available after the deadline of this call. These positions will be published on the selection website together with the instructions on how to access the online system that will be available only from August 25th till August 28th, 2026, 4.00 PM (GMT +2) Italian time.
The Selection Committee will evaluate the eligibility of the applicants for the position they shown their preference, based on the document (research project) they uploaded in the online application, or they sent lately as an integration.
Important notice: Applicants competing for a reserved scholarship indicate that this is their primary preference.
4. The Selection Committee will award a maximum of 100 points, of which:
 - 30 points for the assessment of qualifications and curriculum vitae;
 - 60 points for the assessment of research proposal and statement of purpose.
 - 10 points for the assessment of the summary of the degree thesis.

Applicants obtaining a minimum score of 60/100 will be short-listed.

5. The assessment of qualifications will take place at the Department of Civil, Environmental and Mechanical Engineering, Via Mesiano, 77 – 38123 Trento, **starting from September 1st, 2026**. The results of the evaluation and possible changes in the dates of the evaluation will be posted only on the selection webpage.

Art. 5– RANKINGS

1. At the end of the selection procedure, the Selection Committee draws up one ranking list for each curriculum.
2. The available positions are assigned to short-listed applicants according to:
 - a) the position in the ranking list;

⁴ Details at <https://www.cimea.it/EN/pagina-riconoscimento-accademico> - Point 3) "Nostrification procedure (equipollenza)".

- b) for reserved scholarships according to the position in the ranking list and the applicant's eligibility for that specific scholarship.
c) In case of equal score see following art. 6.
3. Non-allocated scholarships on reserved topics will result in the reduction of the number of positions available. With reference to each Curriculum, should any positions and/or scholarships remain, these are not assigned to candidates in the other rankings.

Art. 6 – ADMISSION TO THE DOCTORAL PROGRAMME AND ACCEPTANCE OF THE POSITION

1. Short-listed applicants are admitted to the Doctoral Programme based on their position in the relevant final ranking list until all available positions in each curriculum have been filled. Renunciation of the reserved scholarship implies the applicant's exclusion from the right to enroll in the Doctoral Programme.

If an applicant is chosen in more than one curriculum, he/she will have to accept the position in the curriculum that was selected as first choice in the application online. The winners of reserved scholarships will be required to accept the position in one of the topics in which they have obtained the eligibility by the Committee.

2. Should two applicants obtain the same score, regarding the award of the scholarship, the applicants' economic situations shall be the deciding factor, in accordance with the criteria established by the Italian Prime Minister's Decree of 09.04.2001 and subsequent amendments and integrations. As for positions without scholarship, the younger of the two applicants will be selected.
3. Admitted applicants must send the acceptance of the position following the instructions at [Enrolling in a PhD](#):
- **within 8 days** starting from the day following the publication of the final ranking lists on the selection webpage for **positions covered with scholarships or other form of financial support**.

N.B.! Admitted applicants with a qualification that has not been awarded in Italy must deliver (if they had not already done so during the application phase – "Application procedure") to the PhD Office - Scientific-Technological Area (sending them in advance by email: phd.office-st@unitn.it) **by November 6, 2026**:

- **academic diploma of the Master's degree** (Master of Science/Arts or equivalent) in the original or certified copy, **together with the academic transcript of records**, possible official translations, legalized or with an apostille affixed (please carefully verify the fulfillment of the requirements set by the issuing country of the title) and
- **Diploma Supplement** (if provided for by the university where the title was issued, it is commonly used within the member countries of the European Higher Education Area (EHEA))

otherwise (if the DS is not available)

- **Declaration of Value⁵** issued by the Italian diplomatic or consular representations country of origin of the institution that awarded the title

or

- **Statement of comparability of foreign university qualifications** issued by the ENIC-NARIC Center in Italy (CIMEA) that contains all the information necessary for the assessment of the qualification.

In case the Diploma Supplement, or the Declaration of Value, or the Statement of comparability are not available by November 6, 2026, admitted applicants must deliver a document showing that they asked the University/the Italian diplomatic or consular representations/the ENIC-NARIC center for the documents to be issued.

Admission to the Doctoral Programme for successful applicants who do not provide the required above-mentioned documents by November 6, 2026 will be "conditional" and the applicants will lose their right to continue the Doctoral Programme if:

- they do not deliver the documents within 6 months from the starting date of the Programme;
- upon verification, their title is not in compliance with the requirements of this call for selection.

In the case of loss of student status, the applicant must return the scholarship instalments eventually received.

