ORAL EXAMINATION PROCEDURES

CONVOCAZIONI PROVA ORALE / SCHEDULE OF INTERVIEWS

I colloqui si terranno in presenza o con modalità a distanza attraverso l'utilizzo di piattaforma Zoom con attivazione del video in base a quanto indicato dai/le candidati/e stessi/e.

I/Le partecipanti verranno identificati/e attraverso confronto con il documento di identità allegato alla domanda che dovranno comunque mostrare all'atto del riconoscimento.

Il link alla piattaforma verrà comunicato a tutti/e i/le partecipanti preliminarmente in modo da garantire la pubblicità della seduta.

I/Le candidati/e che intendono ritirarsi, sono pregati/e di avvisare tempestivamente la segreteria del dottorato (dii.phd@unitn.it) via email.

The interviews can be held in person or remotely using a Zoom platform with video audio-activation according to what the candidates expressed in the application.

Participants will be identified through the comparison with the identity document attached to the application.

The same identity document must be also shown by the candidate at the beginning of the interview.

The link to the platform will be communicated to all participants in advance to guarantee the publicity of the oral examination session.

Reserved Scholarships

All candidates are invited to review the reserved scholarships, available in the selection web site

<https://www.unitn.it/it/dottorati/materiali-meccatronica-e-ingegneria-dei-sistemi>.

Before the interview, each applicant will have to confirm his/her interest in one or more reserved scholarships as declared in the application.

Qualification for the reserved scholarship/s will be assessed during the interview.

Notice that applying for reserved scholarships implies the candidate's preference for those specific scholarships over the free-subject ones.