4. Note that the acceptance of a position within the Doctoral Programme must include the payment of stamp duty and the payment of the "provincial tax for the right to higher education" - TDS (except for exemption cases). At present, no fees are charged to doctoral students to access courses and attend them, with the exception of the aforementioned annual provincial tax for the right to study (TDS).
5. Admitted applicants who do not accept the position by the above-mentioned deadlines will lose their right to registration, and their places will be offered to the next applicants on the relevant ranking.
6. If a successful applicant withdraws **before the beginning of the Doctoral Programme** (November 1, 2026), the next applicant on the ranking will be offered the position, if entitled to it based on the eligibility assessment for reserved scholarships. The latter must submit his/her acceptance of the position **within 4 days** starting from the day after the day on which the communication from the Doctorate Office S&T is sent.

⁵ Should the Declaration of Value not be available by the given deadline, the applicant has to produce evidence of the request to the Diplomatic mission. The applicant has to provide the original copy of the Declaration of Value as soon as it is available.

7. If a successful applicant withdraws or is excluded after the beginning of the Doctoral Programme and **during the first three months of the first year**, the Doctoral Committee may decide to fill the vacancy with the next applicant on the relevant ranking, considering the acquired eligibility for reserved scholarships.
8. At the end of the enrolment period, doctoral students must communicate via e-mail (dicamphd@unitn.it) to the Doctoral Programme Secretariat the exact date of their arrival in Trento. Doctoral students who cannot be, for justified reasons, in Trento at the beginning of the academic year, must submit adequate motivations and justifications by **no later than November 6th, 2026**, on penalty of exclusion from the Doctoral Programme. In the case of a lack of communication and failure to arrive in Trento by the abovementioned deadline Doctoral students will be considered excluded from the Doctoral Programme.

Art. 7 – ENROLMENT ON THE DOCTORAL PROGRAMME

1. Enrolment on the Doctoral Programme, only for admitted applicants who have accepted the position as mentioned above, will be automatically formalized as soon as the accreditation for the academic year 2026/2027 has been confirmed by the Ministry of University and Research. If accreditation is not confirmed, applicants who have accepted a position will receive timely notification via email, and the fee for the Right to Education (TDS) will be refunded.
2. In order to complete the enrolment process, those applicants who have obtained their academic qualifications abroad must, upon their arrival in Italy, show the official documents (the original ones or certified copies of them) relative to their academic record that have already been submitted in scanned form during admission to the selection phase or upon acceptance of the position, thereby enabling the appropriate checks of the validity of the qualifications to be conducted, also through the national information centers on the recognition of foreign qualifications belonging to the ENIC-NARIC network. Until that time, applicants are conditionally admitted to the course and may be excluded if they do not fulfil the requirements.

Art. 8– INTELLECTUAL PROPERTY RIGHTS ON RESEARCH RESULTS AND PUBLICATIONS

1. Without prejudice to the Italian legislation on copyright (Legislative Decree no. 633/1941 and subsequent amendments), intellectual and industrial property rights on the results eventually achieved by the PhD student, including, but not limited to, software, industrial inventions patentable or not, know-how, models, data and data collection, are regulated in accordance with applicable laws and University regulations and, if necessary, according to the provisions in the individual agreements with universities, companies or entities involved⁶.
2. Before starting their research activities, the admitted applicants must sign a declaration, validated by the academic supervisor, regarding their commitment to confidentiality about information, data and reserved documents they can learn about during their doctoral activities at and/or on behalf of the University of Trento. When the research activities are funded by private or public bodies other than the University, the admitted applicants must sign a declaration, validated by the academic supervisor, to allow the University to respect its duties about the intellectual property rights towards the funding body and eventually a Declaration of commitment with the funding body, when required.

Art. 9 - REFERRAL RULES

1. For matters not explicitly mentioned in the present call, refer to Law no. 398 of 30.11.1989, art. 4 of Law no. 210 of 3.07.1998 as amended by art.19, par. 1, of the Law no. 240 of 30.12.2010, to Ministerial Decree no. 226 of 14.12.2022 and to the University Regulations for Doctoral Programmes issued by Rector's Decree no. 250 of 11.03.2022, to the Code of Ethics of the University of Trento, to the Students' Honour Code, to the Doctoral Programmes Regulations in force, and to the other relevant provisions contained in the current legislation.
2. This call, accompanied by its translation into English, is published on the University website, on the website of the Italian Ministry of Education and on Euraxess. Any changes or additions to the call will be made available on the selection webpage.
3. The person responsible for the administrative procedure is the Head of the Education and Student Services Management of the University of Trento.
